

三联新赋

庐州故郡，淮右襟喉，三联集团，坐落于斯。此地，钟灵毓秀，鸾翔凤集。徐孺下榻，济济群英。古有蔚然深秀者，人杰地灵；今有创业办学者，经天纬地。包拯清廉，扬清断浊千古颂；公瑾周雅，桑落点兵百代传。

而今，高楼迭起，平地惊雷，以汽配作桅，以科技为帆。时过新届，大兴教育千家乐；继往开来，广纳人才万象新。时人歌曰：“春入集团别有景，人至校园自生欣”。

悠哉！三联集团，昔创于公元一九九零年，选址于合肥高新技术开发区，创业伊始，则初露锋芒，有巨擎引领，未有几年，名声斐然。九七年起，历时数载，建成本科学院一所。鲜花绽放，莺歌常鸣，至于研学，则重视有加，产学一体，一时名声鹊起，遐迩皆称。

时哉！三联集团树新风，办实事，深入科研，获奖颇多。函丈退位，俊秀纷呈。精英治理，各领风骚。既提升办学之水准，又侧重内涵之创新。三联文化，历久弥新。一路风和雨，三联产学研，熬过三更火，圆梦在眼前。莘莘学子，谆谆良师，志在育才之苗圃，共创美丽之三联。

美哉！三联集团大兴建设、创建基地、合并他企、力争多元。前有高新技术开路，后有生产长链

殿后。响应号召，奉献人民。三联学院，校分两址。一址高丽，一址堂皇。各放异彩：田径场、图书馆、虎头泉、教学楼，鳞次栉比，雕梁画栋。林荫道、新食堂、莲花池，星罗棋布，纵横交通。

嘉兮，学子沁园；乐兮，教师沃土；美兮，三联集团，潜龙在渊，鸾飞戾天。钜人长德，熙来攘往。厚德博学，学子新秀，砺能树人，名师高竹，此系淳淳之校训。务实、高效、廉洁、勤勉，此系集团之方针。

学子知难，执卷叩门。绛帐严谨，春风化雨。昔日，桃之夭夭，灼灼其华；今朝，李花累累，柯枝离离。宿耆坚韧，新竹堪胜旧竹色；新俊尔雅，雏凤清于老风声。

壮哉！三联集团，蒸蒸日上；知来藏往，事业无疆；新桃旧林，各抒奇想；万众一心，共创辉煌。鸾鹭放歌兮，碧空流响；凤翥龙翔兮，九霄徜徉。

我辈学子，穷首皓经。昼耕夜读，焚膏继晷。敢竭鄙怀，恭疏短引。一言均赋，四韵俱成。

华诞欣逢三十秋，阶柳庭花不胜收。

参天绿林霞光映，翡翠成带天际流。

莺歌杨柳枝枝秀，马跃前程步步高。

破土凌云节节坚，寒驱三九领风骚。

中国老龄事业发展基金会老年产业人才实训基地揭牌暨首期培训班开班仪式在安徽三联学院隆重举行

2020年11月18日，中国老龄事业发展基金会老年产业人才实训基地揭牌暨首期培训班开班仪式在安徽三联学院图书馆学术报告厅举行。中国老龄事业发展基金会理事长于建伟、安徽省政协副主席孙丽芳、中国老龄事业发展基金会监事李军、安徽省民政厅副厅长耿学梅、合肥市委副书记罗云峰、安徽省民政厅养老服务处二级调研员曹增龄、合肥市民政局党组书记盛开、肥东县民政局局长丁必会、上海长三角区域养老服务促进中心理事长冯建光等领导，安徽省养老护理机构院长代表，安徽三联集团所属单位负责同志，安徽三联学院在肥校领导、相关二级学院和职能部门负责人以及师生代表出席活动。校党委副书记、副校长鲁先长主持仪式。

金会庆校长代表三联集团、三联学院对出席仪式的各位领导和嘉宾表示热烈欢迎，对长期以来关心和支持三联建设与发展的各位领导、各界朋友表示衷心的感谢。他表示三联学院将与合作单位共同探索“养老生态服务新模式”，打造集“实践教学、社会培训、养老服务运营”于一体的教育教学实训基地。

合肥市委副书记罗云峰在仪式上致辞，他指出中国老龄事业发展基金会是民政部和全国老龄办领导下为老年人服务的全国性慈善组织。安徽三联学院是我省民办高校中最早设置护理学院的院校，双方在养老事业、养老产业发展上具有独特的资源优势、技术优势和学科优势，我们衷心希望借此次基地建立契机展开合作，加大探索创新，加大培养更多老年工作的专业人才，发挥产、学、研三联优势，坚持医养教三位一体，推动政府、社会、学校三方合作，实现养老、敬老、孝老三个融合，努力把基地打造成为安徽乃至全国养老人才培养培训的标杆，积极为国家应对人口老龄化提供高层次、高质量的人才支撑。他提到，当前安徽正在深入学习贯彻实施党的十九届五中全会精神，深入贯彻落实习近平总书记视察安徽重要讲话的指示精神，认真谋划“十四五规划”的蓝图。合肥是创新创业的沃土，老年产业人才实训基地的建立，是老龄事业与高等教育事业融合发展的创新实践，也是合肥乃至全省养老服务业发展进程中的一件大事和喜事。

揭牌仪式上，中国老龄事业发展基金会理事长于建伟、安徽省政协副主席孙丽芳、安徽省民政厅副厅长耿学梅、合肥市委副书记罗云峰共同为基地揭牌。

捐赠仪式上，于建伟理事长代表中国老龄基金会向养老机构院长代表捐赠价值90余万元的“乐龄之家”爱心包，并为与会机构授牌“乐龄之家”。

于建伟理事长代表中国老龄事业发展基金会，对仪式的举行表示热烈祝贺，对省市政府和有关部门，以及三联学院对中国老龄事业发展基金会工作

的支持表示衷心感谢。他指出安徽三联学院充分利用三联集团科技产业优势,推进产学研一体化发展,近年新增设了健康服务与管理专业,不断加强“健康养老类”应用型学科专业群建设,已建成从招生到技能培训、从国内研学到海外实习就业的一体化人才培养及输出体系。希望在省市县政府及民政等有关部门的指导和支持下,充分发挥安徽三联集团和中国老基会的资源优势,建立健全养老护理培训体系,开展养老护理员、养老机构高管人才等多层次培训,为养老服务行业培养更多更好的管理和服务人才,积极推进合肥市乃至全省养老服务事业和产业健康持续发展,将这个基地打造成全国一流的有鲜明特色的五星级健康管理及养老服务人才培养基地,立足安徽省,辐射长三角,走向全中国。中国老龄事业发展基金会也非常愿意与安徽省、合肥市以及学校所在地的政府、民政部门相互支持,优势互补,共同推进新时代老龄事业和产业发展!

活动现场还举行了长三角养老服务促进中心

智慧养老合作协议签约仪式,上海长三角区域养老服务促进中心理事长冯建光、中国老龄事业发展基金会老年产业人才实训基地负责人张世伟、安徽三联学院护理学院执行院长兰先兰、安徽三联机器人科技有限公司总经理梅珑共同签约。

首期培训班邀请了上海长三角区域养老服务促进中心冯建光理事长、华东理工大学 MBA 大健康模块学术主任苏似锦教授、安徽三联学院护理学院陈素琴教授、安徽三联机器人科技有限公司副总经理金来博士分别授课。

学校将以老年产业人才实训基地为新的平台,在中国老龄事业发展基金会、各级政府及相关部门的指导下,进一步加强与各方合作,积极探索和实践“医养康教”融合人才培养新模式,助力合肥深度融入长三角一体化发展,助推安徽养老事业高质量发展。

第二届长三角民办高校教师教学技能大赛 在安徽三联学院圆满落幕

2020年11月26日至27日,由上海市教育委员会、江苏省教育厅、浙江省教育厅、安徽省教育厅联合主办的第二届长三角民办高校教师教学技能大赛在安徽三联学院顺利举行,并于27日下午在学术报告厅举行颁奖仪式。教育部发展规划司民办教育处副处长陈明君,上海市教卫工作党委、上海市教委分管领导闵辉,安徽省教育厅副厅长解平,浙江省委教育工委原委员、浙江省民办教育协会会长葛为民,安徽省民办教育协会会长赵良庆等领导出席大会。

第二届长三角民办高校教师教学技能大赛,受到了三省一市民办高校的广泛欢迎与积极参与,覆

盖面较第一届比赛更广,涵盖长三角三省一市53所民办高校,同时参赛教师年龄、教龄、学历等结构更趋合理。大赛共分两个阶段:第一阶段由三省

一市根据各校申报情况分别选送 20 名参赛教师参加比赛；第二阶段由大赛组委会根据 80 名入选教师的“现场教学”与“教学设计”情况予以评定，最终评出一等奖 4 名，二等奖 12 名，三等奖 24 名。安徽三联学院喜获一等奖 1 项、二等奖 1 项、优秀奖 1 项。

颁奖仪式上，安徽省教育厅副厅长解平致欢迎辞。解平表示每年一度的长三角民办高校教师教学技能大赛是实战化锻炼队伍、切磋交流、学习提高的宝贵机会和平台，加快推动了区域民办高校教学改革和教育质量的提升，达到了“以赛促学、以赛促教、以赛促建”的良好效果。希望我们长三角民办高校能够发挥并放大大赛的效应，带动培育出更多的骨干教师、卓越教师。

安徽省教育厅民办教育处处长张尔桂报告了本届大赛的组织及评审情况；民办教育协同发展服务中心主任熊莉娜宣布获奖名单。安徽省教育厅民办教育处处长张尔桂，安徽三联学院党委副书记、副校长鲁先长为三等奖获奖教师颁奖；上海市教委民办教育管理处处赵扬，江苏省教育厅高等教育处处长邵进，浙江省委教育工委原委员、浙江省民办教育协会会长葛为民，安徽省民办教育协会会长赵良庆为二等奖获奖教师颁奖；上海市教卫工作党委、教委分管领导闵辉，安徽省委教育工委委员、省教育厅副厅长解平为一等奖获奖教师颁奖。

随后，四名一等奖获得者安徽三联学院刘芳、浙江东方职业技术学院刘翔、无锡太湖学院杨小仙、上海电影艺术职业学院邹燕妃作为获奖教师代表发表感言。南京工程学院孙玉坤教授、浙江工业大学吴向明教授分别作为专家代表对本届大赛活动进行

了点评。

最后，教育部发展规划司民办教育处副处长陈明君发表讲话。她希望老师们能够如习总书记所要求的不忘立德树人初心，牢记为党育人、为国育人使命，从自身做起，努力求知，不断提升自己的综合素养。同时，民办高等教育作为高等教育的重要组成部分，推进高质量发展恰逢其时也刻不容缓，希望各民办高校能够秉持初心，坚持公益、优质、特色的价值取向，保持优势、明确定位，以人才培养为目标，跳出固化思维，不断深化教育教学改革。期待长三角教育事业能够发展成为区域教育协同创新样板，为长江教育创新带建设，甚至对中西部地区教育发展发挥引领支撑、辐射带动作用。

安徽省教育厅民办教育处处长张尔桂、江苏省教育厅高等教育处处长邵进作为代表进行了长三角民办高校教师教学技能大赛轮值单位交接仪式。

颁奖仪式上，上海市民办高校教师专业发展中心常务副主任徐雄伟代表长三角民办高校教学发展联盟就成立以来的工作进行了总结，并对未来一年的工作思路进行了汇报。

长三角民办高校教师教学技能大赛以推动区域民办高校教学改革、整合区域优质教学资源为主旨，是自三省一市教育行政部门签署长三角民办教育协作发展框架协议以来，长三角民办教育协作发展的一个重要举措，是三省一市紧扣一体化和高质量两个关键词，深入实施长三角一体化发展国家战略，推动长三角高等教育更高质量一体化发展的重要体现。

第二届安徽省交通科技大赛在安徽三联学院顺利举行

2020 年 12 月 5 日 -6 日，由安徽省教育厅主办，安徽三联学院承办，国家车辆驾驶安全工程技

术研究中心、合肥工业大学、安徽建筑大学协办的第二届安徽省大学生交通科技大赛圆满落下帷幕。

安徽省教育厅高教处一级主任科员蒋正飞,安徽三联学院校长金会庆教授,安徽三联学院党委副书记、副校长鲁先长教授,以及来自省内外高校和企业的23名评审专家出席闭幕式。闭幕式由安徽三联学院副院长、第二届安徽省大学生交通科技大赛组委会秘书长蔡文芬主持。

大赛分为“交通运输规划与管理”“道路桥梁工程”“载运工具运用工程”“交通信息与安全(交通大数据)”等4个竞赛组,共收到来自省内外21所高校的72件学生科技作品,较第一届提升了20%。经组委会资格审查与内容形式审查、双盲通讯初评,最终有来自合肥工业大学、安徽建筑大学、南通大学、山东交通学院、安徽三联学院等学校的60件优秀作品进入决赛。

大赛决赛阶段的全环节均采用线上方式进行,对承办高校、评审专家和参赛选手来说都是一次新的尝试,在决赛的前一个月,会务组进行了精心调试和反复演练,保障了大赛的网络、通讯、视频和语音等符合线上比赛的要求。大赛期间,安徽省大学生创新创业教育办公室刘沛东主任一行亲临决赛现场指导。经过一天激烈、有序、紧张的答辩评审,圆满完成了大赛的既定事项。闭幕式上,大赛评审专家组组长、合肥工业大学张卫华教授公布了大赛的评选结果,7支队伍获得一等奖(其中两支队伍为并列一等奖)、12支队伍获得二等奖、18支队伍获得三等奖,23支队伍获得优秀奖。

大赛评审专家、教育部交通工程教学指导分委员会委员、湖南理工大学龙科军教授对参赛作品进行了点评,他指出本届大赛作品有四个方面的特点:内容广、形式多样;有创新,研究视角独特;实用性强,贴合需求;新技术新方法的运用得当。同时对参赛高校师生也提出了三点建议:交通是一个复杂的系统工程,要科学选题;要加强交通工程理论知识的学习;要注意工程伦理,关注工程方案的可行性研究。他希望大家关注国家重大需求,聚焦交通领域的基础问题,为服务交通强国贡献自己的力量。

安徽省教育厅高教处一级主任科员蒋正飞在闭幕式上充分肯定了本届大赛取得的成效。他指出为贯彻国家大众创业万众创新的战略部署,省教育厅通过顶层设计,示范引领,强化交流,实践推动,及时出台系列激励引导政策,广泛开展创新创业相关竞赛及活动,积极推进创新创业平台建设,推动大学生创新创业教育改革,树立了以赛促学、以赛促练、以赛促教、以赛促改的教学发展观,对提高创新性应用型人才培养质量有着重要推动作用。同时提出三点要求:一是参赛学校要以本次大赛为契机,以提高人才培养质量为本,认真贯彻落实中央对高校创新创业教育工作的部署要求,锐意进取、真抓实干,努力推进创新创业教育改革,开创高校人才培养工作的新局面;二是大赛组委会要做好赛事的组织领导和宣传工作,营造良好的创新创业氛围,力争把大赛转化成精彩难忘的盛会,进一步提高竞赛的影响力和辐射面;三是各高校参赛师生要充分利用大赛平台切磋技艺和展示风采,大胆创新、百折不挠、敢为人先,投身创新创业的实践,引领创新创业风尚,用实际行动构筑新时代中国梦。

校党委副书记、副校长鲁先长教授在闭幕式上代表学校做总结讲话。他首先向对大赛给予高度重视和大力支持的各级领导和有关单位,以及为大赛成功举办付出辛勤努力的组委会全体成员,表示崇

高的敬意！向为大赛项目评审做出重要贡献的各位专家，表示诚挚的感谢！他指出交通科技大赛属于省级 B 类赛事，旨在响应国家“一带一路”倡议和服务“交通强国”建设，进一步提升安徽省交通运输学科在全国的影响力。此次比赛是在常态化疫情防控背景下举办的，得到了省教育厅和交通运输专业合作委员会的精心指导以及各兄弟院校的大力支持，大赛以“可持续交通”为主题，力在展现大学生基本工程实践能力及交通技术运用分析能力，激发大学生从事绿色环保交通科学研究与探索的兴

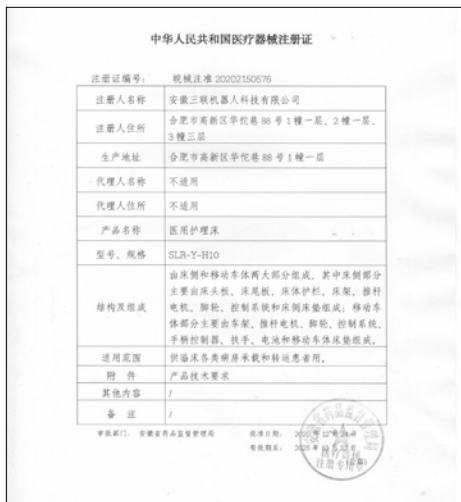

趣，营造浓厚的交通运输科技创新氛围，推进省内外高校师生交通科技创新的思维碰撞与文化交流。

据 11 月底在北京交通大学举办的第十五届全国大学生交通科技大赛传来消息，我省入围决赛的作品数较上一届增加了 71.4%，可见，大赛已为我省大学生搭建了交通科技创新实践平台，实现了国赛“练兵比拼”的目的。

安徽三联机器人科技有限公司再次喜获医疗器械产品注册证

2020 年 12 月 24 日，在历经企业技术要求规范审核、多次器械检验、数百项的体系考核及现场审查后，安徽三联机器人科技有限公司自主研发的“医用护理床”产品获得由安徽省药品监督管理局颁发的中华人民共和国医疗器械注册证，注册证编号为皖械注准 20202150576。

第二张医疗器械注册证的取得，是三联机器人公司在医疗器械领域史上的又一次重大突破。不仅完善了公司的各项体系建设，还将对公司在医疗康复领域的发展和拓展产生积极的引导作用。

安徽三联学院与安徽三联机器人科技有限公司举办 共建智能护理联合实验室签约暨揭牌仪式

为献礼三联集团 30 华诞，进一步落实产教融合，2020 年 11 月 3 日，安徽三联学院与安徽三联机器人科技有限公司共建智能护理联合实验室签约暨揭牌仪式在 T518 会议室举行，安徽三联机器人科技有限公司总经理梅珑、总经理助理陈建抗、研发总监房志东，安徽三联学院副校长姜发根，实践教学部部长王力、机器人工程学院执行院长王洪海及护理学院班子成员参加会议。仪式由护理学院执行院长兰先兰主持。

会上，护理学院科研副院长王飞向与会领导简要介绍了合作协议的主要内容；随后，校企双方就

共建实验室项目进行交流探讨，与会双方均指出，双方要加强合作，共同推进联合实验室内涵建设，助力健康养老相关专业发展，提升应用型人才培养质量。最后，姜发根、梅珑分别作为校企双方代表，签署合作协议并共同为智能护理联合实验室揭牌。

本次合作是护理学院首个校企共建实验室，对于促进学院产教融合医教协同，深化人才培养模式改革具有重要意义，必将进一步推动产教融合工作再上新台阶。

安徽三联学院举行校企合作签约暨共建 “新产业人才研究院”揭牌仪式

仲冬时节，安徽三联学院图书馆五楼会议室宾朋满座，暖意融融，气氛热烈，2020年12月19日，安徽三联学院与安徽人和市场研究咨询有限公司举行合作签约暨“新产业人才研究院”揭牌仪式。

安徽人和集团副总裁朱世军，安徽人和市场研究咨询有限公司副总经理刘良进、人资总监陶宠、运营总监陈凤、运营经理杨东、招聘经理李明，以及安徽三联学院党委副书记、副校长鲁先长，副校长姜发根出席仪式，学校实践教学部部长王力、计算机工程学院执行院长张继山及经济管理学院副院长、专业教师、辅导员代表等共同参加了仪式。仪式由经济管理学院执行院长占海文主持。

仪式开始，陶宠总监简要介绍了校企合作共建方案的主要内容与细节，随后，校企领导就合作共

建“新产业人才研究院”提出希望和要求，一致强调，校企双方需高度重视，结合实际着力推进工作落实，不断深化产教融合平台的内涵建设。

随后，姜发根副校长、刘良进副总经理分别作为校企代表签署了合作协议，鲁先长副书记、刘世军副总裁共同为“新产业人才研究院”揭牌。

据悉，此次安徽三联学院与安徽人和市场研究咨询有限公司的合作主要围绕实习实训、课程实践、项目执行、师资交流等方面展开，依托共建产教融合平台——“新产业人才研究院”，双方搭建研究团队，共同推进课程建设与教材开发，引入课题开展横向项目合作，共同进行项目申报与论文发表等。

三联“SL2818-3型机动车驾驶人实际道路驾驶技能考试系统”被省经信厅评定为安徽省数字经济优秀智能硬件产品

2020年11月11日，安徽省经信厅发布2020年支持数字经济发展若干政策资金拟支持项目公示，由三联交通公司自主研发的“SL2818-3型机动车驾驶人实际道路驾驶技能（科目三）考试系统”被评定为安徽省数字经济优秀智能硬件产品。

“SL2818-3型机动车驾驶人实际道路驾驶技能（科目三）考试系统”由车载主机、差分卫星定位设备、车载信号采集设备、车载端评判软件及管理软件等组成，在设计中运用人工智能、大数据、车载视频轨迹合成、人证识别等前沿技术，提高产品的稳定性和优越性，实现了公安部部令和部颁标准规定的A1、A2、B1、B2、C1等车型的科目三道路考试要求，经公安部交通安全产品质量监督检测中心产品检测合格，各项技术指标处于国内领先水平。

该产品已推广到全国20多个省、自治区和直辖市的交通、公安、驾校等单位应用，在保障机动车辆行驶安全和降低驾驶人交通事故的同时，也有利于促进安徽数字经济和智能交通等相关产业的发展，减少国外同类产品的引进，取得了较好的社会效益和经济效益。

安徽省政府出台《支持数字经济发展若干政策》，省经信厅、省财政厅联合制定《支持数字经济发展若干政策实施细则》等文件，是大力发展数字经济，贯彻国家数字经济发展战略及安徽省委、省政府加快建设“数字江淮”重大决策。其中“优秀智能硬件产品”的认定标准是对技术创新水平较高、市场竞争力突出、在省内外广泛推广应用，每年优选不超过50个项目给予一次性奖补。

三联最新研发的驾驶人实际道路考试系统被列入工信部与安徽省政府共建的“中国声谷”技术创新产品产业化项目

2020年12月4日，安徽省经信厅官网发布了《2020年支持中国声谷建设专项资金（第二批）拟支持项目公示》，三联交通公司创新研制的“基于SL2601/SL2818平台的统一版实际道路考试系统”被列入技术创新产品产业化项目，并获“中国声谷”建设专项资金支持。

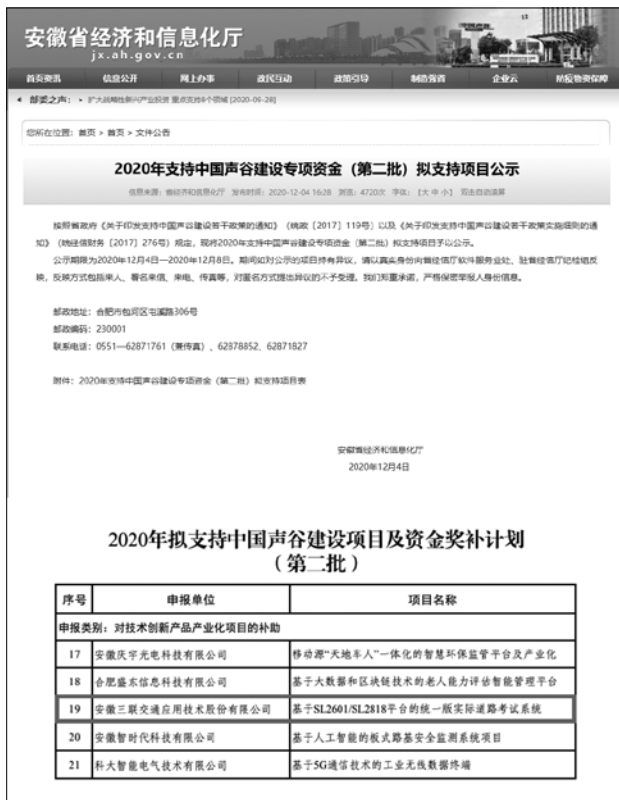

“中国声谷”是由国家工信部与安徽省政府合

作共建的部省重点项目，是全国智能语音与人工智能领域产业发展高地。为加快“中国声谷”建设，安徽省政府和省经信厅先后下发了《关于印发支持中国声谷建设若干政策的通知》《关于印发支持中国声谷建设若干政策实施细则的通知》，以促进安徽智能语音及人工智能产业发展。三联交通公司于2018年加入声谷产业园，在政府相关产业政策培

育指导下，企业技术创新能力显著提升。

“基于 SL2601/SL2818 平台的统一版实际道路考试系统”是根据公安部驾考新政新标要求，在对道路考试系统的需求调研的基础上，充分发挥三联 SL2601 型和 SL2818 型道路驾驶技能考试系统技术优势，采用新设计系统框架、通信框架、数据库结构、管理平台架构、音视频合成和车载评判模块等，运用人工智能视频图像分析技术，基于 BS 网页架构的新型道路驾驶技能考试系统，革新了道路驾驶考试评判方式。

该项目符合“中国声谷”智能语音及人工智能类技术创新产品产业化方向，实现了包括 OCX 控件封装技术、GDI 绘图技术扩展、卫星算法优化处理、扩展考车模型检测点、扩展车载语音播报方式、重构系统通信架构、兼容关键考试数据等多个关键技术点的技术创新，在提升车辆安全行驶，实现交通运输安全领域的技术和装备国产化的同时，预计年生产规模达 300 台套，并带动相关产业的发展，具备技术先进、产业空间大等优点，将取得较好的社会

和经济效益。

三联交通公司荣获

“2020年度合肥市和谐劳动关系企业”称号

近日，三联交通公司荣获由合肥市人社局、合肥市总工会、合肥市企业（企业家）联合会、合肥市工商业联合会联合授予的“2020年度合肥市和谐劳动关系企业”称号。

和谐劳动关系创建活动评价标准是由近四十项各模块细分考核指标构成，采用分值制对企业劳动关系逐一进行测评，并需通过各级联合评价单位初评、复评

和终审后，方可获此殊荣。多年来，三联交通公司在快速、稳定发展的同时，高度重视员工的内在需求，始终坚持以人为本，并遵照上级主管单位对创建和谐劳动关系企业的有关要求，以维护员工合法权益为中心，以提高员工生活水平为目的，以促进企业增效增收为宗旨，不断规范内部劳动关系管理，充分发挥劳动关系协商协调机制的作用，严格落实职

工代表大会制度，全面保障员工在劳动报酬、职业培训、职业安全卫生保护、休息休假等各方面的合法权益，着力建设了规范有序、公正合理、互利共赢的和谐劳动关系。

特别是在今年面临着因新冠肺炎疫情影响所造成的严峻内外部经营环境形势下，公司领导班子凝心聚力，共克时艰，想方设法化解疫情造成的不良影响，在薪资标准、福利待遇、休息休假等各方面全力保障员工个人利益，极大提高了员工满意度，有效稳定了员工队伍，形成了公司与员工共同和谐发展的合力。因此，在今年这一特殊时期收获相应

荣誉和肯定更显弥足珍贵。

“和谐劳动关系企业”称号是对企业和谐劳动关系建设工作的重要鼓励与表彰，是对三联交通公司履行社会责任、优化企业发展环境、加强员工人文关怀工作的高度认可。未来，三联交通公司将珍惜荣誉，再接再厉，秉承“团结、坚韧、勤勉、共赢”的核心价值观，进一步发挥构建和谐劳动关系的引导和示范作用，持续提高和谐劳动关系创建能力和水平，努力提升员工成就感、归属感与幸福感，更好地促进企业健康和可持续发展。

安徽三联学院在 2020 年暑期“三下乡”社会实践评比中 斩获全国“优秀单位”等诸多殊荣

2020 年暑假，由中宣部、中央文明办、教育部、团中央、全国学联联合下发通知，在疫情防控常态化情况下，稳妥部署开展“三下乡”社会实践活动，安徽三联学院暑期社会实践工作组织得力、内容丰富、形式多样，在助力疫情防控和复产复工、助力抗击洪涝灾害、投身决战脱贫攻坚、推动生态文明建设等方面成效显著。

近日，由中宣部、中央文明办、教育部、团中央和全国学联主办的 2020 年全国大中专学生志愿者暑期“三下乡”社会实践活动圆满落下帷幕，安徽三联学院被评为 2020 年全国大中专学生志愿者暑期“三下乡”社会实践活动优秀单位，这是学校首次，也是我省唯一获此殊荣的民办高校。

此外，在团中央宣传部指导开展的“趁年轻去基层”全国大学生“千校千项”网络展示活动中，由校团委申报的“青春筑梦下基层 美丽宜居新农村”新农村建设调研团队和“奋斗青春实践季 企业发展城市兴”企业复工复产调研团队两个项目经作品申报、资格筛查、网络点赞、专家评审等环节，获评全国“千校千项”“最美团队”。该奖项面向全国评选 300 个“最美团队”，安徽省仅 4 所高校 5 个团队获评。

同时在由中共安徽省委宣传部、安徽省委文明办、安徽省教育厅、共青团安徽省委员会、安徽省

学生联合会共同开展的 2020 年安徽省大中专学生志愿者暑期文化科技卫生“三下乡”社会实践活动评选中，由校团委李源晖指导的《关于新农村视角下的生态农业与美丽乡村的实践与思考》荣获省级二等奖；财会学院张成磊指导的《区域经济耦合视角下古村落发展路径的探究》调研报告获省级优秀奖，另 2 人获评省级“优秀个人”，2 支团队获评省级“优秀团队”。

今年暑期，安徽三联学院采取点、面结合的双重形式，紧扣“小我融入大我 青春献给祖国”这一活动主题，组织助力疫情防控、复工复产、主题普及宣讲、依法治国宣讲、科技支农帮扶、教育关爱服务、文化艺术服务、美丽中国实践、“青年大学习”行动专项、“投身乡村振兴”、参加新时代文明实践志愿服务及开展返乡等系列活动，全校组建校级重点团队 12 支、院级重点团队 20 支，自主立项团队 100 支，在校党委的统一领导和校团委的具体指导下奔赴全省各地开展暑期社会实践活动。实践过程中坚持将培育与践行社会主义核心价值观贯穿全过程，注重发挥各团队专业特长，引领广大青年学生在社会实践中增强责任感和使命感，勇做担当民族复兴大任的时代新人。

安徽三联学院应邀参加第十三届中德应用型 高等教育研讨会

2020 年 12 月 1 日，由安徽省教育厅，德国下萨克森州科文部主办，合肥学院、奥斯纳布吕克应用科学大学承办的第十三届中德应用型高等教育

研讨会在合肥召开。此次会议首次采用远程交互形式，共有来自全国 25 个省市 93 所高校的 230 余名学者相聚线下，与大洋彼岸的德方专家“隔空对话”，共同研讨智慧教育、产教融合与高质量应用型人才培养。安徽三联学院副校长蔡文芬，实践教学部部长王力，教务处副处长程苗、张薇等应邀参加会议。开幕式由合肥学院院长吴春梅教授主持。

厦门大学文科资深教授潘懋元先生、省教育厅副厅长储常连博士、德国下萨克森州科文部部长毕勇·蒂默勒、德国驻沪总领事馆总领事特使易堂铭、合肥学院党委书记王其东、安徽省人民政府外事办公室副主任秦俊峰、合肥市副市长路军等通过

线上、线下方式先后致辞。储常连副厅长表示，希望通过本届研讨会的举办，进一步聚焦智慧教育，探索应用型大学“产教融合”的路径，拓展中德高等教育交流合作新领域，从而打造中德务实合作的“升级版”，推动应用型大学服务创新驱动发展。

随后，德国马格德堡应用科学大学副校长丁永建、北京大学教授郭建如、南京大学副校长陆延青、奥斯纳布吕克应用科学大学教授法兰克·梅尔、安徽大学党委书记蔡敬民等先后作“中德高校合作前景、产教融合与应用型人才培养、新工科建设、智慧教育和高水平应用型大学建设”主旨报告。主论

坛之后，与会人员分别参与了校长论坛、智慧教育和产教融合相关分论坛，并与相关代表进行了交流。

此次学习交流对安徽三联学院智慧教育、产教融合有较好的借鉴作用。下一步学校将进一步更新理念认识，凝聚共识，瞄准难点和痛点，精准施策，久久为功，以钉钉子的精神推动智慧教育和产教融合，着力培育学校教育教学新业态，发展产教融合新常态，为加快建成优势特色突出的地方应用型高水平大学努力奋斗。

安徽三联学院第三届二次教职工代表大会 暨工会会员代表大会胜利召开

2020年12月22日，安徽三联学院隆重召开第三届二次教职工代表大会暨工会会员代表大会（以下简称“两代会”），听取并审议了学校工作报告、工会工作报告、教职工代表大会提案工作报告，讨论了《安徽三联学院“十四五”事业发展规划（草案）》，表决通过了《安徽三联学院教职工代表大会提案工作实施办法》和大会决议。董事长余皖生等学校在肥党政领导出席大会。省教育督导专员、校党委书记李明阳作总结讲话。校党委副书记、副校长鲁先长，副校长姜发根、蔡文芬，工会主席王瑞友分别主持会议。

李明阳在讲话中对“两代会”的胜利召开表示祝贺，向全体与会代表和工作人员的辛勤工作表示衷心感谢。他指出，会议主题突出、内容丰富、议程紧凑、会风务实，与会代表认真履职尽责，积极建言献策，场面热烈，氛围融洽。

李明阳强调，“两代会”是在深入学习贯彻党的十九届五中全会精神的背景下，在全面总结学校“十三五”事业发展成果及2020年工作成绩，谋

篇布局学校“十四五”事业发展规划的关键时期召开的一次重要会议，也是适应新形势、谋划新发展、开创新局面，奋力谱写新时代地方应用型高水平大学建设新篇章的一次动员大会。大会对于学校进一步汇聚发展合力，深化教育教学改革、团结动员广大教职工，积极推动治理体系和治理能力现代化具有重要作用。

李明阳要求，要进一步加强教职工代表大会制度建设，把教职工对美好生活的向往作为奋斗目标，夯实学校改革发展的群众基础，推进学校治理体系

和治理能力现代化。全校上下要深刻把握党的十九届五中全会的重大意义，深刻认识学校发展面临的机遇和挑战，持续深化“不忘初心、牢记使命”主题教育成果，强化立德树人使命，统一思想认识，凝聚发展共识，努力把“十四五”愿景蓝图变成美好现实，全力推动学校科学发展、创新发展、高质量发展。

受校长金会庆委托，鲁先长代表学校向“两代会”作题为《坚守教育报国初心，勇担立德树人使命，奋力谱写新时代地方应用型高水平大学建设新篇章》工作报告时指出，全校师生深入学习贯彻习近平新时代中国特色社会主义思想和党的十九届四中、五中全会精神，以“安徽省首所民办高校三联学院成立”载入《新中国70年安徽大事记》《安徽改革开放40年大事记》为新的历史契机，聚焦立德树人根本任务，紧紧围绕地方应用型高水平大学建设目标，攻坚克难，圆满完成各项目标任务，学校办学实力、办学水平得到快速提升。

鲁先长就学校今后一段时期的重点工作进行说明并要求，要把握发展大势，抓住历史机遇，精心谋篇布局，科学编制“十四五”发展规划。不断加强人才培养综合能力建设，全面落实立德树人根本任务。继续深入实施人才强校战略，奋力打造高素质教师队伍。加强与国外高校、企业、行业合作，

着力提升国际交流合作成效。始终坚持高质量党建引领，不断增强基层党组织凝聚力与战斗力。建立与常态化疫情防控要求相适应的校园管理模式，奋力推进地方应用型高水平大学建设。

王瑞友向“两代会”作题为《在推进地方应用型高水平大学建设中积极发挥工会组织作用》的工作报告，全面介绍了工会委员会近两年工作情况和2021年工作展望。他表示，工会将坚守服务教职工的初心，牢记服务学校改革发展稳定的使命，切实增强建功“十四五”、奋进新征程的责任感使命感紧迫感，推动学校工会组织改革再出发。

副校长操晓峰向“两代会”作了学校《教职工代表大会提案工作报告》和“十四五”发展规划起草情况的说明。

会议期间，学校12个代表团对学校工作报告、工会工作报告、提案工作报告和《“十四五”事业发展规划（草案）》《教职工代表大会提案工作实施办法》进行了审议和讨论，代表们认真履行职责，积极建言献策，一致认为：报告、规划系统总结成绩经验，正确研判形势方位，对于学校抢抓机遇、深化改革，高质量发展具有重要的指导作用。

安徽三联学院第二次学生代表大会圆满落幕

2020年11月13日，安徽三联学院第二次全体学生代表大会隆重召开。校党委副书记、副校长鲁先长，校党委委员、副校长姜发根，副校长蔡文芬，校党委委员、工会主席王瑞友，校党委委员、党办主任、组织部部长李斌，校党委委员、经济管理学院执行院长占海文，校党委委员、财会学院执行院长宋梦岚，校党委学工部部长、团委书记李燕

出席开幕式。参加此次开幕式还有各学院分党委（党总支）书记、各院团总支书记以及175名学生代表大会正式代表。开幕式由校团委副书记李源晖主持。

大会在雄壮的国歌声中拉开序幕，工作人员宣读学联二十七次主席团单位中国科学技术大学、武汉大学以及安徽大学、合肥工业大学、南京师范

大学等省内外兄弟高校学生会发来的贺信。

校党委委员、工会主席王瑞友致贺词，诚挚地希望安徽三联学院工会与学生会能进一步加强联系、携手共进、相互支持、密切配合，祝愿我校学生会工作再创新辉煌，推动我校各项工作再上新台阶。

开幕式上，校党委副书记、副校长鲁先长代表学校党委对学生会两年以来的工作予以赞扬和肯定，同时，他对全体青年学子及学生会接下来的工作提出了几点希望：一要志存高远，坚定信念，做“有理想、有追求”的三联青年。要将社会主义核心价值观与个人理想的实现融入到中华民族伟大复兴的历史进程中，把爱党之情、爱国之念、报国之志付诸于服务祖国、服务社会、建设发展安徽三联学院的具体行动中；二要刻苦学习、艰苦奋斗，做“有担当、有作为”的三联青年。要学会做人，学会读书，学会做事，实现“精神成人”与“专业成才”的双赢，成为最优秀的三联学子，做德智体美劳全面发展的社会主义建设者和接班人；三要勇于开拓、敢为人先，做“有朝气、有创新”的三联青年。各级学生会组织要在联系服务广大同学中，大力引领“开天辟地、敢为人先”的首创精神，在当好上传下达桥梁和情感联系纽带的同时，掀起投身实践、勇争第一的创新热潮，努力成为立场坚定、本领高强、骁勇善战的青年突击队和时代生力军；四要激发动力、提高本领，做“有能力、有水平”

的三联青年。要深入学生，了解学生，准确把握学生的思想脉搏，把团学组织开展的各项活动融入大学生的学习生活实际，围绕广大青年学生在学习成才、创新创业、志愿服务、社会实践和权益维护等方面的不同需求，全面提升为青年学生服务的能力和水平。

会上，校学生会张世皇同学代表安徽三联学院第一届学生委员会作了题为《不忘初心跟党走 激扬青春勇担当 在地方应用型高水平大学建设中谱写学生会工作新篇章》的工作报告。报告从六个方面回顾了第一次学代会以来学生会的主要工作。报告对今后的学生会工作作出了四点展望：全面加强思想引领，争做新时代优秀青年；落实党委的全面领导，继续深化学生会改革；不断丰富校园文化活动，打造校园文化自主品牌；用心维护广大同学权益，成为同学们靠得住的学生会。

大会审议并通过《安徽三联学院学生会章程修正案》《安徽三联学院学生会组织改革方案》《安徽三联学院学生骨干管理办法（暂行）》《安徽三联学院学生会组织和学生社团骨干考核办法（试行）》，并选举产生新一届校学生委员会及主席团成员。最后，大会在嘹亮的团歌声中闭幕。

安徽三联学院学生会组织必将以本次大会为新的起点，与时俱进，开拓创新，努力成为走在时代前列的奋进者、开拓者、奉献者，在中华民族伟大复兴的历史使命和建设地方应用型高水平大学的

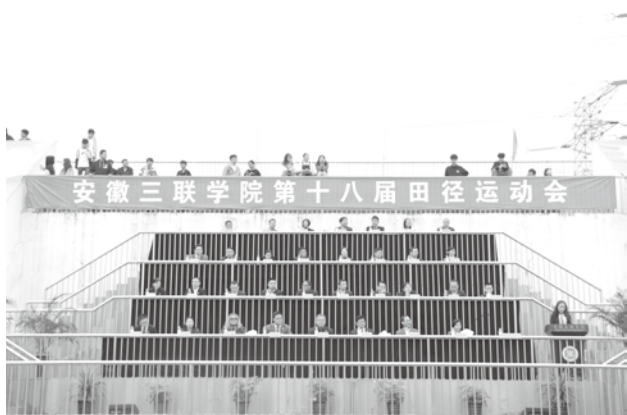

新征程中，以昂扬向上的斗志和青春奋进的激情，坚定跟党走、奋进新时代，在实现中华民族伟大复兴的中国梦的进程中谱写新时代的青春篇章！

安徽三联学院举行第十八届田径运动会

运动点燃激情，校园别样精彩。2020年11月5日，安徽三联学院第十八届田径运动会在安徽三联学院体育场举行。金会庆校长因公出差，特别发来慰问信息，向大家致以最诚挚的问候！出席开幕式并在主席台就座的主要领导有：省教育督导专员、校党委书记李明阳，校党委副书记、副校长鲁先长，副校长姜发根、张世伟、金哲、蔡文芬，校财务总监范兆红，校长助理傅炜，各二级学院及部门主要负责人。参加开幕式的还有各二级学院代表队全体运动员，赛会志愿者、师生代表等。开幕式由副校长江秀丽主持。

上午九时，第十八届田径运动会正式开幕，伴随着慷慨激昂的运动员进行曲，安徽三联学院国旗、校旗、会旗护卫队率先走过主席台接受检阅，紧随其后的是鲜花彩旗方队、学生骨干代表方队、青年志愿者服务中心方队、裁判员代表队、教工代表队，接下来，学校二级学院的优秀运动员们迈着整齐划一的步伐有序入场，运动健儿们意气风发、气势如

虹，充分展现出三联人蓬勃向上的精神面貌和锐意进取的创新风采。此外，学校体育舞蹈队及校团委方队分别带来了舞蹈《燃烧我的卡路里》《天天向上》，展现了三联师生崇健康、乐运动的校园体育文化氛围，将开幕式表演推向高潮。

鲁先长致开幕词，代表学校和金会庆校长对本届运动会的顺利召开表示热烈的祝贺。他说，三联运动会作为一个面向全校学生和教职员工的综合性运动会，已经成为三联校园生活的重要组成部分，成为我校全面贯彻党的教育方针，落实素质教育的重要体现。学校坚决落实立德树人根本任务，高度重视大学生体育运动和健康教育，坚持“健康第一”、德智体美劳五育并举的教育理念，重视学生综合素质的全面发展。他指出，体育运动的真谛是通过顽强拼搏实现人的自我完善和超越，学校每年举办运动会，就是要倡导积极健康的生活理念，激发广大师生喜爱体育、参与体育的热情，帮助师生在体育锻炼中享受乐趣、增强体质、健全人格、锤炼意志。

最后，鲁先长希望全体运动员们在运动场上赛出风格、赛出水平，再创佳绩；希望全体教练员、裁判员发挥公平公正、严谨求实的精神，以认真负责的态度，为全体师生员工奉献一届隆重热烈、精彩圆满的体育盛会。他预祝第十八届田径运动会圆满成功。

最后，运动员代表刘蔓蔓、裁判员代表陶玉恒分别进行了郑重宣誓。伴随着运动员退场，体育场一派欢腾，运动竞技的热情一触即发。

本届运动会的举行，是师生员工们展现体能才华、彰显活力的舞台，是全校的一次体育盛会，

也是各学院、部门充分展现集体意识、团队精神、协作能力、竞技水平和精神风貌的舞台。在疫情防控常态化背景下，学校按照疫情防控相关要求开展，精简开幕式过程及内容，所有竞赛项目皆在室外进行。

据悉，此次运动会共设 51 组比赛项目，学生和教职工约 1053 人参加。第十八届田径运动会将于 11 月 6 日 16 时闭幕。

团省委二级巡视员李丹云一行莅临安徽三联学院 开展学生会改革评估验收工作

为落实共青团中央、教育部、全国学联《关于推动高校学生会(研究生会)深化改革的若干意见》，根据安徽省高校学生会(研究生会)深化改革评估工作统一部署，2020年11月24日下午，团省委二级巡视员李丹云、学校部部长卢蓉和由安徽医科大学团委书记张蔚担任组长的第七评估工作组一行9人莅临安徽三联学院，对学校学生会改革工作进行评估验收。校党委副书记、副校长鲁先长出席见面会，党办主任李斌、团委书记李燕、校党办副主任张启元、经济管理学院党委书记郭玉芳、校团委全体成员、校院两级学生会工作人员和普通学生代表参加会议。

会上，鲁先长首先代表学校党委向团省委评估组表示欢迎，对团省委、省学联一如既往的对学校团学工作的支持表示感谢，简要介绍安徽三联学院基本概况和发展历程，表明校党委高度重视学生会的建设和发展；校党委会研究并讨论学生会改革相关工作，学校学生会也充分发挥自身组织优势，纵深推进自身改革，在思想品德引领、精神文明建设、权益服务维护、校风学风创优等方面做了大量卓有成效的工作。同时，希望工作组对学校学生会的改革发展多提宝贵意见和建议。

李丹云充分肯定了学校党委对学生会改革工作的高度重视，并对学生会下一步建设发展提出要求。她指出，要全面深入贯彻落实习近平总书记贺信、党中央致词和全国学联二十七大会会议精神，充分发挥学生会联系广大学生的桥梁和纽带作用，全面服务学生的成长成才，学生会工作人员要一心向党、踏实做事、心系同学、表里如一，使学生会充满正气、朝气和锐气，不断推进学校团学工作高质量、高水平发展，为全心全意服务同学贡献青春力量。

校团委副书记李源晖向工作组汇报了校学生会深化改革的自评报告，从明确职能定位、改革组织体系和运行机制、严格遴选条件和选举程序、规范召开学生大会、强化从严治会和队伍建设几个方面全面概括了学校学生会改革的情况，并简要汇报学校学生会今后的发展规划。

工作组认真听取了学校学生会深化改革的自评报告，查阅了学校改革推进工作的相关台账，并分别对校团委负责人、校团委副书记、学院分管学生工作党组织书记、学生会秘书长、学生会主席团成员、学生会工作人员、普通学生代表等进行了访谈；随机抽取了100名学生对学校学生会工作进

行满意度调查，全面了解学校学生会深化改革工作的开展情况。工作组现场评估会议并反馈意见，充分肯定学校在学生改革工作中取得的成效，并对下一步发展提出了建议。

调研期间，李丹云深入学校交通工程学院和动漫与数字艺术学院调研了基层团学工作。

学校各级学生会必将以本次评估工作为发展契机，紧跟时代要求，引领学生成长，提高大局贡献度；践行服务宗旨，务求工作实效，提高同学满

意度；坚持从严治会，纵深推进改革，提高社会美誉度。引领学生会工作人员争做勤奋学习的示范者，争做服务同学的奉献者，争做成长路上的奋斗者，争做清风正气的弘扬者，将学生会打造成让党放心、师生满意、社会认可、朝气蓬勃的先进学生组织，在中华民族伟大复兴的历史使命和建设地方应用型高水平大学的新征程中谱写新时代的青春篇章。

安徽三联学院举办 2020 年基层党支部书记暨党务干部培训班

2020年12月16日上午，安徽三联学院在B01会议室举办2020年基层党支部书记暨党务干部培训班开班仪式。省教育督导专员、校党委书记李明阳出席会议并作动员讲话，校党委副书记、副校长鲁先长，校党委委员、副校长姜发根，校党委委员王瑞友、李斌、占海文、宋梦岚出席会议。学校各二级党组织书记、副书记、组织员，各基层党支部书记、副书记70余人参加会议。开班仪式和专题报告由鲁先长主持。

李明阳在动员讲话中指出，学校党委对此次培训极为重视，党委办公室做了精心准备和安排。他希望大家充分利用这次学习培训，认真学习，深入思考，通过学习培训做到学有所获、学有行悟，为今后更好的工作打下坚实基础。他就本次培训学习

工作提出三点意见，一是统一思想，高度重视，深刻认识学习培训的重要意义；二是明确责任，勇于担当，争做一名优秀党务工作者；三是端正学风，严格要求，保质保量完成学习培训任务。

开班仪式后，李明阳作主题为“党的十九届五中全会公报学习体会汇报”专题报告。报告结合自身学习体会，用14个关键词系统解读学习十九届五中全会公报。

本次培训班采取集中培训+个人自学、理论培训+实践教学等方式，培训内容既有学习贯彻党的十九届五中全会精神的内容，党性修养教育，也有如何做好新时代基层党建工作等方面业务学习，并且安排工作研讨交流和实践参观活动。

根据公安部、国家质量监督检验检疫中心总局的授权认可，履行第三方产品质量监督检测职责，开展国家和行业产品质量监督抽查、产品认证检测及现场检查。全国驾考行业系统设备厂家必须通过该检验中心的产品检测合格，方可市场销售和系统验收。

近几年，随着驾考行业的蓬勃发展，设备厂家

日益增多，但各厂家之间技术水平参差不齐，给主管部门驾驶人考试业务管理和监督带来诸多不便。无锡所为了更好的开展驾考系统检测认证工作，规范统一考试系统评判尺度，提高驾考系统行业整体水平，提出由安徽三联交通应用技术股份有限公司（以下简称“三联交通公司”）协助研发全国驾考系统的检测平台工作。三联交通公司领导高度重视，立即动员并向研发中心下达国家级道路安全产品重点科研攻关任务，迅速抽调刘洋、陶翔、杨健、刘二政、程泽良、张勇军、陈婷娟等15名核心技术人员，成立临时科研攻关项目组。

该项目涉及范围十分广泛，涵盖软件、硬件、结构、测试、美工等工种，具体内容包含所有考试项目、121个单项目检测案例和3个全程道路检测案例。子项目的研发任务还包含：模拟信号机设备研发、车载OBD模拟器研发、道路项目数据采集、道路项目和道路全程精准平面示意图绘制、道路项目和道路全程三维效果制作、三维动态实时跟踪软件研发，检测案例数据实际道路采集，案例数据检查修正、道路检测平台软件研发，以及后期新增案例数据采集修正等一系列工作。

该项目从7月份研发任务下发到9月份检测平台上线使用，研发周期不足2个月，项目组成员还要承担各自原有的研发和维护任务，时间紧任务重。期间正逢酷暑，项目组成员还要克服无项目经费、连续高温天气等实际困难，白天顶住烈日在户外场

地测绘，晚上通宵达旦加班加点测试。项目前期，项目组相关人员先后多次前往无锡所，与所领导进行面对面的需求调研和沟通，积极响应所领导的期望，多次更新项目研发方案。项目组负责人刘洋同志为确项目开发完成后即可正常投入使用，建立研发过程追踪管理机制，加强与用户的实时沟通，项目每完成一个阶段任务后，就积极将项目实现成果反馈给无锡所项目负责人，第一时间促成无锡所领导听取项目进度汇报和意见反馈，及时修正下一阶段研发任务，完善平台相关功能。

项目组全体人员最终凭借着坚忍不拔的毅力，按时、按质、按量完成了无锡所领导交办的研发任务。无锡所借助该检测平台，统一了全国考试系统的检测尺度和精度，实现了对所有设备厂家考试系统的功能评判进行快捷检测、精准复核和智能监管，大大缩短了系统检测周期，获得了无锡所领导和同行业厂家的一致好评，促进了全国驾考行业的健康有序发展。同时，三联人在项目研发过程中与无锡所领导和标准起草专家建立了非常融洽的合作关系，后续公安部有关驾考标准的讨论和修改都第一时间通知三联交通公司，听取三联交通公司的建议，并将公司列入标准起草单位之一，王江波总经理更荣任全国道路交通安全管理标准化技术委员会委员和中国道路交通安全协会第五届常务理事，进一步扩大了公司在驾考行业的领军地位和影响力。

塑造三联文化 筑梦百年老店

一路艰辛，一路曲折，三十年砥砺奋进；一路风雨，一路坎坷，终于迎来三联三十华诞。三十年积淀，形成颇具凝聚力、向心力的具有三联特色的企业文化，三联人充满文化自信，文化核心的企业家精神和价值观是三联长盛不衰的灵魂和思想保证，也是三联生生不息的不竭动力和三联基业长青的基石。

建设具有三联特色的“企业文化”，深度挖掘、诠释、梳理、提炼和总结支撑三联持续发展的三联文化的内涵和精神，使之薪火相传，代代传承并发扬光大，为三联“百年航船”保驾护航，为三联“百年老店”添砖加瓦。

1、三联品牌的文化内涵。“三联”品牌的孕育，深受中国传统文化老子道家学说的哲学思想影响。深谙“道生一，一生二，二生三，三生万物”的事物发展观，揭示了“产、学、研”循环往复、生生不息的发展规律。三联文化诠释“天时、地利、人和”的企业生存观；用“联”揭示企业“产、学、研”三位一体的资源整合观，“全民、集体、个人”的三联人才观，“跨市、跨省、跨国”的三联市场观。三联将此理念融入三联品牌 LOGO、三联歌及三联旗帜，成为三联文化“优势基因”和引领三联发展的精神支柱。

2、“以人为本”的人才观。企业的进步和发展根本上依靠一代又一代的人才为之奋斗，得人才者得天下，人才是企业发展的原动力。三联始终不拘一格降人才，以人为本，把人才放在十分重要的位置，尊重人才，关心人才，为各类人才提供发展平台。三十年间，三联拥有一支以博士、硕士、留学回国人员为主体的近 2000 人的人才队伍。

3、创新的管理理念。尊重员工的主人翁创新精神，精简管理层级，提高管理效率。三联倡导和推行扁平化管理理念和管理方式，下放管理权限，管理重心下移，责、权、利下沉，压实管理责任，充分调动一线员工的积极性、主动性和能动性，使各级组织更加富有灵活性和创造性。

4、“唯进步，不止步”的创业精神。1990 年，金会庆博士满怀科技报国的赤子情怀和创业激情，毅然踏上中国改革开放浪潮涌动的热土，投身交通事故预防科学研究事业，创办“合肥三联事故预防研究所”，开启了三联事业发展的新纪元。彰显“唯进步，不止步”的创业精神，永不止步的清零精神、永不自满的归零心态。

5、产学研“优势基因”文化。“有所为、有所不为”，三联产学研总设计师金会庆教授在创业之初就总体布局三联科研、科技产业及教育三大板块。以科学研究为引领，将研究成果产业化，支持教育人才培养，同时人才又反哺科研和产业发展，形成“产、学、研”循环发展“优势基因”，并深深植入三联“生命体”，通过“基因工程”促进三联各项事业茁壮成长。三十年来，三联抵制诱惑，始终坚守产、学、研一体化良性循环发展模式，成为三联建设“百年老店”的关键密码。

6、科学的探索创新精神。科学技术是第一生产力，三联创始人金会庆教授致力于交通事故预防的科学研究，带领三联人在科学研究的征途上奋力探索，分别于 2002、2005 年获得国家科学技术进步一等奖、二等奖。三十年间，一项项科研成果、发明专利、软件专利等无形资产，科学技术创新成为三联发展的内生动力和不竭源泉。作为我国交通

事故防治领域的领军企业，三联交通公司始终践行“创新发展”理念，与时俱进，紧紧把握信息化发展趋势和机遇，运用互联网、大数据、物联网、智能制造、AI技术通过产业转型升级，打造城市智慧大脑和智慧交通工程系统。

7、开疆拓土的狼性团队精神。谁能够适应市场的变迁，谁就能够笑傲江湖。初创的三联白手起家，凭着一颗满腔热忱的创业初心，打造产业的营销狼性团队。“没有走不到的天边，没有攻不下的堡垒”，三联人高唱《三联歌》，如勇士出征，发挥大无畏的团队拓展精神，不畏艰险，勇于拼搏，一路攻坚拔寨，一路披荆斩棘，万众一心，一往无前，书写了一个又一个的辉煌和传奇。

8、无私无我的奉献担当精神。三联人秉承俯首甘为“孺子牛”的精神和取之社会、奉献社会的财富观，时刻心系社会，主动承担社会责任。参与企业改制，安置下岗工人，为政府分忧解难；投身抗洪抢险、抗震救灾、抗击非典、防疫抗疫；支持脱贫攻坚、光彩事业，为贫困山区捐资兴建光彩小学。

9、“创业永远在路上”。2019年“太平湖会议”发表《太平湖宣言》，提出创业不是一蹴而就，而是分阶段、在新的起点上，从“零”开始的伟大征程，即“创业永远在路上”。三联始终以创业为己任，三年一个规划，十五年一个创业周期，螺旋上

升，永无止境。

10、共筑“百年老店”三联梦。“百年老店”是三联远大的奋斗目标，是全体三联人的精神伟力。圆梦“百年老店”，要坚守初心，聚焦产、学、研，提炼核心竞争力，传承三联“优势基因”的“常青树”理念一百年不变。不管时代如何变迁，始终保持专注，专心致志，未雨绸缪，锲而不舍，坚忍不拔，咬定青山不放松，坚定前行，共筑“百年老店”三联梦。

雄关漫道真如铁，而今迈步从头越。时代变迁和市场变化，都折射出企业发展缩影和奋斗精神，摸着石头过河，挖掘历史，总结经验教训，就像思想家、雕塑家一样去精雕细琢，留下“启示录”般的三联文化“结晶”，慢慢形成三联“家谱”“家训”“家规”。三联文化是一代又一代三联人用汗水浇灌的花朵，是继往开来传承给三联的宝贵财富。三联文化薪火相传，已经内化到三联人的血脉，激发三联人的使命感，凝聚三联人的归属感，增强三联人的责任感，赋予三联人的荣誉感和成就感。

三联文化是三联三十年的智慧结晶，将激励一代又一代三联人不忘初心、牢记使命，遇到波浪起伏不动摇，遇到困难险阻不退缩，荣辱与共、凝心聚力、坚持不懈、百折不挠，为实现三联“百年老店”的伟大梦想而砥砺前行。

庆贺安徽三联集团三十华诞喜赋

作者：余志华

喜迎华诞创辉煌，卅载耕耘更自强。
砥砺前行同努力，坚强奋斗话担当。

讴歌盛世昭千古，改革春风涌四方。
筑梦三联成大业，复兴祖国万年长。

全国最美基层医生，一万八千名师生健康的“守门人”

——记安徽三联学院校医院院长刘保莉

医者仁心，仁者大爱。面对突如其来的新冠疫情，她奋不顾身始终“战”在疫情防控一线，不退缩、不畏惧。用自己的默默奉献，守护着全校师生员工的身体健康和生命安全，用自己的不懈努力深刻地诠释了医者仁心、仁者大爱的丰富内涵。她就是安徽三联学院校医院院长刘保莉。

自2020年1月27日接到疫情命令以来，刘保莉放弃休息和家人团聚的时间，主动冲在疫情防控第一线，积极投身校园疫情防控工作中，始终以饱满的热情站在学校抗击新冠肺炎疫情的前沿，把每项工作都做细、做实，为学校整体防控工作提供保障，为师生生命健康安全尽职尽责。作为专业人员，刘保莉同志积极为学校防控工作建言献策，起草了《安徽三联学院疫情防控应急预案》《公共卫生的消毒方案》等文件，积极参与学校多项防控措施的研究和制定工作，为学校科学防控提供专业技术支

撑。

一身白大褂，一个口罩，一副手套便是她“守门人”的防护装备，特别今年疫情时值春节，物资生产及运输困难，面对口罩、消毒液等防控物资严重短缺，面对一“罩”难求、一“液”难得的局面，她想方设法保证学校防控物资供应，冒着被感染的风险，驱车200公里到生产口罩厂购置防护用品，保证了学校各项防控工作有

序开展；她积极主动与上级疾控部门联系，邀请疾控部门专家到校指导疫情防控工作；她积极对接安徽医科大学第二附属医院，为学校师生员工建立绿色通道，为学生返校做好充分准备工作。

细微之处见精神，艰难时刻显品格。高校是人群密集的场所，是新冠疫情防控的重要战场，疫情防控工作也是一项前所未有的挑战。面对挑战，她带领防疫小组成员连续奋战60多天，加班加点，工作到深夜，在省教育厅对安徽三联学院返校条件查验中，51项核心检查项目中全部以“A”级通过。

在学生返校工作中，把好第一道关，刘保莉同志带着大家身着白色防护服，守护在学校大门口测体温，高温酷暑，她们忍着长时间身穿防护服的身体不适，顺利完成两个校区14000余人的返校任务。隔离观察病房也是抗疫的主战场，负责收治发热门诊转入的疑似病例进行隔离观察，刘保莉同志从兴

建隔离观察室到物资储备，从工作人员安排到学生隔离治疗，始终奋战在一线，吃住在一一线，并前往隔离室看望被隔离的同学，自己掏钱给学生购买生活用品并进行心理疏导。其中一名普通感冒的学生，隔离期情绪很不好，不睁眼、不说话，拒绝回答任何问题，在这种情况下，为了让学生保持积极乐观的情绪，她开始主动陪学生聊天，拉家常、套近乎，陪学生四次到医院检查，经过三天的治疗学生逐渐康复。

忙碌完紧张的返校工作，身心疲惫的刘保莉还没有得到充分休息又迎来了一场硬战，9月5号中午，校园内突然出现了聚集性、不明原因的流鼻涕、咳嗽等症状。24名同学在老师的带领下来到校医院，刘保莉第一时间带领着校医院的医务人员对有症状的同学进行隔离，对患病症状的同学逐一询问病史，配合疾控中心对出现流鼻涕、咳嗽同学进行流行病检查，并继续进行隔离观察。同时，第一时间向学校负责人和疾控中心汇报。刘保莉一日3次前往隔离观察室询问被隔离的同学，给予他们心理疏导及生活上的帮助和照顾，对学生进行常规的问诊和体温检测，最终，经肥西县疾控检测24名同学患“鼻病毒感染”。这24名同学在刘保莉的悉

心照顾和专业指导下，都已痊愈，解除隔离，恢复正常上课。在这件事情中，刘保莉再一次赢得了同学和老师的一致好评，为她的专业及无私点赞！

事后大家才知道，在这期间，她的父亲因为肝癌病情恶化正在接受住院治疗，她没有在工作期间提一个字，毅然坚守在自己的岗位上，这令我们非常感动。她曾说过：“我不仅是一名后勤人员，也是一名共产党员，而且还是一名医务工作者，学校的安全稳定关系到千家万户，要舍小家顾大家。”

一分耕耘一分收获。刘保莉同志用勤恳的工作态度，甘于奉献的精神，赢得了学院与师生们的高度评价与认可，也获得了“安徽三联学院优秀共产党员”“全国最美基层医生”等荣誉称号！

随着新冠肺炎疫情进入常态化疫情防控阶段，刘保莉同志始终没有一丝懈怠，始终把疫情防控这份责任扛在肩上。在这场没有硝烟的战斗中，刘保莉只是一个坚守岗位的平凡人，然而我们需要刘保莉这样挺身而出的医务工作者，需要有担当甘奉献的教育后勤人员，为师生筑起“生命”的防线。这样的人是我们值得托付健康的“守门人”，更是我们的英雄！

Anhui Sanlian University Approved as the Only "Training Base for Senior Industry Talents of China Aging Career Development Foundation" in Anhui Province and the First Training Course Held

On November 18, 2020, the inauguration of the Senior Industry Talent Training Base of China Aging Development Foundation and the opening ceremony of the first training course were held in the Academic Lecture Hall of Anhui Sanlian University Library. Yu Jianwei, Chairman of the China Aging Development Foundation, Sun Lifang, Vice Chairman of the Anhui Provincial CPPCC, Li Jun, Supervisor of the China Aging Development Foundation, Geng Xuemei, Deputy Director of the Anhui Provincial Civil Affairs Department, Luo Yunfeng, Deputy Secretary of the Hefei Municipal Party Committee, and Anhui Provincial Department of Civil Affairs Second-level investigator Cao Zengyi, Party Secretary of Hefei Civil Affairs Bureau Blooming, Ding Bihui, Director of Civil Affairs Bureau of Feidong County, Feng Jianguang, Chairman of Shanghai Yangtze River Delta Regional Elderly Service Promotion Center, and other leaders, representative of the president of Anhui Provincial Elderly Care Institution, comrades of affiliated units, leaders of

Anhui Sanlian University, heads of relevant secondary colleges and functional departments, and representatives of teachers and students attended the event. Deputy Secretary of the Party Committee and Vice President Lu Xianchang presided over the ceremony.

On behalf of Sanlian Group and Sanlian College, President Jin Huiqing extended a warm welcome to all the leaders and guests attending the ceremony, and expressed his heartfelt thanks to all the leaders and friends from all walks of life who have cared about and supported the construction and development of Sanlian for a long time. He stated that Sanlian University will work with cooperative units to explore the "new model of ecological services for the elderly" and create an education and teaching training base that integrates "practical teaching, social training, and elderly service operations".

Luo Yunfeng, deputy secretary of the Hefei Municipal Party Committee, delivered a speech at the ceremony. He pointed out that the China Aging Development Foundation is a national charitable organization serving the elderly under the leadership of the Ministry of Civil Affairs and the National Office on Aging. Anhui Sanlian University is the earliest private college in our province to set up a nursing college. Both parties have unique resource advantages, technical advantages and disciplinary advantages in the development of elderly care and elderly care industry. We sincerely hope to take this opportunity to cooperate.

Intensify exploration and innovation, increase the cultivation of more professional talents for the elderly, give full play to the advantages of the triad of industry, academia, and research, adhere to the trinity of medical care, education, and education, promote the tripartite cooperation between the government, society, and schools to achieve the integration of elderly care. Strive to build the base into a benchmark for the training and training of senior care professionals in Anhui and even the whole country, and actively provide high-level and high-quality talent support for the country to respond to the aging population. He mentioned that Anhui is currently studying and implementing the spirit of the Fifth Plenary Session of the 19th Central Committee of the Communist Party of China, thoroughly implementing the spirit of the instructions of General Secretary Jin Ping's important speech on Anhui's inspection, and carefully planning the blueprint of the "14th Five-Year Plan". Hefei is a fertile ground for innovation and entrepreneurship. The establishment of a talent training base for the elderly industry is an innovative practice for the integration and development of aging careers and higher education. It is also a major and happy event in the development of Hefei and the entire province's elderly care service industry.

At the unveiling ceremony, Yu Jianwei, Chairman of China Foundation for Aging Development, Sun Lifang, Vice Chairman of the Anhui Provincial Political Consultative Conference, Geng Xuemei, Deputy Director of the Anhui Civil Affairs Department, and Luo Yunfeng, Deputy Secretary of the Hefei Municipal Party Committee jointly unveiled the base.

At the donation ceremony, Chairman Yu Jianwei, on behalf of the China Foundation for Aging, donated 900,000 yuan worth of materials to the the elderly care

institution, and awarded the "Home for the Elderly" to the participating organizations.

Chairman Yu Jianwei, on behalf of the China Foundation for the Development of Aging, expressed his warm congratulations on the holding of the ceremony, and expressed his heartfelt thanks to the provincial and municipal governments, relevant departments, and Sanlian University for their support to the work of the China Aging Development Foundation. He pointed out that Anhui Sanlian University makes full use of the advantages of Sanlian Group's scientific and technological industry to promote the integrated development of production, education and research. In recent years, it has newly established a health service and management major, and has continuously strengthened the construction of a professional group of "healthy and elderly care" applied disciplines. It is hoped that under the guidance and support of relevant departments such as the provincial, city, and county governments, and civil affairs, the resources advantages of Anhui Sanlian Group and China Foundation for the Development of Aging will be fully utilized to establish a sound elderly care training system and develop elderly care workers and senior management personnel of elderly care institutions. Such multi-level trainings will cultivate more and better management and service talents for the elderly care service industry, actively promote the healthy and sustainable development of the elderly care services and industry in Hefei and the whole province, and build this base into a first-class five-star nationwide with distinctive characteristics. All this will make a high-level health management and elderly service personnel training base, based in Anhui Province, radiating the Yangtze River Delta, and heading towards the whole of China. China Aging

Development Foundation is also very willing to support each other with the governments and civil affairs departments of Anhui Province, Hefei City, and the school where the school is located, complement each other's advantages, and jointly promote the development of the ageing cause and industry in the new era!

The event also held the signing ceremony of the smart elderly care cooperation agreement of the Yangtze River Delta Elderly Service Promotion Center. Feng Jianguang, Chairman of the Shanghai Yangtze River Delta Regional Elderly Service Promotion Center, Zhang Shiwei, Head of the Senior Industry Talent Training Base of the China Ageing Development Foundation, and Anhui Sanlian University Nursing Executive Dean Lan Xianlan and General Manager Mei Long of Anhui Sanlian Robotics Technology Co., Ltd. signed the contract together.

The first training course invited Feng Jianguang, Chairman of the Shanghai Yangtze River Delta Regional Elderly Service Promotion Center, Professor Su Sijin,

Academic Director of the MBA Health Module of East China University of Science and Technology, Professor Chen Suqin from the School of Nursing of Anhui Sanlian University, and Doctor. Jin Lai, Deputy General Manager of Anhui Sanlian Robot Technology Co., Ltd. to give teaching activities separately.

The school will use the senior industry talent training base as a new platform, and under the guidance of the China Aging Development Foundation, governments at all levels and relevant departments, further strengthen cooperation with all parties, and actively explore and practice the integration of "medical, health, and education". The new model of talent training will help Hefei deeply integrate into the integrated development of the Yangtze River Delta and promote the high-quality development of Anhui's elderly care industry.

The 2nd Yangtze River Delta Private College Teachers Teaching Skills Competition Ended Successfully in Anhui Sanlian University

From November 26 to 27, 2020, the Second Yangtze River Delta private college teachers' teaching skills competition jointly sponsored by Shanghai Municipal Education Commission, Jiangsu Provincial Department of education, Zhejiang Provincial Department of education and Anhui Provincial Department of education was successfully held in Anhui Sanlian college, and an award ceremony was held in the academic lecture hall on the afternoon of November 27. Chen Mingjun, deputy director of the Private

Education Department of the Development and Planning

Department of the Ministry of education, Min Hui, leader of Shanghai Education and Health Work Party Committee and Shanghai Education Commission, Xie Ping, deputy director of Anhui Education Department, Ge Weimin, former member of Zhejiang Education Working Committee and President of Zhejiang Private Education Association, and Zhao Liangqing, President of Anhui Private Education Association, attended the meeting.

The Second Yangtze River Delta private university teachers' teaching skills competition has been widely welcomed and actively participated by private universities in three provinces and one city, covering 53 private universities in three provinces and one city of the Yangtze River Delta. At the same time, the age, teaching experience and educational background of participating teachers are more reasonable. The competition is divided into two stages: in the first stage, 20 teachers from three provinces and one city will be selected to participate in the competition according to the application of each school; in the second stage, the competition committee will evaluate the 80 selected teachers according to their "on-site teaching" and "teaching design", and finally 4 first prize, 12 second prize and 24 third prize will be awarded. Anhui Sanlian University won one first prize, one second prize and one excellent prize.

At the award ceremony, Xie Ping, deputy director of Anhui Provincial Department of Education, delivered a welcome speech. Xie Ping said that the annual teaching skills competition of private colleges and universities in the Yangtze River Delta is a valuable opportunity and platform for practical training, exchange and learning improvement. It has accelerated the teaching reform and the improvement of education quality of regional private colleges and universities, and achieved the good

effect of "promoting learning, teaching and construction by competition". We hope that private colleges and universities in the Yangtze River Delta can play and enlarge the effect of the competition, and cultivate more backbone teachers and excellent teachers.

Zhang Ergui, director of the Private Education Department of Anhui Provincial Department of Education, reported the organization and evaluation of the competition; Xiong Lina, director of the Collaborative Development Service Center of Private Education, announced the winners. Zhang Ergui, director of the Private Education Department of Anhui Provincial Department of Education, Lu Xianchang, deputy secretary of the Party Committee and vice president of Anhui Sanlian University, presented awards to the third prize winning teachers; Zhao Yang, director of the Private Education Management Department of Shanghai Municipal Education Commission, Shao Jin, director of the Higher Education Department of Jiangsu Provincial Department of education, Ge Weimin, former member of the Education Working Committee of Zhejiang provincial Party committee and President of Zhejiang Private Education Association, Anhui Private Education Association President Zhao Liangqing presented awards to the second prize winners; Min Hui, leader in charge of Shanghai Education and Health Work Party Committee and Education Committee, and Xie Ping, member of Anhui Provincial Education Working Committee and deputy director of Anhui Provincial Department of education, presented awards to the first prize winners.

Subsequently, four first prize winners, Liu Fang of Anhui Sanlian University, Liu Xiang of Zhejiang Oriental Vocational and Technical College, Yang Xiaoxian of Wuxi Taihu University, and Zou Yanfei of Shanghai Film Art Vocational College, delivered

speeches as representatives of award-winning teachers. Professor Sun Yukun of Nanjing Institute of Engineering and Professor Wu Xiangming of Zhejiang University of Technology respectively commented on the competition as expert representatives.

Finally, Chen Mingjun, deputy director of the Private Education Department of the Development Planning Department of the Ministry of Education, delivered a speech. She hoped that the teachers would not forget to cultivate morality and cultivate people's original mind as required by General Secretary Xi, keep in mind the mission of educating people for the Party and the country, start from themselves, strive for knowledge, and constantly improve their comprehensive quality. At the same time, private higher education is an important part of higher education. It is hoped that private colleges and universities can adhere to the original intention, adhere to the value orientation of public welfare, take personnel training as the goal, jump out of fixed thinking, and constantly deepen education and teaching reform. It is expected that the education in the Yangtze River Delta can develop into a model of collaborative innovation in regional education, play a leading, supporting and radiating role in the construction of the Yangtze River education innovation belt, and even in the development of education in the central and western regions.

Zhang Ergui, director of the Private Education Department of Anhui Provincial Department of

Education, and Shao Jin, director of the Higher Education Department of Jiangsu Provincial Department of Education, held the handover ceremony of the rotating units of the Yangtze River Delta private college teachers' teaching skills competition.

At the award ceremony, Xu Xiongwei, executive deputy director of Shanghai Private University Teacher Professional Development Center, on behalf of the Yangtze River Delta Private University Teaching Development Alliance, summarized the work since its establishment, and reported the work ideas for the next year.

The teaching skills competition aims at promoting the teaching reform of regional private colleges and universities and integrating regional high-quality teaching resources. It is an important measure for the cooperative development of private education in the Yangtze River Delta since the three provinces and one city's education administrative departments signed the framework agreement on the cooperative development of private education in the Yangtze River Delta. It is also an important embodiment of focusing on the two key words of integration and high quality, and the implementation of the national strategy of the Yangtze River Delta integration development, and promoting higher quality integration development of the higher education of the Yangtze River Delta.

The Second Anhui Transportation Science and Technology Competition Successfully Held in Anhui Sanlian University

On December 5-6, 2020, the second Anhui College Students' Traffic Science and Technology

Competition, sponsored by Anhui Provincial Department of Education, undertaken by Anhui Sanlian

University, and co-sponsored by National Vehicle Driving Safety Engineering Technology Research Center, Hefei University of Technology and Anhui Jianzhu University, came to a successful conclusion. Jiang Zhengfei, first level chief staff member of Higher Education Department of Anhui Provincial Department of Education, Professor Jin Huiqing, President of Anhui Sanlian University, Professor Lu Xianchang, deputy secretary of Party committee and vice president of Anhui Sanlian University, and 23 evaluation experts from universities and enterprises inside and outside the province attended the ceremony. The ceremony was presided over by Cai wenfen, vice president of Anhui Sanlian University and secretary general of the Organizing Committee of this competition.

The competition is divided into four competition groups: "transportation planning and management", "road and bridge engineering", "vehicle application engineering" and "traffic information and safety (traffic big data)". A total of 72 scientific and technological works of students from 21 universities inside and outside the province have been received, which is 20% higher than that of the competition in 2020. After the qualification examination and content form examination of the Organizing Committee and the preliminary evaluation of double-blind communication, 60 excellent

works from Hefei University of Technology, Anhui Jianzhu University, Nantong University, Shandong Jiaotong University, Anhui Sanlian University and other schools entered the final.

The whole process of the final stage of the competition is carried out online, which is a new attempt for the undertaker universities, evaluation experts and contestants. One month before the final, the conference team conducted careful debugging and repeated drills to ensure that the network, communication, video and voice of the competition to meet the requirements of the online competition. During the competition, Liu Peidong, director of Anhui College Students' Innovation and Entrepreneurship Education Office, and his party visited the final to give a guide. After a day of intense, orderly defense review, the established matters of the competition were successfully completed. At the closing ceremony, Professor Zhang Weihua, the leader of the evaluation expert group of the competition and professor of Hefei University of Technology, announced the results of the competition. Seven teams won the first prize (two of them were tied for the first prize), 12 teams won the second prize, 18 teams won the third prize, and 23 teams won the excellent prize.

The competition evaluation expert, member of the Traffic Engineering Teaching Guidance Sub-committee of the Ministry of Education, and Professor of Hunan University of Technology, Long Kejun commented on the entries. He pointed out that the works of this competition have four characteristics: wide content and diverse forms; innovation and unique research perspective; strong practicability and meeting the needs; proper application of new technologies and methods. At the same time, it also puts forward three suggestions for the teachers and students of the participating universities:

traffic is a complex system engineering, so it is necessary to select topics scientifically; it is necessary to strengthen the study of traffic engineering theoretical knowledge; it is necessary to pay attention to engineering ethics and the feasibility study of engineering scheme. He hoped that everyone would pay attention to the major needs of the country, focus on the basic problems in the field of transportation, and contribute to serving the transportation power.

At the closing ceremony, Jiang Zhengfei, the first level chief staff member of Higher Education Department of Anhui Provincial Department of Education, fully affirmed the achievements of this competition. He pointed out that in order to implement the national strategic plan of mass entrepreneurship and innovation, the Provincial Department of Education, through top-level design, demonstration and guidance, strengthened communication and practice promotion, timely issued a series of incentive and guidance policies, extensively carried out innovation and entrepreneurship related competitions and activities, actively promoted the construction of innovation and entrepreneurship platform, promoted the reform of college students' innovation and entrepreneurship education, and established the model of promoting learning and training by competition. The teaching development concept of "promoting teaching by competition" and "promoting reform by competition" plays an important role in improving the training quality of innovative talents. At the same time, he put forward three requirements: first, the participating schools should take this competition as an opportunity, take improving the quality of talent training as the foundation, earnestly implement the central requirements for the deployment of innovation and entrepreneurship education in colleges and

universities, forge ahead with determination and work hard, strive to promote the reform of innovation and entrepreneurship education, and create a new situation of talent training in colleges and universities; second, the Organizing Committee of the competition should do a good job in organizing the competition; third, teachers and students of all colleges and universities should make full use of the competition platform to exchange skills and show their style. They should be bold in innovation, indomitable, and dare to be the first. They should devote themselves to the practice of innovation and entrepreneurship, and lead the fashion of innovation and entrepreneurship to build a new era of Chinese Dream.

Professor Lu Xianchang, deputy secretary of the Party committee and vice president of the University, made a concluding speech on behalf of the University at the ceremony. First of all, he expressed his high respect to the leaders and relevant units at all levels who have attached great importance to and strongly supported the competition, as well as all members of the organizing committee who have worked hard for the success of the competition! "I would like to express my sincere thanks to all the experts who have made important contributions to the project evaluation of the competition!" He pointed out that this event is to promote "one belt, one road" initiative and service "transportation power" construction, and further enhance the influence of Anhui's transportation discipline in the whole country. The competition was held under the background of normalized epidemic prevention and control, with the careful guidance of the Provincial Department of Education and the Professional Cooperation Committee of Transportation, as well as the strong support of other brother universities. With the theme of "sustainable

transportation", the competition aims to show college students' basic engineering practice ability and traffic technology application and analysis ability, and stimulate college students to engage in scientific research and development of green environmental protection transportation, to promote the thinking collision and cultural exchange of transportation science and technology innovation between teachers and students in colleges and universities inside and outside the province.

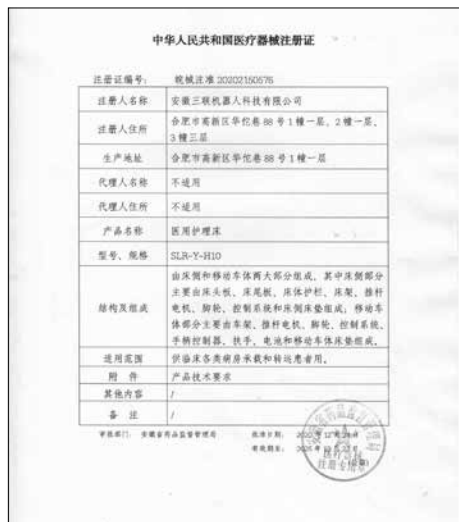

According to the news from the 15th National College Students' Transportation Science and

Technology Competition held in Beijing Jiaotong University at the end of November, the number of works shortlisted in the finals in our province has increased by 71.4% compared with the previous one. It can be seen that the competition has built a platform for the innovation and practice of transportation science and technology for college students in our province, realizing the goal of "Training and Competition" in the national competition.

Sanlian's "SL2818-3 Motor Vehicle Driver Actual Road Driving Skills Test System" Assessed as an Excellent Intelligent Hardware Product for Digital Economy in Anhui Province by the Provincial Department of Economy and Information Technology

On November 11, 2020, the Department of Economy and Information Technology of Anhui Province issued a number of policies and funds to support the development of digital economy in 2020, and announced the projects to be supported. The "SL2818-3 Motor Vehicle Driver Actual Road Driving Skills Test System", independently developed by Sanlian Transportation Company, was rated as an excellent intelligent hardware product of digital economy in Anhui Province.

The system is composed of on-board host, differential satellite positioning equipment, on-board signal acquisition equipment, on-board terminal evaluation software and management software. In the design, the advanced technologies such as artificial intelligence, big data, on-board video trajectory synthesis and human witness recognition are used to improve the stability and superiority of the product. It has achieved the test requirements of A1, A2, B1, B2, C1 and other vehicle types specified by the Ministry of Public Security. It has passed the product testing by the Traffic Safety Product Quality Supervision and Testing Center of the Ministry of Public Security, and its technical indicators are at the leading level in China.

The product has been applied in more than 20 provinces, autonomous regions and municipalities in China, such as transportation, public security, driving

schools and other units. It not only ensures the safety of traffic vehicles and reduces driver traffic accidents, but also helps to promote the development of Anhui digital economy, intelligent transportation and other related industries, reduce the introduction of foreign similar products, and has achieved good social and economic benefits.

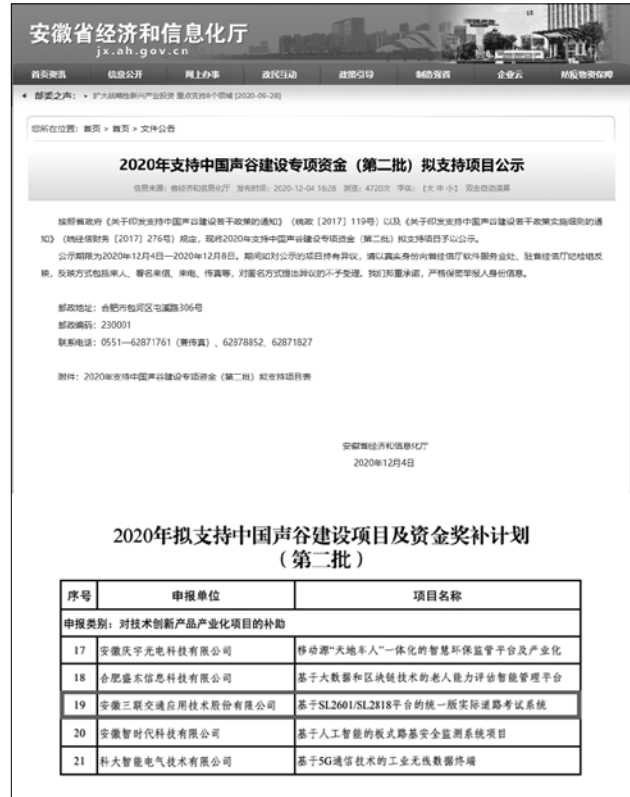

The Anhui Provincial Government issued the "Several Policies to Support the Development of the Digital Economy", and the Provincial Department of Economy and Information and the Provincial Department of Finance jointly formulated the "Implementation Rules for Several Policies to Support the Development of the Digital Economy" and other documents, which are to vigorously develop the digital economy, implement the national digital economy development strategy and the major decision of the Anhui Provincial Party Committee and the Provincial Government to accelerate the construction of the "Digital Jianghuai". Among them, the identification standard of "excellent intelligent hardware products" is to give a one-time bonus to no more than 50 projects with high level of technological innovation, outstanding market competitiveness and wide promotion and application inside and outside the province.

enterprise's technological innovation capability has been significantly improved.

"The unified version of the actual road examination system based on the SL2601/SL2818 platform" is based on the requirements of the new standard of the new driving examination policy of the Ministry of Public Security, and on the basis of the demand investigation of the road examination system. It gives full play to the technical advantages of the SL2601 and SL2818 road driving skills test systems, and adopt the new design system framework, communication framework, database

structure, management platform architecture, audio and video synthesis and vehicle evaluation module, using artificial intelligence video image analysis technology. The new road driving skill test system based on BS web structure innovates the evaluation method of road driving test.

The project is in line with the industrialization direction of "China sound Valley" intelligent voice and artificial intelligence technology innovation products, and realizes the technological innovation of several key points, including OCX control packaging technology, GDI drawing technology expansion, satellite algorithm optimization processing, expansion of vehicle test model

detection point, expansion of vehicle voice broadcast mode, reconstruction of system communication architecture, compatibility with key test data, etc. While improving the safety of vehicles and realizing the localization of technology and equipment in the field of transportation safety, it is estimated that the annual production scale will reach 300 sets and drive the development of related industries. It has the advantages of advanced technology and large industrial space, and will achieve better social and economic benefits.

Anhui Sanlian Applied Traffic Technology Company Won the Title of "Hefei Harmonious Labor Relations Enterprise in 2020"

Recently, Anhui Sanlian Applied Traffic Technology Company was awarded the title of "Hefei Harmonious Labor Relations Enterprise in 2020" by Hefei Municipal Bureau of Human Resources and Social Security, Hefei Federation of Trade Unions, Hefei Enterprise (Entrepreneur) Federation, and Hefei Federation of Industry and Commerce.

Over the years, while developing rapidly and steadily, Sanlian Transportation Company has attached great importance to the internal needs of employees. It has always adhered to the people-oriented principle and complied with the relevant requirements of the superior authorities for the establishment of a harmonious labor relationship enterprise, focusing on safeguarding the legitimate rights and interests

The evaluation criteria for the creation of harmonious labor relations are composed of nearly forty subdivision evaluation indicators of each module. The labor relations of enterprises are evaluated one by one using a point system, and the initial evaluation, re-evaluation and final evaluation of joint evaluation units at all levels are required.

of employees. For the purpose of employees' living standards, and for the purpose of promoting enterprise efficiency and income, we will continue to standardize internal labor relationship management, give full play to the role of labor relationship negotiation and coordination mechanism, strictly implement the

employee representative assembly system, and fully protect employees in labor compensation, vocational training, the legitimate rights and interests of safety and health protection, rest and vacation, etc. We will focus on building a more standardized, orderly, fair and reasonable, mutually beneficial and harmonious labor relationship.

In particular, the company is facing severe internal and external business environment this year caused by novel coronavirus pneumonia. The company's leadership has been working hard to overcome the adverse effects caused by the epidemic, and has made every effort to protect employees' personal interests in terms of salary standards, welfare benefits, rest and vacation, greatly improving employee satisfaction and effectively stabilizing the staff. Therefore, in this special period of this year, the harvest of corresponding honor and affirmation is even more precious.

The title of "Harmonious Labor Relations

of Sanlian Transportation Company Wang Jiangbo, the deputy general managers Luo Wenqi, Pan Tao, Zhang Shulin, Zhao Chong, Xiang Xiangyong, Tang Yi, Li Zhiguang and other company leaders, as well as all employees of the company development department, smart transportation business department, and smart city business department in Fei attended the meeting. The conference was hosted by General Manager Wang Jiangbo.

At the meeting, General Manager Wang Jiangbo reviewed and analyzed the overall situation of the

company's market expansion, and the person in charge of each market expansion business assessment unit made a report. In the review, Wang Jiangbo shared and introduced important recent industry developments, and looked forward to new market opportunities in the future. He said that since the beginning of this year, under the chairman Jin Huiqing and the wise leadership of the group, the company has worked hard while fighting the epidemic and has achieved a series of important results in market expansion. He asked the company to unite, pioneer and innovate, work hard, and present the 30th birthday of Sanlian Group with excellent performance.

In the warm applause of the audience, Professor Jin Huiqing, founder of Sanlian and chairman of the company, made an important mobilization speech. He pointed out that after the resumption of work and

production in the fight against the epidemic this year, in the face of the special situation of strict cross-provincial flow control and extremely difficult market development work, the market development personnel changed their minds, actively prepared, and completed many things that we wanted to do in the past years but didn't have time to do. We also worked hard to improve the professional quality of employees. After hard work, all the employees became more confident, which fully promoted the company's business development. If Sanlian employees are strong, Sanlian is strong; if Sanlian employees are good, Sanlian is good!

Chairman Jin Huiqing emphasized that through the unremitting efforts of all SATTC personnel, the company has put on the market this year with new products and new technologies that have greatly exceeded previous years, and has moved towards a new industrial pattern of "three pillars" of smart car management, smart transportation, and smart city. These are even more precious in the current large industry environment. As long as everyone maintains a healthy body and vigorous energy, we will definitely be able to win the last 40 days, and our tomorrow will be better!

Anhui Sanlian University Won Many Honors Such as "Excellent Unit" in the 2020 Summer Social Practice Evaluation

In the summer of 2020, the Propaganda Department of the CPC Central Committee, the Central Office of Civilization, the Ministry of Education, the Central Committee of the Communist Youth League jointly issued a notice. Under the normalization of epidemic prevention and control, the social practice activities were steadily deployed. The summer social practice work of Anhui Sanlian University was well organized, rich in content, and diverse in forms, helping epidemic prevention and control, resuming production and work, fighting flood and waterlogging. We have made remarkable achievements in fighting against poverty and promoting the construction of ecological civilization.

Recently, the social practice activity sponsored by the Propaganda Department of the CPC Central Committee, the Central Civilization Office of the CPC Central Committee, the Ministry of Education, the Central Committee of the Communist Youth League and the all China Federation of students in 2020 has come to a successful end. Anhui Sanlian university has been rated as the excellent unit of social practice activity in 2020, which is the first time for the University and the only one in our province. It is the first award-winning private university in Anhui.

In addition, under the guidance of the Propaganda Department of the Central Committee of the Communist Youth League, in the "thousands of schools and thousands of items" network exhibition activity of "going to the grassroots while young" for national college students. The two projects of the research team

of Sanlian University have been awarded "the most beautiful team" in "thousand schools and thousand items" through work application, qualification screening, online praise, expert evaluation and other links. The award is aimed at selecting 300 "most beautiful teams" nationwide, and only 5 teams from 4 universities in Anhui Province have been selected.

At the same time, in the social practice activity carried out by the Propaganda Department of Anhui Provincial Party Committee, the Civilization Office of Anhui Provincial Party Committee, the Department of Education of Anhui Province, the Anhui Provincial Committee of the Communist Youth League and the Anhui Students' Federation, the "Practice and Thinking of Ecological Agriculture and Beautiful Countryside from the Perspective of New Countryside" guided by Li Yuanhui, the Youth League Committee of Anhui Sanlian University and secondary school student volunteers won the provincial second prize; the Research Report "Exploration of the Development Path of Ancient Villages from the Perspective of Regional Economic Coupling" directed by Zhang Chenglei of the College of Finance and Accounting won the provincial excellent award; the other two won the provincial "excellent individual", and two teams won the provincial "excellent team".

This summer, Anhui Sanlian University adopts the dual forms, closely following the principle of "youth for the motherland". We organized a series of activities, such as helping epidemic prevention and control, returning to

work and production, popularizing the theme, promoting the rule of law, supporting agriculture with science and technology, education and care services, cultural and art services, practice of beautiful China, "Youth Learning" action project, "Devoting Ourselves to Rural Revitalization", participating in voluntary service of civilized practice in the new era. The whole university set up 12 key teams at university level, 20 key teams at college level, and 100 independent project teams. Under the unified leadership of the Party committee and the specific guidance of the Youth League Committee,

the teams went to all parts of the province to carry out summer social practice activities. In the process of practice, we should adhere to the cultivation and practice of socialist core values throughout the whole process, pay attention to the professional expertise of each team, lead the majority of young students to enhance their sense of responsibility and mission in social practice, and be brave to take on the responsibility of national rejuvenation.

Taking the "Establishment of Sanlian University, the First Private University in Anhui Province" recording in the "Memorabilia of Anhui in 70 years of New CHINA" and "Memorabilia of Anhui in 40 Years of Reform and Opening-up" as a new historical opportunity, we should made our efforts focusing on the fundamental task of cultivating talents, on the construction goal of local application-oriented high-level university, overcoming difficulties, successfully completing various goals and tasks, and rapidly improving the school running strength and level .

Mr. Lu explained the key work of the school for a period of time in the future, and required that we should grasp the development trend, seize the historical opportunity, carefully plan the layout, and scientifically compile the "14th five year" development plan. We will continue to strengthen the construction of comprehensive ability in personnel training, and comprehensively implement the fundamental task of cultivating morality and talents. We will continue to implement the strategy of strengthening the university with talents and strive to build a contingent of high-quality teachers, strengthen cooperation with foreign universities, enterprises and industries, and strive to enhance the effectiveness of international exchanges and cooperation, always adhere to the guidance of high-quality party building, and constantly enhance the cohesion and combat effectiveness of grass-roots party organizations to establish a campus management mode suitable for the requirements of normalized epidemic prevention and control, and strive to promote the construction of a local

application-oriented high-level university.

Wang Ruiyou delivered a work report entitled "Actively Playing the Role of Trade Union Organizations in Promoting the Construction of Local Application-oriented High-level University" to the "Two Congress", which comprehensively introduced the work of the trade union committee in the past two years and the prospect of its work in 2021. He said that the trade union will stick to the original intention of serving the teaching staff, keep in mind the mission of serving the reform, development and stability of the school, earnestly enhance the sense of responsibility and urgency of making contributions to the "14th five year plan" and striving for a new journey, and promote the reform of the school trade union organization to go further.

Vice President Cao Xiaofeng explained the Work Report on the Proposal of The Faculty Congress and the draft of the Development Plan for the 14th Five Year Plan.

During the meeting, 12 school delegates deliberated and discussed the school work report, trade union work report, proposal work report, the "14th Five Year Plan for Career Development (Draft)" and the "Measures for the Implementation of the Proposal Work of the Staff Congress". The delegates conscientiously performed their duties, actively put forward suggestions, and agreed that the report and planning system should sum up achievements and experience, and correctly study the situation. The reports play an important guiding role in seizing the opportunity, deepening the reform and developing with high quality for the Univeristy.

The 2nd Student Congress of Anhui Sanlian University Ended Successfully

On November 13, 2020, the second student congress of Anhui Sanlian University was solemnly held. Lu Xianchang, deputy secretary and vice president of the University Party committee; Jiang Fagen, member and vice president of the University Party committee; Cai Wenfen, vice president; Wang Ruiyou, member of the University Party committee and chairman of the trade union; Li Bin, member of the University Party committee, director of the Party office and director of the Organization Department; Zhan Haiwen, member of the University Party committee and executive president of the School of Economics and Management; Song Menglan, member of the University Party committee and executive president of the School of Finance and Accounting; and Song Menglan, director of the Department of Science and Engineering and Youth League Committee Secretary Li Yan attended the opening ceremony. Also attending the opening ceremony were secretaries of branch Party committees (general Party branches), general League branches and 175 formal representatives of the student congress. The opening ceremony was presided over by Li Yuanhui,

deputy secretary of the Youth League Committee.

The conference kicked off with the Grand National Anthem. The staff read out congratulatory letters from China University of Science and Technology, Wuhan University, Anhui University, Hefei University of Technology, Nanjing Normal University and other brother university student unions inside and outside the province.

Wang Ruiyou, member of the Party committee and chairman of the trade union of Anhui Sanlian University, sent a congratulatory message, sincerely hoping that the trade union and the student union of Anhui Sanlian University can further strengthen each other's contact, work hand in hand, support each other and cooperate closely. He hoped that the work of the student union of Anhui Sanlian University would be more innovative and brilliant, and that all the work of Anhui Sanlian University would be promoted to a new stage.

At the opening ceremony, Lu Xianchang, deputy secretary of the Party committee and vice president of the University, praised and affirmed the work of the student union over the past two years on behalf of the

Party committee of the University. At the same time, he put forward several hopes for all the young students and the next work of the student union: first, we should have lofty aspirations, firm faith, and be a "youth with ideals and pursuits". We should integrate the realization of the socialist core values and personal ideals into the historical process of the great rejuvenation of the China, and put the love for the party, the idea of patriotism, and the ambition of serving the country into the concrete actions of serving the motherland, serving the society, and building and developing Anhui Sanlian University. Second, we should study hard and struggle hard to be a "responsible and promising" Sanlian youth. We should learn how to be a person, learn how to read and learn how to do things, realize the goals of being a "spiritual adult" and "professional talent", become the best students, and be the socialist builders and successors with all-round development of morality, intelligence, beauty and labor. Third, we should have the courage to open up, be the first, and be the youth with "vigor and innovation". Student union organizations at all levels should vigorously lead the pioneering spirit of "creating the world and daring to be the first" in contacting and serving the broad masses of students, set off the innovation upsurge of joining in practice and striving for the first while serving as a good bridge and emotional link, and strive to become a youth commando team and a new force of the times with firm position, high ability and bravery. Fourth, stimulate the motivation and improve the quality to be a "capable, high-level" Sanlian youth. We should go deep into the students, understand the students, accurately grasp the pulse of students' thoughts, integrate the activities carried out by the League into the reality of college students' study and life, and comprehensively improve the ability and

level of serving young students around the different needs of young students in learning, innovation and entrepreneurship, voluntary service, social practice and rights and interests maintenance.

At the meeting, on behalf of the first student committee of Anhui Sanlian University, Zhang Shihuang of the student union made a work report entitled "Never Forget the Original Intention, Follow the Party, Bravely Take the Responsibility, and Compose a New Chapter of Student Union Work in the Construction of a Local Application-oriented High-level University". The report reviews the main work of the student union since the first student congress from six aspects. The report makes four prospects for the future work of the student union: comprehensively strengthen the ideological guidance, strive to be an excellent youth in the new era; implement the overall leadership of the Party committee, continue to deepen the reform of the student union; constantly enrich the campus cultural activities, create the independent brand of campus culture; carefully safeguard the rights and interests of students, and become a reliable student union for students.

The conference deliberated and passed the "Amendment to the Constitution of the Student Union of Anhui Sanlian University (Draft)", "Reform Plan of the Student Union of Anhui Sanlian University (Draft)", "Management Measures for the Backbone of Students of Anhui Sanlian University (Provisional) (Draft)", "Assessment Measures for the Backbone of Student Union Organizations and Student Associations of Anhui Sanlian University (Trial) (Draft)", and elected a new student committee members of the council and the presidium. Finally, the conference closed within a student union song.

The student union of Anhui Sanlian University will

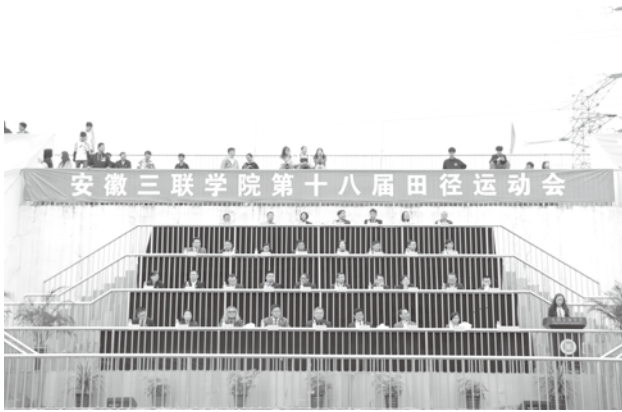

take this conference as a new starting point, keep pace with the times, blaze new trails, and strive to become an enterpriser, pioneer, and devotee in the forefront of the times. In the historical mission of the great rejuvenation of the China and the new journey of building a local application-oriented high-level university, the student union of Anhui Sanlian University will firmly follow the

party and forge ahead with the new spirit and passion of youth, in the process of realizing the Chinese dream of the great rejuvenation, compose a chapter of youth in the new era!

President Jin Huiqing is on a business trip. He specially sends a message to extend his most sincere regards! The main leaders who attended the opening ceremony and took a seat on the rostrum were: Li Mingyang, provincial education supervision commissioner and secretary of the University Party committee; Lu Xianchang, deputy secretary of the university Party committee and vice president; Jiang Fagen, Zhang Shiwei, Jin Zhe and Cai Wenfen, vice presidents; Fan Zhaohong, chief financial officer of the University; Fu Wei, president assistant; and principal leaders of secondary colleges and departments. Also

participating in the opening ceremony were all the athletes of the secondary college teams, volunteers of the games, representatives of teachers and students, etc. The opening ceremony was presided over by Vice President Jiang Xiuli.

At 9 a.m., the 18th track and field games officially opened. Along with the impassioned athletes' march, the national flag, school flag and union flag guard team of Anhui Sanlian University took the lead to walk through the rostrum for review, followed by the flower and flag team, the student backbone team, the youth volunteer service center team, the referee team and the faculty team. Then the excellent athletes of the secondary college enter the stadium orderly with a uniform pace. The athletes are full of spirit and momentum,

fully showing the vigorous spirit and innovative style of the Sanlian people. In addition, the school sports dance team and the team of the school Youth League Committee respectively brought the Dances "Burn My Calories" and "Make Progress Every Day", which showed the campus sports culture atmosphere of Sanlian teachers and students advocating health and happy sports, and pushed the opening ceremony performance to the climax.

Mr. Lu delivered an opening speech, expressing warm congratulations on the smooth opening of the games on behalf of the school and President Jin Huiqing. He said that as a comprehensive sports meeting for all students and teaching staff, Sanlian Sports Meeting has become an important part of Sanlian campus life and an important embodiment of our school's comprehensive implementation of the party's education policy and quality education. The school firmly implements the fundamental task of school, attaches great importance to college students' sports and health education, adheres to the educational concept of "health first", and pays attention to the comprehensive development of students' comprehensive quality. He pointed out that the essence of sports is to realize people's self-improvement and transcendence through tenacious struggle. The school holds the sports meeting every year to advocate a positive and healthy life concept, stimulate the enthusiasm of teachers and students to love and participate in sports, and help them enjoy fun, strengthen their physique, improve their personality and temper their will in physical exercise. Finally, Mr. Lu

hoped that all the athletes would show their style and level in the sports field, and achieve good results again. He also hoped that all the coaches and referees would play a fair and just, rigorous and realistic spirit, and devote a grand, warm, wonderful and complete sports event to all the teachers and students with a serious and responsible attitude. He wished the 18th track and field games a complete success.

Finally, Liu Manman, the athlete's representative, and Tao Yuheng, the referee's representative, made solemn oaths. With the exit of the athletes, the stadium is full of jubilation, and the enthusiasm of sports competition is on the verge of fire.

The holding of the games is a platform for teachers, students and staff to show their physical talents and vitality, a grand sports event for the whole school, and a stage for colleges and departments to fully show their collective consciousness, team spirit, cooperation ability, competitive level and spirit. Under the background of normalization of epidemic prevention and control, the school carried out in accordance with the relevant requirements of epidemic control, simplified the process and content of the opening ceremony, and all the competitions were carried out outdoors.

It is reported that there are 51 groups of events in the games, with about 1053 students and staff participating. The 18th track and field games will close at 16:00 on November 6.
