

## 开启三次创业 筑梦百年老店

时光荏苒若白驹之过隙，岁月如梭三联已至而立之年。

三十载栉风沐雨，祖国改革开放的大潮孕育了三联。1990年，留日海归博士金会庆满怀科技报国的家国情怀，肩负“减少事故 造福人类”的崇高使命，毅然回国创业，用勤工俭学的3万元创立了合肥三联事故预防研究所，播下了第一颗希望的种子。白手起家，敢为人先，在科学研究的崎岖道路上不断跋涉和攀登，终于石破天惊，研制出我国首套驾驶适应性检测系统，填补了我国交通事故防治设备的空白，开启了第一次创业的艰辛历程。

三十载高瞻远瞩，创伟业谋篇布局。一次创业期间，三联总设计师金会庆教授以科研为先导，开拓事故预防产业，兴办民办教育，布局产、学、研发展平台，构建“科技开发-成果应用-人才培养”的发展模式；二次创业期间，产、学、研闭环发展、新环涌现，延伸发展机器人、数字艺术等新兴产业。三联“产学研”已成为三联发展壮大的优势“基因”，深深根植于三联“生命体”，潜移默化地融入了三联人的血脉，通过“基因复制”不断传承发展。

三十载砥砺前行，三联科技跨入国家队行列。先后承担国家科技支撑计划、国家“863”计划项目等重大科研课题，2002年荣获国家科技进步一等奖。2011年获科技部批准组建“国家车辆驾驶安全工程技术研究中心”，标志着三联正式列入国家队，与公安部、交通运输部所属两大国家工程中心，形成我国交通安全领域“三足鼎立”。美国《Science》杂志两次报道金会庆教授交通事故“三道防线”“重特大交通事故防控体系”等研究成果，引起国内外学术界高度关注。

三十载波澜壮阔，三联勇做“吃螃蟹的第一人”。金会庆教授领衔创立以“三道防线”为核心的道路交通事故防治工程，构建重特大交通事故防控体系，为我国道路交通事故死亡人数从每年10万人下降到6万人，以及我国重特大交通事故持续下降做出了重要贡献。凭借卓越的创新能力和丰硕的创新成果，创立三联集团核心企业：安徽三联交通应用技术股份有限公司，主营智慧车管、智慧城市、智慧交通。三联交通为国家创新型试点企业、国家重点高新技术企业。历经新三板挂牌上市，昂首迈进资本市场。三联交通现为我国交通安全科技行业的领军企业，为国家“交通强国”的美好蓝图增光添彩。

三十载出资兴学，育人才永载史册。金会庆教授热衷

教育，倾囊而出办教育，1991年创业之初创立“三联（南洋）中等职业学校”，开创安徽省职业教育的先河；1997年创办三联学院（筹），1999年教育部批准设立三联职业技术学院，2008年教育部批准升格为本科层次的安徽三联学院，实现了安徽省民办高校零的突破，被载入安徽省地方志研究院及中共安徽省委党史研究院编辑出版的《新中国70年安徽大事记》及《安徽改革开放40年大事记》。秉承“生为本，师为根，质量促发展”的办学理念，以“特色办学、错位发展；产教融合、服务地方”的办学思路，三十年来，创办各类学校6所，培养社会急需的专门人才14.2万人，为国家及地方经济社会发展做出了重大贡献。

撑起一把伞，擎起一片天。三十年来，不论顺境还是逆境，三联始终不忘初心，牢记使命，以企业的社会责任为己任，热心公益事业。捐资助学，资助贫寒学子；收购破产国企，安置下岗职工；关注社会民生，为困难群众“送温暖”；参与抗洪防疫，慷慨捐资捐物；支持光彩事业，捐建光彩小学等。力尽所能为政府排忧解难，为社会奉献一片爱心。

三十载筚路蓝缕，而今迈步从头越。2019年的“太平湖会议”达成了“创业创新”的共识：创业不是一蹴而就，而是分阶段、在新的起点上，从“零”开始的伟大征程；创新发展、转型升级是三联发展的永恒主题，是提升核心竞争力的动力源泉。描绘了三联“百年老店”的愿景：建设“百年老店”是全体三联人的精神伟力，是三联远大的奋斗目标。

2021年将是三联第三次创业的开启年，也恰逢祖国“十四五”规划的开局年。站在信息化、智能化的时代潮头，面对新一轮科技革命和产业变革，顺应国家构建供给侧结构性改革和国内、国际双循环的新发展格局，我们将坚持创新驱动战略，抢抓机遇，乘势而上，勇做创业浪潮中的“弄潮儿”。聚焦产学研一体化优势“基因”，凝练核心竞争力，薪火相传，圆梦三联，为“百年老店”添砖加瓦。

岁月更替，初心不改，时代变换，情怀不变；不在乎一朝一夕的成功，不在乎一时一刻的挫折；“创业永远在路上”，与时俱进，永葆激情，不骄不躁，坚定前行。“长风破浪会有时，直挂云帆济沧海”，在三联创始人金会庆教授的“掌舵”下，三联航船必将乘风破浪，驶向梦想的彼岸。

## 安徽三联集团成立三十周年庆祝大会隆重举行

三十而立，擎画三创蓝图；筑梦百年，奋进三联新程。2021年4月30日，安徽三联集团成立三十周年庆祝大会在合肥丰大国际大酒店三楼国际厅隆重举行。来自全国各地支持三联创立、建设与发展的社会各界友人及三联员工共计千余人欢聚一堂，追忆三联三十年奋斗历程，共同见证三联筑梦再远航的光荣时刻。

三联集团创始人金会庆教授、三联集团董事长张方振教授、三联集团执行总裁余皖生、三联集团监事会主席金美莲等领导出席大会。参加大会的还有支持三联创立、建设与发展的社会各界友人，三

联集团全体董事、监事，三联元老、特邀人员，三联集团及所属各单位助理及以上高管人员、中层干部、业务骨干、教职员工代表。

下午18时，安徽三联集团成立三十周年庆祝大会在庄严的国歌和三联歌声中拉开帷幕，三联集团董事长金磐主持大会。华诞之际，日本、美国及国内有关政府机构、社会组织、合作单位、合作院校、历届校友，分别以公函、短信、微信等不同方式，向三联集团、三联创始人金会庆教授发来贺信、贺电。会上，工作人员宣读了美国维克森林大学医学院（Wake Forest University）陈嵘博士发来的贺信，

祝福三联三十生日快乐，祝愿三联蒸蒸日上、宏图更展，早日成为海内外业界知名的“百年老店”！

三十载历程铸就辉煌传奇。随后播放的三联三十华诞大型专题片《三十而立 筑梦百年》，带领全场嘉宾共忆三联三十年风雨兼程，见证三联三十年的成长与蜕变。

接着，三联集团执行总裁余皖生，三联员工代表、首位加盟三联的大学毕业生潘涛，三联毕业生代表、最美逆行者吴曙光先后发言。

执行总裁余皖生深情回顾了三联三十年的发展历程，他表示三联创立三十年，已全面完成第一、二次创业的发展规划，取得了伟大的历史性成就。2021年是三联第三次创业的开启年，也恰逢祖国“十四五”规划的开局年。在习近平新时代中国特色社会主义思想指导下，全体三联人将坚持新发展理念，构建新发展格局，坚守初心、聚力前行，矢志不渝地为建设“百年老店”建功立业！

“第一个加盟三联的大学毕业生”、三联创业奖章获得者、三联交通公司董事兼副总经理潘涛，代表三联集团2000多名员工发言。潘涛表达了对三联三十华诞的感慨与祝福，他表示自己追随金会庆教授的脚步来到三联，亲历了三联产业发展的风云变幻，并有幸见证三联创造的一个又一个奇迹神话。三十年来，他深切感受到三联的初心与愿景始终不变，相信三联定能够在各领域齐头并进，续写“跨越发展正当时”的新篇章！

安徽三联学院优秀校友、2011届护理专业毕业生、池州市人民医院重症医学科护师、安徽省“五四”青年奖章获得者、池州市“五四”青年奖章获得者、池州好人、最美逆行者吴曙光，代表三联教育14.2万名毕业生祝贺三联集团三十华诞，他在发言中感谢金校长和母校的培养，感谢老师的谆谆教导，引导三联学子学会奉献、勤劳和坚强。祝愿母校年年桃李、岁岁芬芳！祝愿安徽三联集团

成立三十周年庆祝大会取得圆满成功！

三十载风云激荡，三联人风雨同舟。本次大会对三联集团2020年“先进集体”“先进个人”进行表彰，三联创始人金会庆教授为13个先进集体颁发锦旗及奖金，三联集团监事会主席金美莲、三联集团董事王江波分别为13个先进个人颁发荣誉证书及奖金。

大会最后，三联创始人金会庆教授发表讲话。他表示历经三十年艰辛与辉煌，三联在回顾中审视，在反思中探索，在总结中展望。向全体三联人发出了“开启三次创业，共筑百年老店”的出征令。

他指出，“百年老店”是三联远大的奋斗目标，是全体三联人的精神伟力。伟大征程中，坚定发展方向，坚持既定方针，与时俱进，创新发展。不在乎一朝一夕的成功，不在乎一时一刻的挫折；岁月更替，初心不改，时代变换，情怀不变；与时俱进，永葆激情，不骄不躁，坚定前行。一代又一代三联人，圆梦三联，为“百年老店”添砖加瓦；一代又一代三联人，同心同向，共筑具有家国情怀的三联梦。

金会庆教授希望全体三联人坚守初心，肩负使命；珍视平台，珍惜岗位；点燃激情，协同创新，一步一步慢慢地走，一步一步踏踏实实地走，开启三联第三次创业的伟大征程！为实现“百年老店”而不懈奋斗！

在热烈的掌声中，金会庆教授手执帆绳，将三联航船上由三联各单位旗帜组成的船帆缓缓升起。听，三联“开启三次创业 筑梦百年老店”的号角已吹响；看，三联“三次创业”的伟大航程已扬帆起航！相信在习近平新时代中国特色社会主义思想指引下，在金会庆教授领导下，全体三联人将守初心，担使命，谋新篇，开新局，同舟共济，砥砺前行，共创三联更加美好的未来。

## 安徽三联学院与安徽三联交通应用技术股份有限公司 举行校企合作洽谈会

2021年4月22日上午，安徽三联交通应用技术股份有限公司副总经理罗文其、赵翀、吴岳松等

一行6人到访学校洽谈校企合作。洽谈会在图书馆T412会议室举行。副校长姜发根、蔡文芬，交通

工程学院、机械工程学院、计算机工程学院、电子电气工程学院、机器人工程学院和实践教学部等部门负责人参加了洽谈会。会议由姜发根主持。

会上，校企双方首先就本期三联工程技术教改班建设进行了交流与研讨，并达成了合作共识。之后，校企双方就如何深化集团内校企合作交换了意见。吴岳松指出，学校是公司稳定的人才“蓄水池”，也是公司成长的实践者、贡献者和见证者，公司将一如既往地创造条件服务学校的人才培养。赵翀指出，今年是集团成立 30 周年和“三次创业”元年，

推动公司与学校合作是应然、必然和实然之举，双方应注重现有合作内容的凝练，借鉴先进模式，适应新形势扎实推进。罗文其指出，公司与学校办学之初即保持稳定且富有成效的校企合作，下一步双方应加强互动频率，勤走访、多合作，形成持续化常态化机制，做实集团内深度合作。

蔡文芬指出，学校与公司合作基础厚实，前景看好，双方合作可在人才培养的全过程开辟空间，落实推进，形成特色和典型案例，支撑教学改革需要。

最后，姜发根就双方下一步合作提出建议。他强调，学校和公司的合作要立足于双方的基础和需求，锚定产教融合的发展目标，积极探索集团内校企合作的新模式和新路径，凸显集团内外双轮驱动、协同育人的新特色。校企双方从学科专业、队伍建设、科技创新、教学资源、人才培养等方面推进全进程、全方位合作，打造产教融合共同体，服务集团产学研一体化发展战略。

## 红会卫校校企合作揭牌暨见习启动仪式在金寨举行

经过一个多月的深入交流和实地考察，红会卫校与安徽悠南山养老产业集团有限公司（以下简称“悠南山养老集团”）达成战略合作协议，在老年护理等课程建设方面进行全面合作。2021年4月12日，红会卫校和悠南山养老集团校企合作揭牌暨见习启动仪式在金寨县燕子河悠南山康养中心举行。金寨县民政局副局长王明、金寨县燕子河镇党委书记杨林涵、燕子河镇卫生院院长夏远兵及红会卫校党总支书记方劲松、红会卫校校长洪梅等校企领导出席仪式，仪式由悠南山养老集团皖西地区总

经理柴礼明主持。

首先，悠南山养老集团董事长台运舟发表致辞，他对和学校的校企合作充满期待，希望校企双方各自利用优势，共同为社会、企业培养应用型的技能人才，让学生在获得实践锻炼的同时得到更多的发展空间。他希望校企双方以本次合作为基础，打造产、学、研一体化的道路，促进双方的共同发展。

红会卫校校长洪梅在讲话中首先对悠南山养老集团选择学校进行合作表示感谢。她希望通过校企合作，促进学校教学和人才培养模式改革，提高

学生实践能力，促进专业建设与教学改革，促进师资队伍队伍建设，更好地解决学生的实习和就业问题，提高学校为当地经济社会服务的能力，使校企双方实现双赢目标。

王明从金寨县养老服务发展方面进行介绍，对悠南山养老集团在金寨县托管的养老集团表示认可，他希望校企双方加强合作，让见习学生在用理论指导实践的同时，用实践丰富理论，通过彼此间沟通协调，结出共同期待的丰硕成果。

杨林涵从感谢、希望、要求三方面进行讲话，他对学校安排见习生去燕子河镇进行见习表示感谢；他希望校企双方珍惜机遇，将校企合作之路走深走远，希望见习学生把握见习机会，从点滴做起，不断成长；他要求见习单位要将见习学生安全放在首位，时刻关注学生安全，见习学生要遵守各项规章制度。

夏远兵对燕子河镇卫生院进行简介，对学生来这里见习表示感谢，他希望全体见习生努力学习，强化实操，不断发扬南丁格尔精神，早日成为一名优秀的医护工作者。

2018级高职3班学生邱晴代表全体见习生发言，她表示将把握见习机会，遵守校企双方各项规章制度，通过见习促进自身的成长。

随后，杨林涵、台运舟、方劲松、洪梅共同进行揭牌。

本次校企合作双方以共建老年护理实训基地为依托，共同组建师资团队，共同开发老年护理实训教材，学生通过1-2周的基地见习，在加强理论学习和实践锻炼的同时，提前感悟未来医养一体化模式的前景，把爱老、护老、助老根植于学生心中，让“人道、博爱、奉献”红十字精神在每个角落唱响。

## 三联基于人工智能的驾驶人考试系统核心技术 获国家发明专利

2021年2月12日，国家知识产权局发布授权公告，三联交通公司《基于深度学习的驾驶人头部姿态监测方法、系统、介质及设备》率先荣获发明专利证书（专利号 ZL201710716168.6）。

根据公安部 139 号令，机动车驾驶人科目考试过程中在经过十字路口、学校、人行横道等过程中需要左右观察，另在起步及靠边停车时需借助左右后视镜及内后视镜，并回头观察后方来车情况。以往行业常规的检测手段误判率较高，造成学员申诉情况时有发生。

公司研发团队通过提取驾驶员姿态等数据，利用深度学习等技术进行包括人脸检测、关注点检测等在内的计算机算法处理，攻克了驾驶人科目考试

姿态评判关键技术，有效解决现有驾考系统中的硬件成本高、算法鲁棒性较弱、信息利用率低，以及面部动作监测结果精确度低等问题，实现了机动车驾驶科目考试中姿态评判的客观性和精确性，减少人力成本。

三联采用该项关键技术的产品可为考试管理平台节约 60% 警力，提升 80% 监管效率。去年 9 月，采用该技术的产品在公安部交管局召开的全国深化公安交管“放管服”改革暨车辆管理所规范化建设现场推进会上精彩亮相，受到了公安部交管局及

参会各级领导的高度肯定。

## 三联交通公司召开经营班子扩大会议 研究智慧交通、智慧城市事业部发展战略

2021年3月10日，三联交通公司召开经营班子扩大会议，重点研究进一步加快事业部发展重要战略。三联创始人，公司董事长金会庆教授作重要

指示，王江波总经理主持会议。

会上，赵翀副总经理宣读了公司相关领导职务任免文件，决定聘任金来为公司技术总监，吴岳松

为公司副总经理，崔鹤鸣为公司财务总监。新任领导干部在会上作了表态发言，表示将不负重托、恪尽职守，在各自岗位上拼搏奋进，为三联“第三次创业”宏伟大业做出应有贡献。

与会领导先后听取了潘涛副总经理和唐毅副总经理分别所作的智慧交通事业部、智慧城市事业部经营计划报告，研讨进一步加快事业部发展的重大举措。金会庆董事长最后作了总结讲话，他指出，人才资源是三联完成“第三次创业”的重要保障，要着力提拔青年才俊进入重要岗位，加快管理团队梯队建设，培育一支认同三联文化、恪守三联精神的高层次人才队伍。

金会庆董事长强调，要进一步高度重视科技创新发展规划，强化前沿技术领域前瞻性布局，加大

研发投入，引领智慧交通安全科技进步与技术创新。智慧交通事业部和智慧城市事业部的发展战略直接关系到三联交通跨越发展前景，事业部团队要齐心协力，乘势而动、蓄势而发，主动把握市场机遇，加强与目标客户交流拓展，全力争取在重点领域和关键环节实现新突破，为在三联“第三次创业”的第一个“三一”规划期间实现两大事业部发展腾飞而不懈奋斗。

公司副总经理罗文其，技术总监金来，副总经理张树林、方向勇、李志广、吴岳松，财务总监崔鹤鸣，总经理助理王敬刚、吕宣伟、董贤新、张从喜、张燕，人力资源总监郭珂以及事业部有关负责人出席会议。

## 三联交通公司助力湖南开启摩考智能评判大幕

2021年3月31日，湖南省公安厅交警总队车驾管支队、长沙市公安局交警支队和长沙县公安局交警大队等相关领导组成的验收专家组一行，按公安部颁标准对三联交通公司承建的长沙县摩托车路口考场考试设备和考试场地进行了详细查验，并最终顺利通过验收，标志着湖南省首个摩托车全科目智能化考场即将正式投入使用，拉开了湖南省摩托车考试智能化评判的帷幕。

路口摩托车考场项目占地面积2750平方米，建筑面积274平方米。考场设有普通三轮摩托车D照、普通两轮摩托车E照和轻便摩托车F照三种考试车型，满足摩托车科目一理论、科目二和科目三考试。其中，科目二、科目三设有标准化考试项目，考场采用三联交通全新一代SL2402摩托车科目考试智能评判系统，AI+机器视觉算法，实现对摩托车考试的全方位精准评判。科目一理论考试终端全部采用桌面云技术，实现理论考试终端无盘化，有效解决理论考试PC端管理难题，杜绝各种舞弊行

为的发生，实现对考试终端全面管理。考场搭载三联交通摩托车智能考试评判系统后日考量约为150人次，极大提升了考试效率。项目于3月14日进场动工，3月28日完工，31日顺利验收，再次向客户展现了三联交通标准高效的考场建设能力和严谨负责的履约能力。

三联交通摩考系统实现了全车型覆盖、全兼容设计、全科目支持，独创的“3+X”智能评判模式，更加凸显对考生的安全意识考核。科目三项目可根据场地实际情况因地制宜、自由组合、灵活多变。人工智能结合机器视觉，助力摩托车考试全方位精准智能评判。考试全程音视频监管，考场全程无人值守，有效提升考场智能化水平和考试监管效率。

未来，三联交通公司将继续发挥自身科研优势，不断提升考场建设能力和服务水平，助力各地摩托车智能评判系统建设落地，助推公安部交管局改革措施按期落地实施。

## 弘扬传统文化 安徽三联学院剪纸艺术为安徽省人民新年添彩

新年伊始，安徽省非物质文化遗产教育传习基地主任、安徽三联学院剪纸艺术研究中心负责人、安徽省工艺美术大师周鸣老师应邀参加2021安徽卫视春节联欢晚会节目的录制。在节目中，她将剪纸艺术巧妙地融入现代艺术风格中，向观众呈现中国非遗文化瑰宝特色，为牛年的新春增添不一样的

年味。晚会播出后，受到了众多主流媒体的报道，引发关注。

2021年2月14日，为了庆祝牛年新春，安徽日报在艺苑菁华版刊登了周鸣老师及其他剪纸艺术名家创作的十余幅作品。周鸣老师的作品《幸福犏子牛》，利用剪纸艺术的表现手法，把人们对牛年幸福生活的期盼寓含深意的表达出来，得到读者的一致好评。

非物质文化遗产有着独特之美，安徽三联学院作为安徽省非物质文化遗产教育传习基地，学校剪纸艺术研究中心肩负着延续剪纸艺术文化血脉的重任。此次剪纸艺术登上主流媒体平台，相信能够让全国更多的观众认识这门民间艺术。

## 铭记先烈丰功伟绩 传承英雄奋斗精神

### ——三联学子开展爱国主义主题教育活动致敬建党百年

为引导青年学生铭记革命历史，缅怀革命先烈，培养青年学生的历史使命感和责任感，2021年3月28日，校团委组织100余名学生骨干赴大蜀山革命烈士陵园开展“铭记先烈丰功伟绩 传承英雄奋斗精神”爱国主义主题教育活动，传承红色基因，致敬建党百年。

三联学子佩戴团徽，怀着崇敬肃穆的心情瞻仰“江淮英烈永垂不朽”纪念碑，祭奠先烈并送上鲜花。在纪念碑前列队奏唱国歌与团歌，歌声铿锵有力，气势恢弘。随后重温入团誓词，字字铿锵有力，表达了矢志不渝守初心、奋发有为担使命的坚定信念，深化了团员思想，展现了三联学子积极向上的精神风貌。仪式结束后，清扫烈士陵园周围的垃圾，倡导文明祭祀之风。

百年青春心向党，奋斗起航新征程。通过此次

爱国主义主题教育活动，回忆过去，展望未来，作为新一代的青年人，要以先烈为榜样，刻苦学习、立志成才，继续传承和发扬前辈的光荣传统，不忘初心，牢记使命，砥砺前行。

## 卫生科普进校园 引领学生健康成长

### ——竹稞技工学校开展卫生健康专题讲座

为提高校园卫生水平和卫生安全意识，切实促进师生健康，2021年4月14日下午，竹稞技工学校于安徽三联学院 B01 学术报告厅举办卫生健康专题讲座活动。学校老师及学生代表参加。

春季是各种传染病的高发季节，学校人员相对比较集中，更容易造成传染性疾病的传播。本次讲座由安徽红十字卫校李敏老师主讲，分别从新冠病毒的防控和春季流感预防两个主题进行讲解。讲座伊始，李敏老师通过新冠疫情视频播放、PPT 演示等，让同学们深刻认识到卫生健康的重要性，警醒同学们认真对待新冠疫情和做好预防。随后，李敏老师向同学们讲解日常生活中常见的病例，并为同学们指明对应症状的正确解决方法。最后，李敏

老师向同学们介绍了用脑卫生、用眼卫生、个人及环境卫生知识以及学生在校期间常见的传染病的名称、症状、传播途径、预防措施、如何诊疗等。在讲座过程中，李敏老师积极与同学们互动，演示心肺复苏的手法，并热情回答同学们提出的问题。

此次讲座的顺利开展，让同学们对日常生活中的卫生健康知识有了进一步的了解，加强全校师生对传染病预防的了解，维护师生身体健康和生命安全，为营造健康校园奠定坚实基础。

## 安徽三联学院党委中心组开展党史学习教育 “学史明理”专题研讨

2021年4月28日上午，学校召开党委中心组学习会并开展党史学习教育“学史明理”专题研讨。省教育督导专员、校党委书记李明阳主持会议。

与会人员集体观看了习近平总书记考察清华大学的视频，认真学习领悟习近平总书记“坚持中国特色世界一流大学建设目标方向，为服务国家富强民族复兴人民幸福贡献力量”的重要讲话。集中学习了《论中国共产党历史》《毛泽东邓小平江泽民胡锦涛关于中国共产党历史论述摘编》《中国共产党简史》和《习近平新时代中国特色社会主义思想学习问答》有关章节。

会议围绕“学史明理”进行专题研讨交流。李明阳在发言中回顾党的百年历程，结合当下时事热点和学校发展实际，从“不忘初心牢记使命，为人民谋幸福；充满信心，充满朝气；坚定拥护以习近平同志为核心的党中央的领导；坚定社会主义办学方向，坚持立德树人；做一个高尚的人、一个纯粹的人、一个脱离了低级趣味的人、一个有益于人民

的人”等五个方面谈了个人学习体会。党委副书记、副校长鲁先长及党委委员、副校长姜发根也分别进行讨论发言。

校党委成员，校领导出席会议；党委各部门负责人，综合办公室、教务处、人力资源部、学生处、工会、团委、马克思主义学院等部门负责人列席会议。

## 她与三联风雨同行的那五年

——记安徽三联集团 2020 年度先进个人、安徽三联机器人科技有限公司  
科技管理部主管尤红梅

“莺初解语，最是一年春好处。”2016年的春天，尤红梅同志初入三联，担任项目申报专员一职，主要负责国家项目申报、资质荣誉申请、知识产权等工作。作为当时公司唯一一位具有医疗器械注册经验的人员，她牵头参与医疗器械注册等相关事宜。一切从零开始，她所要做的，唯有撸起袖子加油干。

有志者事竟成！在公司领导的带领下，她啃下最难啃的硬骨头，一步步使公司的项目申报实现了从无到有，再从有到大的突破。2017年7月，经过一年多的勤勉不懈和执着坚守，她得到了公司领导的肯定与认可，成功晋升为科技管理部主管。

印象最深刻的是2018年，她有大半年的时间都在加班，项目申报、医疗器械注册、行政工作，最长的一次是连续工作16个小时。也是那一年，她为大家舍小家，在直属领导患病离岗的第四季度勇于挑起综合管理部各项年终繁杂工作。2018年年终，科技管理部（含NMPA项目组）被评为公司先进集体，而她也荣获公司“先进个人”称号。

2020年8月，科技管理部积极响应集团及公司领导班子的号召，经过上级工会组织同意，安徽三联机器人科技有限公司工会委员会正式成立。尤红梅同志担任工会委员会主席一职，在职期间她时

常带领工会会员积极参与各项活动，得到了高新区政府领导的一致好评。

五年来，在公司领导的大力支持下，在公司各部门同事的齐心协力协助下，她为公司成功申报安徽省院士工作站、安徽省股权托管交易中心挂牌企业、电动轮椅车注册证、电动轮椅车生产许可证、二类医疗器械经营许可证、ISO9001/ISO13485认证、中国声谷入驻企业、国家科技型中小企

业、国家高新技术企业、安徽省软件企业、安徽省疫情防控重点保障物资生产企业、安徽省建设培育产教融合型企业、合肥市和谐劳动关系企业、合肥市人工智能产业重点企业、合肥高新区高成长企业、合肥高新区“领航”企业等资质荣誉。

五年来，她挑起了科技管理部的重任，从小事到大事、从内联到外联，她从未懈怠，一丝不苟地认真完成领导交付的每一件事。她坚信自己并不是一个人在战斗，她为背后有集团这样强大的后盾，有机器人公司这么好的平台以及各位领导的信任与支持而感到荣幸和自豪！

面对未来，我们相信尤红梅同志定会在自己平凡的岗位上，以更加崭新的面貌积极投身于三联“第三次创业”中，为三联“百年老店”添砖加瓦！

## 攻坚克难 献礼华诞

——记安徽三联集团 2020 年度先进集体、安徽三联机器人科技有限公司  
医用护理床二类医疗器械认证项目组

三十年风雨同舟谱华章，新时代乘风破浪续辉煌。安徽三联集团是集产、学、研于一体的民营高科技企业，集团领导高瞻远瞩，预见中国未来将迅速步入老龄化，瞄准养老健康服务这一新兴产业。2014年，三联机器人公司在金会庆董事长及集团领导大力关心和兄弟单位的帮助下应时而生。

2020年，对于三联机器人公司来说是有突破意义的一年，公司顺利获得医用护理床医疗器械注

册证和生产许可证。三联分体式机器人护理床系国内首创，作为更人性化的体位转移解决方案，在机构养老行业已获诸多认可，公司为抢占医疗器械领域先机，正式成立医疗器械注册认证项目组，旨在攻克国内首张分体式护理床注册证，踏入医疗器械这一全新领域，提升公司的市场竞争力。

医疗器械对于我们熟悉又陌生的行业，有太多东西需要我们去摸索。分体式医用护理床作为新

产品，医疗器械免临床目录从未有同类产品，国内也从未有类似产品的申报记录，该项任务面临的首个难关便是能否豁免临床。为成功完成注册任务，公司迅速组建医用护理床二类医疗器械认证项目组。项目组成员们面对难题，丝毫不怯，不熟悉省药监局的各部门业务管辖范围，便携带产品技术资料，向药监局主管部门多频次、多部门咨询，功夫不负有心人，经过反复修订的豁免临床申请材料，在药监局组织的专家沟通答辩会上成功获得通过，为注册认证工作开了一个好头。

受2020年初的疫情影响，医用护理床的注册检验工作进度较原计划有所延误。为保证检验工作尽快结束，项目组在疫情期间经过与检验院的多次沟通，成功免去了EMC项目检验费用，并在五月份顺利取得注册检验报告。

公司在医疗器械注册申报上缺乏经验，原计划请第三方服务机构协助公司完成注册认证，但项目组成员几经讨论，一致认为独立自主的参与将是顺利通过审查的有力保障。最终在公司总经理的支持下，项目组决定自行完成注册申报任务。注册申报首要任务是建立医疗器械生产企业质量管理体系，

项目组成员分工协作，积极思考。经过三个月的努力，在完成岗位工作之余，项目组顺利完成体系文件的编制工作，向药监局提交了注册申报材料。

一切准备工作已经就绪，接下来的工作就是迎接药监局的现场检查和技术审评。等待是漫长的，为确保顺利通过检查，项目组多次策划模拟检查，查缺补漏，逐步完善体系材料，提高应对检查人员的能力。2020年11月，在迎来检查组的入司检查时，面对质疑，项目组成员们胸有成竹，答辩娓娓道来，获得检查组的一致好评。

至此，项目组分工协作、攻坚克难，于2020年12月顺利拿下医用护理床注册证和生产许可证，意味着三联取得了医疗器械领域的准入资格，所获医用护理床注册证在安徽省内以及全国属首创，实属不易。

我们坚信，所有的成功都不是一蹴而就的，而是脚踏实地一步一个脚印走出来的。感恩三联，让我们在竭尽所能之后遇见美好，得以凯旋归来！最后，项目组在此祝愿三联三十生日快乐，三联基业百年长青！

## 三 联

### ——梦想开始的地方

秋风瑟瑟，寒冬将至，在2020这一与众不同的一年中，安徽三联集团也迎来了她的30华诞。

时光荏苒，光阴也见证了三联集团这一路上走来的风风雨雨。作为一名安徽三联学院的学生来说，来到这，是我的幸运。也曾听到有人说，这所大学很年轻，可是我想说，没有亲身去过，没有亲身感受过这里独有的文化特色，仅说年轻是不全面的。

三联集团自1990年成立至今，且发展的越来越好，它一定有独属于自己的特色的企业文化。在这三十年间，三联人不断的通过实践和学习，承受了许许多多的考验，拥有过鲜花和掌声，接受过批评和指责。在这个日新月异的时代，三联凭借自身优势已站到众多竞争对手前列。如今，在很多地方都能看见很醒目的三联交通，而我相信，这也是很多人梦想开始的地方。

我看过春日夏风秋叶冬雪，也曾踏遍南水北山东麓西岭，可这四季春秋，苍山泱水，全都不及三联校园带给我的欣喜。此时，冬季来临，教学区那边的银杏树叶全都被秋天装点成了温柔的黄色，俨然构成校园内的一道最特色的风景。每次路过哪里，我都喜欢走走银杏树林下的石板路，我想，设计这里的人，大抵也是花费了不少的心思吧。三联的校园很美，或许它没有别的学校那么大的面积，也没有别的地方那么恢宏的建筑，但是它注入了三联集团特有的文化特色，虽小，却不失它温柔刚进的一面。

三联是一个追梦的地方。走进图书馆的自习室，会发现自习室里永远都是满满的学生，有为了期末考试而奋笔疾书，有为了参赛考证而拼命背书，

更有为了考研而笔耕不辍的莘莘学子。冬天的夜晚寒风刺骨，可图书馆里那些灯光却暖了那些努力的学子，即便是在这样冷的天，也依然有学生站在图书馆外面借着昏黄的路灯背书，每每看到这样的情景，总是让人不觉得心头一震，该是有多大的决心和毅力才能让他们如此坚决，而他们的考研梦也因他们的努力变得更加的珍贵与值得，因为有梦可追的人总是特别的美。

我相信，这些考研学子的梦，也是三联集团的梦。我想，我们应该感恩三联集团，给了我们一个追梦的机会。而作为学生，对三联集团最好的感谢就是应该好好学习，让自己的梦想在这里发光发热，不负所托，因为这是我们自己的梦，也是三联学院对我们的要求，更是三联集团对我们的期待，是众多三联人的梦。

大树之所以挺拔，是因为它经历了风雨的洗礼；星星之所以美丽，是因为它有了白天的沉淀；而我们的梦想之所以珍贵，是因为它有了我们汗水的浸润。今年是三联集团的三十华诞，在这个美好的时间里，我们不能忘记关怀和支持为三联集团做出努力，付出汗水的上级领导和各界同仁们，还有那些呕心沥血、团结一心的普通工作人员。诚如金会庆校长所发表的那篇演讲——扶贫与光彩。创办企业，抓紧让百姓实实在在富起来，让人民更富一点，摘掉贫困的帽子，最重要的一点就是让人们懂得勤劳才能致富。而这也是三联集团发展至今越来越好的一个重要原因，有梦，勤劳，方得长久。

最后，祝三联集团，生日快乐！

and supervisors of Sanlian Group, senior members and specially invited personnel, senior executives, middle-level cadres, business backbones and staff representatives of Sanlian Group and its affiliated units.

At 6 PM, the 30th anniversary celebration meeting of Anhui Sanlian Group opened in the solemn national anthem and Sanlian song, and Jin Qing, director of Sanlian Group, presided over the meeting. On the occasion of its birthday, relevant government agencies, social organizations, cooperative units, cooperative colleges and alumni in Japan, the United States and China sent congratulatory letters to Sanlian Group and its founder Professor Jin Huiqing by official letters, short messages and Wechat. At the meeting, the staff read out a congratulatory letter from Dr. Chen Rong of Wake Forest University Medical School in the United States, wishing Sanlian Group a happy 30th birthday, a prosperous and prosperous future, and a well-known "Century Old Incorporation" at home and abroad as

soon as possible!

Thirty years of history has created a brilliant legend. Subsequently, a large-scale feature film "Standing at 30 and Building a Dream for Centuries" was broadcast, which led the guests and Sanlian to go through 30 years of hardships, witnessing the growth and transformation of Sanlian.

Then, Yu Wansheng, executive president of Sanlian Group, Pan Tao, employee representative of Sanlian and the first university graduate to join Sanlian, and Wu Shuguang, graduate representative of Sanlian and the most beautiful countermarch person, spoke successively.

Yu Wansheng, executive president of Sanlian, reviewed the 30-year development process of Sanlian with deep feeling. He said that Sanlian had completed the development plan of its first and second pioneering work in 30 years since its establishment, and made great historical achievements. 2021 is the opening year of Sanlian's third venture, and also coincides with the opening year of the 14th five year plan of the motherland. Under the guidance of Xi Jinping's socialist ideology with China's characteristics, all Sanlian people will adhere to the new development concept, build a new development pattern, adhere to the original intention and cohesion, and strive to build up a "Century Old Incorporation."

Pan Tao, the first graduate to join Sanlian, the winner of Sanlian entrepreneurship medal and the director and deputy general manager of Sanlian Transportation Company, spoke on behalf of more than 2000 employees of Sanlian Group. Pan Tao expressed his feelings and wishes for the 30th birthday of Sanlian. He said that he followed Professor Jin Huiqing's steps to Sanlian, experienced the changes of Sanlian's industrial

development, and was lucky to witness one miracle after another created by Sanlian. Over the past 30 years, he deeply felt that the original intention and vision of Sanlian had never changed. He believed that Sanlian would advance in all fields and continue to write a new chapter of "leapfrog development at the right time!"

Wu Shuguang, an outstanding alumnus of Anhui Sanlian University, 2011 nursing graduate, nurse of ICU Department of Chizhou People's Hospital, winner of Anhui May 4th Youth medal, winner of Chizhou May 4th Youth medal, Chizhou Good Citizen and Most Beautiful Countermarch Person, congratulated Sanlian Group on its 30th birthday on behalf of 142000 graduates of Sanlian Education. In his speech, he expressed his gratitude to president Jin and his alma mater for the cultivation, and to the teachers for their earnest guidance, which led the students of Sanlian to learn dedication, diligence and strength. He wished the alma mater sweet and fragrant every year and the 30th anniversary celebration of Anhui Sanlian Group a complete success!

In the past 30 years, the people of Sanlian have been in the same boat to overcome obstacles. This conference commended the "advanced collective" and "advanced individual" of Sanlian Group in 2020. Professor Jin Huiqing, founder of Sanlian Group, presented the banner and bonus to 13 advanced collectives. Jin Meilian, chairman of the board of supervisors of Sanlian Group, and Wang Jiangbo, director of Sanlian Group, presented the honorary certificate and bonus to 13 advanced individuals.

At the end of the conference, Professor Jin Huiqing, founder of Sanlian, delivered a speech. He said that after 30 years of hardship and brilliance, Sanlian has examined in retrospect, explored in reflection and

prospected in summary. He to all Sanlian people issued an order of "starting the 3rd venture to build Sanlian a century old corporation".

He pointed out that the "Century Old Corporation" is the lofty goal of Sanlian and the spiritual strength of all Sanlian people. In the great journey, we should firmly adhere to the development direction, adhere to the established policy, keep pace with the times, and innovate and develop. All people do not care about present success, do not care about a moment of frustration; The time changes, the original intention does not change, the time changes, the sentiment does not change; Keep pace with the times, always keep passion, not arrogant. Generation after generation of Sanlian people are realizing the dream of Sanlian, and contribute to the "Century Old Incorporation"; Generation after generation of Sanlian people, with one heart in the same direction, jointly build a Sanlian dream with native land emotion.

Professor Jin Huiqing hopes that all Sanlian

people will stick to their original intention and shoulder the mission, cherish the platform and the post, ignite passion, collaborative innovation, step by step to start the great journey of Sanlian's third venture! Spare no efforts to achieve the dream of "Century Old Incorporation!"

In the warm applause, Professor Jin Huiqing held the sail rope and slowly raised the sails composed of the flags of various units on the ship. Listen, Sanlian's clarion call has been sounded; Look, the Great Voyage of Sanlian's "3rd pioneering efforts" has set sail! Under the guidance of Xi Jinping Thought on Socialism with Chinese Characteristics for a New Era, and under the leadership of Professor Jin Huiqing, all the Sanlian people will keep their original aspirations, assume the mission, seek new chapters, open a new chapter, work together in the same boat, forge ahead, and create a better Sanlian future.

The party was brightly lit and crowded with friends. Deputy Secretary of the Party Committee of Anhui Sanlian College and Vice President Lu Xianchang gave a toast and toasted three glasses to the guests. The first cup of wine thanked friends from all walks of life for their concern, support and help for Sanlian over the past 30 years, and the second cup of wine thanked the founder of Sanlian, Professor Jin Huiqing and entrepreneurial veterans, providing the development platform and growth opportunities for Sanlian's teachers and students. The third cup of wine is to thank colleagues who have accompanied and worked side by side along the way. In the future, Sanlian people will continue to walk hand in hand to overcome difficulties, bravely shoulder the mission and contribute to the third venture of Sanlian!

Afterwards, the party opened in a magnificent, cheerful and vivid opening song and dance drama "Sanlian Prosperity". Dances of "Traffic Safety, Start with Me", "Charming Zhuke School", and "Robots Riding the Wind and Waves", the song of "Sanlian

Firmly Believe Love Will Bring Victory", the creative show of "Sanlian Ode", the chorus of "Sanlian Will Not Forget", and "Everyone Paddling to Drive the Big Boat" presented at the ceremony. Wonderful programs followed one after another, winning bursts of applause from the guests. The whole evening party was magnificent, passionate, cheerful and festive, with passionate songs, singing the heartfelt blessings of the Sanlian people for the 30th birthday. A section of graceful and energetic dance, jumps out of the Sanlian people's high-spirited fighting spirit to build a dream for a century. Accompanied by the majestic music, Professor Jin Huiqing came to the stage to sing the "Sanlian Song" with the members of the board of directors, the board of supervisors and the leaders of Sanlian at all levels. At the end of the party, in the joyous birthday song, the founder of Sanlian, Professor Jin Huiqing, led all the leaders of Sanlian to cut cakes and wished the best for Sanlian, wishing Sanlian a happy 30th birthday! So far, Anhui Sanlian Group's "Standing at 30, Building a Dream for Centuries" Gala and Anhui Sanlian Group's 30th Birthday Celebration Dinner came to a successful conclusion.

Riding the wind and waves for thirty years, we are creating a dream for building Sanlian a century-old corporation before sailing. Under the guidance of Xi Jinping's thoughts on socialism with Chinese characteristics in the new era, and under the leadership of Professor Jin Huiqing, the Sanlian people in the new era will strive forward with full enthusiasm, seize the time, and forge ahead with a pioneering spirit. In the inheritance and struggle, we will create a century-old foundation and engraved a century-old glory!

## Anhui Sanlian University and Anhui Sanlian Transportation Application Technology Co., Ltd. Hold School-Enterprise Cooperation Conference

On the morning of April 22, 2021, Luo Wenqi, Zhao Dan, Wu Yuesong, deputy general manager of Anhui Sanlian Transportation Application Technology Co., Ltd., and other six people visited the school to discuss school-enterprise cooperation. The conference was held in the T412 conference room of the library. Vice presidents Jiang Fagen and CAI Wenfen, as well as heads of School of Communications Engineering, School of Mechanical Engineering, School of Computer Engineering, School of Electronic and Electrical Engineering, School of Robotics Engineering and Practice Teaching Department attended the fair. Jiang

Fagen presided over the meeting.

At the meeting, the school and enterprise first exchanged and discussed the construction of the Sanlian engineering technology teaching reform class, and reached a consensus on cooperation. After that, the two sides exchanged views on how to deepen the school enterprise cooperation. Wu Yuesong pointed out that the school is a stable talent "reservoir" of the company, as well as a practitioner, contributor and witness of the company's growth. As always, the company will create conditions to serve the school's talent training. Zhao Dan pointed out that this year is the 30th anniversary of the founding of the group and the first year of the "3rd pioneering" of the group. Promoting the cooperation between the company and the school is a natural, inevitable and practical move. Both sides should pay attention to the refinement of the existing cooperation content, learn from the advanced mode, and make solid progress to adapt to the new situation. Luo Wenqi pointed out that the company and the school have maintained a stable and effective school enterprise

cooperation. In the next step, the two sides should strengthen the frequency of interaction, visit frequently and cooperate more to form a continuous normalization mechanism, and carry out in-depth cooperation within the Group.

Cai Wenfen pointed out that the cooperation between the school and the company has a solid foundation and a bright future. The cooperation between the two sides can open up space in the whole process of talent cultivation, form characteristics and typical cases, and support the needs of teaching reform.

Finally, Jiang Fagen put forward suggestions on the next step of cooperation between the two sides. He stressed that the cooperation between the school and

the company should be based on the basis and needs of both sides, anchor the development goal of integration of production and education, actively explore new modes and paths of school enterprise cooperation within the group, and highlight the new characteristics of two wheel drive and collaborative education inside and outside the group. The school and enterprise promote the whole process and all-round cooperation from the disciplines, team building, scientific and technological innovation, teaching resources, talent training and other aspects, and build the industry education integration community, and serve the Group's industry university research integration development strategy.

## The Unveiling Ceremony of School Enterprise Cooperation and the Launching Ceremony of Internship of Red Cross Medical School was Held In Jinzhai

After more than a month of in-depth exchanges and field visits, Anhui Red Cross Health School and Anhui Younanshan Health Care Group have reached a strategic cooperation agreement to carry out comprehensive cooperation in curriculum construction such as geriatric nursing. On April 12, 2021, the unveiling ceremony of school enterprise cooperation and the launching ceremony of internship between Anhui Red Cross Health School and Anhui Younanshan Health Care Group was held in Yanzihe Younanshan Health Care Center of Jinzhai County. Wang Ming, deputy director of the Civil Affairs Bureau of Jinzhai County, Yang Linhan, Secretary of the Party Committee of Yanzihe Town, Jinzhai County, Xia Yuanbing, President of Yanzihe Town Health Center, and Fang Jinsong, secretary of the Party branch of Red Cross Health School, Hong Mei, president of Red Cross Health School, and other school and enterprise leaders attended the ceremony, which was presided over by Chai Liming, general manager of Western Anhui Region of Younanshan Health Care Group.

First of all, Tai Yunzhou, chairman of Younanshan Pension Group, delivered a speech. He was full of expectations for school enterprise cooperation. He hoped that the two sides could make use of their respective advantages to jointly cultivate application-oriented skilled talents for the society and enterprises, so that students could get more development space while getting practical training. He hoped that based

on this cooperation, the two sides could build a road of integration of production, education and research, and promote the common development of both sides.

In her speech, Hong Mei, President of Red Cross Health School, first expressed her gratitude to Younanshan Pension Group for their cooperation. Through school enterprise cooperation, she hopes to promote the reform of school teaching and talent training mode, improve students' practical ability, promote professional construction and teaching reform, promote the construction of teaching staff, better solve students' internship and employment problems, improve the school's ability to serve the local economy and society, and realize the win-win goal for both the school and the enterprise.

Wang Ming introduced the development of pension service in Jinzhai County, and recognized the pension group entrusted by Younanshan group in Jinzhai County. He hoped that both sides would strengthen cooperation, so that the trainee students could be guided by practice with theory, enriched theory maintenance with practice, and achieve fruitful results through mutual communication and coordination.

Yang Linhan made a speech from three aspects: thanks, hopes and demands. He expressed his gratitude to the school for arranging trainees to go to Yanzihe Town for internship; He hoped that both sides would cherish the opportunities and take the road of school enterprise cooperation deeper and further. He hoped

that the trainee students would grasp the opportunity of internship, start bit by bit and continue to grow; He asked the trainee units to put the safety of trainee students in the first place, always pay attention to the safety of students, and also the trainee students should abide by various rules and regulations.

Xia Yuanbing gave a brief introduction to Yanzihe Town Health Center and expressed his gratitude to the students for coming here for internship. He hoped that all the interns would study hard, strengthen practice experience, carry forward the spirit of Nightingale and become an excellent medical worker as soon as possible.

Qiu Qing, a student of NO.3 of 2018 higher vocational class, spoke on behalf of all the interns. She said that she would seize the opportunity of internship, abide by the rules and regulations of both sides, and promote her own growth through internship.

Subsequently, Yang Linhan, Tai Yunzhou, Fang Jinsong and Hong Mei jointly unveiled the brand.

Finally, all the guests took a group photo.

Relying on the joint construction of the elderly nursing training base, the two parties of this school-enterprise cooperation will jointly form a team of teachers and develop the elderly nursing training textbooks. Students, through 1-2 weeks of base internships, would strengthen theoretical learning and practical exercises. They will feel the prospects of the future integrated medical care model in advance, take love for the elderly, care for the elderly, and helping the elderly rooted in the hearts, and let the Red Cross spirit of "humanity, fraternity, and dedication" sing in every corner.

## The Core Technology of Sanlian's Artificial Intelligence-Based Driver Test System Won the National Invention Patent

On February 12, 2021, the State Intellectual Property Office issued an authorization announcement, Sanlian Transportation Company's "Deep Learning-based Driver's Head Posture Monitoring Method, System, Medium and Equipment" was the first to win the invention patent certificate (Patent No. ZL201710716168.6).

According to Order No. 139 of the Ministry of Public Security, motor vehicle drivers need to observe left and right when passing intersections, schools, crosswalks, etc. during the subject test. In addition, they need to use the left and right rearview mirrors and inner rearview mirrors when starting and stopping, and look back to observe the traffic from behind. In the past, the conventional detection methods in the industry had a high rate of misjudgment, which caused trainees to complain from time to time.

The company's R&D team extracts driver posture and other data, uses deep learning and other technologies to perform computer algorithm processing including face detection, focus detection,

etc., overcomes the key technology of driver subject test posture evaluation, and effectively solves the existing driving test problems including the high hardware cost, weak algorithm robustness, low information utilization rate, and low accuracy of facial motion monitoring results in the system. This realizes the objectivity and accuracy of posture evaluation in the motor vehicle driving test and reduce labor costs.

Sanlian's examination products using this key technology can save 60% of the police force for the examination management platform and increase the efficiency of supervision by 80%. In September last year, products using this technology made a brilliant appearance at the "decentralization service" reform of the national deepening public security traffic management and the standardized construction of the vehicle management office held by the Traffic Management Bureau of the Ministry of Public Security. Thus this technology is highly affirmed by the leadership of all levels.

## SATTC Held an Enlarged Meeting of Management Team to Study the Development Strategy of Smart Transportation and Smart City Division

On March 10, 2021, Sanlian Transportation Company held an expansion meeting of the management

team to focus on researching important strategies for further accelerating the development of the business unit. Professor Jin Huiqing, the founder of Sanlian and the chairman of the company, gave important instructions, and General Manager Wang Jiangbo presided over the meeting.

At the meeting, Deputy General Manager Zhao Chong read out the company's relevant leadership appointment and dismissal documents, and decided to appoint Jin Lai as the company's technical director, Wu Yuesong as the company's deputy general manager, and Cui Heming as the company's financial director. The new leading cadres made a statement at the meeting, expressing that they will live up to their trust and fulfill their duties, work hard in their respective positions, and make due contributions to the grand cause of Sanlian's "third entrepreneurship".

The leaders attending the meeting successively listened to the business plan reports of the Smart Transportation Division and the Smart City Division respectively made by Deputy General Manager Pan Tao and Deputy General Manager Tang Yi, and carefully discussed the major important measures to further accelerate the development of the division. Chairman Jin Huiqing finally made a concluding speech. He pointed out that human resources is an important guarantee for Sanlian to complete the "third entrepreneurship". It is

necessary to promote young talents to entry important positions, accelerate the echelon construction of management teams, and cultivate a high-level talent team that recognizes Sanlian culture and abides by Sanlian spirit.

Chairman Jin Huiqing emphasized that it is necessary to further attach great importance to the development planning of technological innovation, strengthen the forward-looking layout of cutting-edge technology fields, increase R&D investment, and lead the technological progress and technological innovation of smart traffic safety. The development strategies of the Smart Transportation Division and the Smart City Division are directly related to the development prospects of Sanlian Transportation. The division team must work together, take advantage of the momentum, and take the initiative to seize market opportunities, strengthen communication and expansion with target customers, and strive to achieve new breakthroughs in key areas and key links, and make unremitting efforts to achieve the development of the two major business divisions during the first "3-1" planning period of the "Third Entrepreneurship" of Sanlian.

Company Deputy General Manager Luo Wenqi, Technical Director Jin Lai, Deputy General Managers Zhang Shulin, Xiang Xiangyong, Li Zhiguang, Wu Yuesong, Chief Financial Officer Cui Heming, Assistant General Manager Wang Jinggang, Lu Xuanwei, Dong Xianxin, Zhang Congxi, Zhang Yan, Human Resources Director Guo Ke and related colleagues from different business units attended the meeting.

## Anhui Sanlian Applied Traffic Technology Company Helps Human to Open the Curtain of Intelligent Judgment of Motorcycle Test

On March 31, 2021, an inspection expert group composed of relevant leaders from the Traffic Police Headquarters of the Hunan Provincial Public Security Department, the Traffic Police Detachment of the Changsha City Public Security Bureau, and the Changsha Public Security Bureau Traffic Police Brigade, conducted a report to Sanlian Transportation Company in accordance with the standards issued by the Ministry of Public Security. The test equipment and test venues of the motorcycle intersection test center in Changsha County were inspected in detail, and finally passed the acceptance test successfully, marking that Hunan Province's first full-subject intelligent test center for motorcycles is about to be officially put into use and kicked off the intelligent judgment of motorcycle test in Hunan Province.

The Junction Motorcycle Test Center Project covers an area of 2,750 square meters, with a construction area of 274 square meters. The examination room has three types of examination models: D level license of three-wheeled motorcycle, E level license of ordinary two-wheeled motorcycle, and F level license of moped motorcycle, which meet the requirements of all the motorcycle tests. Among them, test subject two and subject three are equipped with standardized test items. The test room adopts the intelligent evaluation system of the new generation SL2402 motorcycle subject test of Sanlian Transportation, AI machine vision algorithm, and realizes all-round and accurate evaluation of motorcycle tests. Theoretical examination terminal of subject one all adopts desktop cloud technology to realize the disklessness of theoretical examination terminal, effectively solve the problem of PC-side management of theoretical examination, prevent all kinds of fraudulent behaviors, and realize comprehensive management of the examination

terminal. The examination room is equipped with the Sanlian Transportation Motorcycle Intelligent Exam Judging System, which will consider about 150 people per day in the future, which greatly improves the efficiency of the examination. The project entered the site on March 14 and started, completed on March 28, and was successfully accepted on the 31st. It once again demonstrated to customers the ability of Sanlian to build an efficient examination room and the ability to perform rigorously and responsibly.

The Sanlian Traffic Motor Test System has realized full vehicle coverage, full compatible design, and full subject support. The original "3+X" intelligent evaluation mode highlights the safety awareness assessment of examinees. Subject three can be adapted to local conditions, freely combined, and flexible according to the actual situation of the site. The combination of artificial intelligence and machine vision can help motorcycle examinations to accurately and intelligently judge in an all-round way. The audio and video supervision of the whole examination process is supervised, and the examination room is unattended throughout the whole process, which effectively improves the intelligence level of the examination room and the efficiency of examination supervision.

In the future, Anhui Sanlian Applied Traffic Technology Company will continue to use its own scientific research advantages, continuously improve examination room construction capabilities and service levels, help local motorcycle intelligent evaluation systems to be implemented, and promote the implementation of reform measures of the Traffic Management Bureau of the Ministry of Public Security.

## **Carrying Forward the Traditional Culture, Paper Cutting Art of Anhui Sanlian University Adds Luster to The People's New Year Of Anhui Province**

At the beginning of the new year, Mr. Zhou Ming, director of Anhui Intangible Cultural Heritage Education Base, director of Anhui Sanlian University Paper Cutting Art Research Center and master of arts and crafts of Anhui Province, was invited to participate in the recording of 2021 Anhui Satellite TV Spring

Festival Gala. In the program, she skillfully integrates the paper-cut art into the modern art style, presenting the characteristics of Chinese intangible cultural heritage to the audience, adding a different flavor to the New Year of the Ox. After the party was broadcasted, it was reported by many mainstream media and attracted

great attention.

On February 14, 2021, in order to celebrate the New Year of The Ox, Anhui Daily published more than ten works created by Mr. Zhou Ming and works by

other famous paper-cut artists. Teacher Zhou Ming's work "Happy Cow" uses the art of paper-cut to express people's expectations for a happy life in the Year of the Ox, which is highly praised by readers.

Intangible cultural heritage has a unique beauty, Anhui Sanlian College as Anhui intangible cultural heritage education base, and the School Paper-Cut Art Research Center shoulders the important task of continuing the blood of paper-cut art and culture. The paper-cut art's showing upon the mainstream media platform can let more audiences know this folk art.

## Anhui Sanlian University's "New Media Center for League Studies" Won the Title of "Top 100 National College Media in 2020"

On March 23, 2021, the winners of the "2020 · Finding Top 100 School Media" activities jointly launched by China Youth Daily and China Youth School Media were officially released. The "New Media Center for League Studies" of Anhui Sanlian University from more than 1,200 companies across the country stood out and won the title of "Top 100 National College Media in 2020", and instructor Wu Qi was awarded the title of Excellent Instructor of "Top 100 National College Media in 2020".

It is reported that this selection activity aims to let more college students understand campus media and further expand its influence through online display of school media brand activities and high-quality content. The selection criteria is a comprehensive evaluation of indicators such as campus influence (35%), brand activities (20%), and high-quality content (45%). At the same time, it integrates factors such as province, WCI, and development ability. After preliminary review, re-review, and final review, the final selection created.

2020 is a year to build dreams, to pursue dreams, and to be diligent in realizing dreams for the school's New Media Center. This year, the New Media Center of

the Youth League paid close attention to hot topics of youth, launched creative columns, created youth cultural products, continuously strengthened positive publicity, consolidated and expanded the communication matrix, established online alliances for youth groups, and promoted the campus team. The pattern construction is very effective, allowing young people to strengthen theoretical learning, grasp the latest campus information, understand current affairs and hot spots, and explore social issues through the new media platform. It is guiding the majority of young people to more consciously enhance the "Four Consciousnesses", strengthen the "Four Self-Confidence", and achieve the "Two Safeguards", which has greatly promoted the vigorous development of the school network ideological and political education work, and has made achievements in youth ideological guidance. The fruitful results have formed a lively situation with organizational strength as the support, leadership as the traction, and service as the impetus, full coordination and overall enhancement of attractiveness, cohesion, and combat effectiveness.

## Remember the Great Achievements of the Martyrs and Inherit the Spirit of Heroic Struggles

—Sanlian Students Carry out Patriotism–Themed Education Activities to Pay Tribute to the Centenary of the Founding of the Party

In order to guide young students to remember revolution history, cherish the memory of revolutionary martyrs, and cultivate their sense of historical mission and responsibility, on March 28, 2021, the Youth League Committee organized more than 100 student backbones to carry out the patriotic educational activities with the theme of "Remember the Great Achievements of the Martyrs and Inherit the Spirit of Heroic Struggle" to inherit the "Red Gene", and pay tribute to the centuries of founding the Party.

The Sanlian students wore the emblem, with respect and solemnity, paid homage to the "Jianghuai Heroes and Immortals" monument, paid tribute to the martyrs, presented flowers and line up to sing the national anthem and group anthem in front of the monument. The singing is powerful and magnificent. Afterwards, they reviewed the vows of joining the League. The words were sonorous and forceful, expressing the firm belief in unswervingly abiding by the original aspiration and working hard to take on the mission. It deepened the thinking of the members, and showed the positive spirit of the students of the Sanlian University. After the ceremony, the rubbish

around the martyrs' cemetery was cleaned up, and the wind of civilized sacrifice was promoted.

A century of youth is committed to the party and strives to set sail on a new journey. Through this patriotism–themed education activity, recalling the past and looking forward to the future, as a new generation of young people, we must take the martyrs as an example, study hard, be determined to become talents, continue to inherit and carry forward the glorious traditions of the predecessors, not forget the original aspirations, and keep in mind the mission and forge ahead.

## Popularization of Health Sciences on Campus Leads to Healthy Growth of Students

### ——Zhuke Technical School Held a Lecture on Hygiene and Health

In order to improve campus hygiene standards and awareness of hygiene and safety, and effectively promote the health of teachers and students, on the afternoon of April 14, 2021, Zhuke Technical School held a lecture on hygiene and health in the B01 Academic Lecture Hall of Anhui Sanlian University. Teachers and student representatives participated.

Spring is the season of high incidence of various infectious diseases, and school personnel are relatively concentrated, which is more likely to cause the spread of infectious diseases. This lecture was lectured by Li Min from Anhui Red Cross Health School. The lectures were conducted on two themes of the prevention and control of the COVID-19 and the prevention of the spring flu. At the beginning of the lecture, Li Min made the students deeply realize the importance of health through the video broadcast and PPT presentations of the epidemic, and reminded the students to take the epidemic seriously and take preventive measures. Afterwards, Li Min explained the common cases in daily life to the students and

pointed out the correct solutions to the corresponding symptoms. Finally, Li introduced to the students the knowledge of brain hygiene, eye hygiene, personal and environmental hygiene, as well as the names, symptoms, transmission routes, preventive measures, and how to diagnose and treat common infectious diseases during school study. During the lecture, Li actively interacted with the students, demonstrated the techniques of cardiopulmonary resuscitation, and enthusiastically answered the questions raised by the students.

The smooth development of this lecture gave the students a better understanding of health knowledge in daily life, enhanced the understanding of the prevention of infectious diseases among teachers and students of the whole school, safeguarded the health and life safety of teachers and students, and laid a solid foundation for the construction of a healthy campus.
