

铆足“闯”劲 积蓄“创”能

日月其迈，时盛岁新。

2021年是三联发展历程中具有里程碑意义的一年。

这一年，我们沉着应对世纪疫情和时代变革所带来的机遇与挑战，隆重庆祝安徽三联集团成立三十周年、有序开展“两会一层”换届工作，奋力完成“三一”年度计划，实现了“三一”规划的良好开局。

产教融合多点开花、内外飘香。上海板块聚焦前沿信息，不断延伸校企合作链条，持续拓宽产教融合渠道，为沪皖两地校企合作铺路架桥。三联学院、红会卫校、竹棵技工分别与集团内外企业开展深度产教融合，三联交通入选首批市级产教融合型企业建设培育单位。

三联教育步伐整齐、提速发展。三联学院报到新生总数突破5000人大关，综合报到率再创新高。马院教师高元龙同志荣获教育部授予的全国民办高校唯一的、安徽省高校唯一的“全国高校思政课教学展示暨优秀课程观摩活动特等奖”。红会卫校报到新生总数突破该校最高纪录！竹棵职教谋篇布局，迎新政东风“扬帆起航”。

三联产业创新赋能、生机勃勃。三联交通夯实基础，守正创新，承接公安部部级课题，开拓军交运输新领域，开启线上销售新模式。三联机器人继续积累企业资质，参与起草编制的首个行业标准《床椅一体机》已正式实施，首款临床医疗设备“康复用下肢外骨骼机器人”成功通过医疗器械检测。

盘点2021，我们与时代发展同频共振，在“三一”规划的开局之年勇毅前行，以永不懈怠的精神状态、一往无前的奋斗姿态，书写出三联高质量发展的新篇章。

展望2022，我们乘着祖国发展的澎湃春潮，铆足“闯”劲，积蓄“创”能，在新征程上展现新气象、塑造新优势，努力创造无愧于时代的新业绩。

百舸争流千帆竞，扬帆破浪奋者先。相信在创始人金会庆教授的领航把舵和新一届领导集体的正确领导下，三联将继续遵循16字核心价值观，全面实施“三一”规划，以“咬定青山不放松”的执着和“不破楼兰终不还”的决心，在奋进“三次创业”和逐梦“百年老店”中谱写新的辉煌！

安徽三联集团隆重举行2021年度表彰大会

2022年1月27日上午11时，安徽三联集团2021年度表彰大会在三联交通公司多功能厅隆重举行。三联创始人金会庆教授，安徽省教育督导专员、安徽三联学院党委书记李明阳，三联集团董事长余皖生，三联集团执行总裁金馨，三联集团监事会主席金美莲等领导出席大会。参加大会的还有三

联集团全体董事、监事，三联元老，三联集团及所属各单位助理及以上高管人员。三联集团董事长张树林主持会议。

大会在庄严的国歌和三联歌声中拉开帷幕。三联集团董事长梅珑宣读《关于表彰安徽三联集团2021年度“先进集体”及“先进个人”的决定》，

共表彰 12 个先进集体、12 个先进个人。三联创始人金会庆教授为三联集团先进集体颁发锦旗及奖金；三联集团执行总裁金馨、三联集团监事会主席金美莲分别为先进个人颁发荣誉证书及奖金。安徽三联学院财会学院执行院长王峰、安徽三联交通应用技术股份有限公司拓展部广州分公司副总经理余磊分别代表先进集体、先进个人发言。

随后，三联集团董事长余皖生致辞。他首先向受表彰的先进集体和先进个人表示热烈祝贺，接着他从产教融合、三联教育、三联产业三个方面全面盘点了三联 2021 年的发展成绩。展望 2022 年，他表示相信在三联创始人金会庆教授的领航把舵和新一届领导集体的正确领导下，三联将以饱满热情和旺盛的斗志，全面完成虎年目标！

大会最后，三联创始人金会庆教授作重要讲话。他指出，面对 2021 年严峻疫情形势，三联人同心协力、攻坚克难，在“第三次创业”的开局之年交出了一份亮眼成绩单。他强调，在三联深化创

新发展、推动转型升级的新时期，三联人要始终秉持“归零”心态，一步一个脚印，一棒接着一棒，于挑战中迎机遇，于变局中开新局，风雨无阻向前进，在奋力奔跑和接续奋斗中成就“百年老店”的三联梦！

在热烈的掌声中，安徽三联集团 2021 年度表彰大会圆满落幕。

三联交通公司顺利完成“两会一届”换届工作

——王江波、罗文其、金馨同志分别当选董事长、监事会主席、总经理

2022 年 1 月 26 日下午，三联交通公司隆重召开全体员工大会。三联创始人金会庆教授，三联集团董事长余皖生，三联集团监事会主席金美莲，三联集团财务总监王珺，三联集团首席项目官张世伟等集团及兄弟单位领导出席大会。公司经营班子和全体在肥员工出席大会。

大会首先由三联集团董事长余皖生宣读了公司新一届班子组成方案。此前，公司于 26 日上午分别召开 2022 年第一次临时股东大会、第五届董事会第一次会议和第五届监事会第一次会议，选举金会庆、王江波、潘涛、金馨、方向勇、侯玉东、熊焰、李姚矿、李旸为公司第五届董事会成员，其

中熊焰、李姚矿、李旸为独立董事，王江波为公司董事长，潘涛为公司副董事长，决定聘任方向勇为

公司董事会秘书；选举罗文其、唐祖佳为公司第五届监事会非职工代表监事，与25日公司职代会选举的职工代表监事张燕共同组成公司第五届监事会，罗文其为公司监事会主席；决定聘任金磬为公司总经理，方向勇、赵翀、金来、吴岳松、杨晓东、胡森为公司副总经理，方向勇兼财务总监。

新班子迎接新机遇，新天地展现新作为。公司新任董事长王江波、新任总经理金磬分别在会上作就职发言。王江波董事长表示，将义不容辞履行应尽的责任和义务，努力做到权为股东所用、利为股东所谋、事为股东所为、情为股东所系，以良好的工作态度及百倍的努力来回报股东与董事的寄托与期望。金磬总经理表示，将抓住历史机遇，充分立足传统优势，加大研发投入，积极培育新模式和新业态，为三联交通在三联“第三次创业”期间实现跨越式发展增添新光彩，为实现三联“百年老店”

远大目标作出更大贡献。

在热烈的掌声中，三联创始人金会庆教授发表重要讲话。他指出，过去的一年是三联“第三次创业”的开局之年。在公司董事会、经营班子以及每一位三联交通人的共同努力下，公司在市场、工程、研发、生产等多个方面，取得了一系列可喜成绩。

金会庆教授强调，在“第三次创业”的新时期，公司顺利完成了经营班子的更新换代，谨向公司上一届经营班子表示诚挚的感谢，向公司新一届经营班子表示热烈的祝贺！今后工作中要永葆一颗创业者的心，学会将过去一切业绩和挫折抛于脑后，做到重新归零。相信三联交通定能在新一届经营班子的带领下，全员上下，戮力同心，用奋斗把握机遇，以担当应对挑战，共同谱写三联交通发展新篇章！

安徽三联学院与三联交通公司共建第二届三联工程技术 “双元班” 开班仪式成功举行

为深化产教融合及教育教学改革，实现学校人才培养与社会需求无缝衔接，提高人才培养质量和社会服务水平。2022年2月23日，安徽三联学院与安徽三联交通应用技术股份有限公司共建第二届三联工程技术“双元班”（下简称“双元班”）开班仪式成功举行。安徽三联交通应用技术股份有限公司人力资源部总监郭珂、拓展支持部主任马静、

招聘主管柳家牛，安徽三联学院副校长蔡文芬、实践教学部部长王力、交通工程学院教学副院长江胜月及辅导员代表、第二届三联工程技术“双元班”全体学生参加开班仪式。仪式由交通工程学院执行院长凤鹏飞主持。

“双元班”采用校企共育的人才培养模式，在企业高管和高级工程技术骨干带领下，开展企业生

产实践和工程技术学习，以提高学生的专业知识和岗位技能。“双元班”的培养分为两个阶段，一是专家来校现场授课，二是赴企业集中实践达到理论与实践的统一。理论学习完成后将进行考核上岗实习，有效解决了“课堂-岗位的最后一公里”瓶颈问题。

郭珂对“双元班”的开班表示祝贺，并简要介绍了安徽三联交通应用技术股份有限公司的发展历程和主要业务范围，同时对“双元班”同学们的学习提出殷切希望。

蔡文芬在讲话中从“双元班”建班意义、如何学习、学习收获三个方面展开分析，并强调了“双元班”的教学管理、教学考核、实习上岗条件等要求，她期待本届“双元班”能够做到引领示范的效果，对深入推进集团内资源互补、产教融合发展起到带动辐射作用。

“双元班”全体同学纷纷表示安徽三联交通应用技术股份有限公司是交通学科学子施展才华的“大舞台”，一定会好好把握和珍惜此次学习历练

热烈祝贺第二届三联工程技术“双元班”开班

的机会，乘开班仪式之东风，扬交通安全之壮志。

近年来，安徽三联学院与集团内外企业形成了良好的互动合作关系，先后与安徽三联交通应用技术股份有限公司、安徽交通建设股份有限公司等十余家行业内知名企业建立了双元班、冠名班、工作室等。这是学校内涵式发展的新目标，是加快学校转型发展的新要求，今后学校将以校企产教融合发展为驱动，不断探索合作育人的新模式，进一步提高应用型人才培养质量。

安徽三联学院与泰禾智能科技集团共建实习实训基地

2021年12月30日，安徽三联学院机器人工程学院与合肥泰禾智能科技集团股份有限公司在泰禾产业园举办共建实习实训基地签约授牌仪式。企业代表潘胡平与机器人工程学院执行院长王兴签约，共同为实习实训基地揭牌。

仪式上，王兴介绍了机器人工程学院基本情况和所取得的教科研成果；潘胡平介绍了公司的发展历程、客户分布等基本情况；校企双方根据优势互补、资源共享、互惠双赢、共同发展的合作原则就共建实习实训基地事项展开讨论，围绕人工智能技术研发、课程设置、实习实训、就业指导等方面内容深入交流。

共建实习实训基地能够充分发挥校企双方优势，有效探索创新型、应用型人才联合培养新模式，促进人工智能产业发展，加强人工智能相关专业建设。

2021年度安徽省普通高校交通信息与安全重点实验室 学术委员会会议在安徽三联学院顺利召开

2022年1月11日，2021年度安徽省普通高校交通信息与安全重点实验室（以下简称“重点实验室”）学术委员会会议在安徽三联学院图书馆518会议室举行。安徽三联学院副院长张世伟，重点实验室学术委员会主任、合肥工业大学教授张卫华及安徽省公安厅交警总队科技处处长胡博等6名委员出席会议，校科研处处长罗忠、重点实验室各研究方向负责人及科研骨干教师代表等参加会议。会议由重点实验室执行副主任、交通工程学院执行院长凤鹏飞主持。

会议回顾了重点实验室2021年度建设任务，结合任务对2019-2021年主要科研成果、企业合作、学术交流、实验室建设、课题研究等方面工作进行汇报，并对下一阶段重点工作进行展望和部署；重点实验室办公室汇报了2022年开放课题评审要求、评审过程及评审结果，按要求评选出《结合绿色建筑材料的慢行交通优化设计研究》等5项课题作为资助建设对象。

重点实验室学术委员会专家们充分肯定了实

验室建设和科研成果，能够按照安徽省教育厅重点实验室管理办法（皖教科〔2017〕1号）相关要求认真执行建设。三年来，在科研队伍、实验平台、人才培养、经费投入、运行管理等方面取得卓有成效的成绩。专家们就如何更好地提升实验室建设水平、实现高质量发展提出意见和建议。

最后，张世伟感谢各位专家为重点实验室的建设与发展积极建言献策，实验室三年来的建设成果离不开学术委员会专家们的支持与关爱。重点实验室作为学校重点打造的科研平台，始终以安徽省教育厅建设要求为准绳，结合安徽三联学院交通安全特色，为特色强校、学科建设、硕士点学位建设等提供重要支撑。学校将以重点实验室建设为契机，进一步完善建设制度，提升课题建设质量，更好地为“交通强国”“一带一路”建设作出自己的贡献。同时，也期待加强与安徽省公安厅交警总队、合肥工业大学及国家车辆驾驶安全工程技术研究中心的紧密合作，打造一流的交通安全科研平台。

三联交通公司 2021 年度总结表彰大会圆满举行

2022 年 1 月 26 日下午，三联交通公司隆重召开 2021 年度总结表彰大会。三联创始人、公司董事长金会庆教授，三联集团董事长余皖生，三联集团执行总裁金磬，三联集团监事会主席金美莲，三联集团财务总监、公司监事会主席王珺，三联集团首席项目官、三联学院副校长张世伟，三联机器人公司副总经理王瑞友等集团及兄弟单位领导出席大会。公司经营班子和全体在肥员工出席大会。

大会由公司副总经理方向勇主持。在嘹亮的三联歌声中，大会拉开序幕。14 个部门负责人先后作 2021 年度述职报告。公司总经理王江波代表经营班子作公司年度工作报告。他指出，2021 年在多重因素影响下，各项工作成绩取得实属不易。展望 2022 年，内外经营形势将持续好转。有集团的坚强领导、有经营班子的担当尽责、有全体员工的

奋楫争先，三联交通的明天会更好！

随后，公司副总经理赵翀宣读了公司先进表彰文件。在热情欢快的音乐声中，金会庆董事长为受表彰的年度先进集体颁发锦旗和奖金并合影留念；王江波总经理和公司副总经理罗文其、潘涛分别为受表彰的年度先进个人颁发荣誉证书和奖金并合影留念；公司技术总监金来为受表彰的年度研发突出表现奖得主颁发荣誉证书和奖金并合影留念。研发中心软件部软件开发蒋雨、办公室行政主管丁娟娟分别代表先进集体和先进个人发言。

“大鹏一日同风起，扶摇直上九万里”，2022 年，三联交通将进一步发挥行业领军企业优势，抢抓发展新机遇，踔厉奋进、乘风破浪、砥砺前行、再创辉煌！

三联交通公司隆重举行 2021 年度市场营销表彰暨 2022 年度“点将出征”誓师大会

2022年2月14日，三联交通公司隆重举行2021年度市场营销表彰暨2022年度“点将出征”誓师大会。三联集团董事长余皖生，安徽省教育督导专员、三联学院党委书记李明阳，三联学院党委副书记、副校长鲁先长，竹稞职教公司总经理朱熔，三联集团首席项目官、三联学院副校长张世伟，三联机器人公司总经理梅珑，安徽红十字会卫校党总支书记、董事长方劲松，校长洪梅等集团和兄弟单位领导出席大会。公司领导班子和全体在肥员工出席大会。

大会由公司副总经理胡森主持。在嘹亮的三联歌声中，大会正式开始，大会首先进入“表彰篇”——“长风破浪会有时，直挂云帆济沧海”。公司副总经理吴岳松宣读了2021年度公司市场营销突出贡献团队奖励文件。随后，公司董事长王江波，副董事长潘涛，总经理金磬，副总经理金来、吴岳松、

杨晓东分别为获奖团队颁奖并合影留念。公司拓展部广东办事处主任余磊代表获奖团队上台发言。公司副总经理赵翀宣读了公司机构调整相关文件。

市场营销表彰后，大会进入“誓师篇”——“烟暖土膏民气动，春雷惊笋破土出”。在一段震撼人心的VCR之后，金磬总经理上台致辞，他表示，春雷惊笋，破土而出的生命总会给人带来温暖，带来希望，带来向上的力量。今年是公司组织架构调整的元年，也是智慧交通事业部和智慧城市事业部的培育孵化期，相信在事业部同仁共同努力下，两大事业部定会像雨后春笋般节节攀升，担当起育新机、开新局的重要使命。

在催人奋进的鼓点声中，智慧交通事业部、智慧城市事业部携相关部门负责人先后上台与金磬总经理订立协同合作责任状，齐声誓师，饮酒壮行；随后，开发部、生产部、行政部、人力资源部、法

务部、财务部、市场部等后台保障部门代表集体上台与金磬总经理订立协同合作责任状，齐声誓师，饮酒壮行。

大会进入“点将篇”——“黄沙百战穿金甲不破楼兰终不还”。今年1月，公司董事会、监事会和经营班子顺利完成换届，公司组织架构也作了优化调整，大力培养和选拔年轻中坚力量，造就出一批开疆拓土的将官。为此，本年度誓师大会在形式上别出心裁，效仿了中国古代“点将台”的形式。在隆隆战鼓声中，王江波董事长首先登上点将台，向金磬总经理下任务、授帅旗，金磬总经理带领新一届经营班子和与会全体员工高呼口号：“黄沙百战穿金甲，不破楼兰终不还！”随后，金磬总经理向公司副总经理、拓展部总经理吴岳松下任务、授将旗；吴岳松副总经理分别向拓展部20个独立办事处和工程部主任定目标下任务、授令旗。台下群情沸腾、掌声雷鸣。

王江波董事长发表了总动员令。他指出，今年的关键词是“机遇”，我们要借助公安部第162号令以及配套行业新标准实施的东风，在市场、工程、研发、生产等各环节全面布局，同时持续深化产教融合，进一步开拓新领域，深耕智慧交通和智慧城市业务。相信在三联创始人金会庆教授的掌舵下，在集团的坚强领导下，公司全体将士们将践行承诺，

不负重托，让2022年成为满载收获的一年，齐心协力共筑三联交通更加辉煌的明天！

在热烈的掌声中，三联集团董事长余皖生代表集团作指示。他强调，大盘取厚势，落子开新局，奔跑在新的“赶考路”上，三联交通积极落实集团决策部署，新一届领导集体思想解放，思维超前，新年伊始全面开展扁平化管理改革，主动探索高效管理之路，潜心描绘虎年发展蓝图。相信三联交通在以金磬同志为总经理的经营班子带领下，全体将士们将适应新岗位、展现新作为，时刻保持昂扬向上的精神状态，拿出“人一我十、人十我百”的拼劲，“抓铁有痕、踏石留印”的狠劲，“志之所向、无坚不摧”的斗志，在新的起点上创造新业绩、实现新突破！

今朝把酒壮行色，静待捷报共举觞。集团余皖生董事长带领集团和兄弟单位领导上台同饮壮行酒，共祝三联交通虎虎生威，全体将士虎年吉祥。

应邀出席大会的集团和兄弟单位领导还有：三联学院副校长秦永元、蔡文芬、江秀丽、刘峥，学院财务总监范兆红，三联集团总裁助理汪玮，三联机器人公司副总经理王瑞友，竹棵职教公司人力资源事业部总经理姜发根，三联培训学校副校长胡宝琴等。

喜讯：三联学子在2021年亚太地区大学生数学建模竞赛（APMCM）中喜获一等奖

2022年1月，2021年国际赛事亚太地区大学生数学建模竞赛成绩揭晓，安徽三联学院交通工程学院学生马伟玲、机器人工程学院学生邓书东、张健华，在王娟老师的指导下荣获一等奖，这也是继2021年全国大学生数学建模竞赛取得安徽赛区一等奖之后，再次在高水平大赛中荣获佳绩。

本次竞赛共有820所高校27000多名学生报名参赛。参赛高校覆盖北京大学、清华大学、浙江大学、同济大学、上海交通大学、复旦大学、四川大学、大连理工大学等39所985高校和114所211高校，从11月25日持续至11月29日。大赛主要内容为针对问题自由收集材料、调查研究，利用计算机和数学软件等工具，完成一篇包含数学模型假设、建立和求解等方面的全英文论文。

安徽三联学院一直高度重视学生科技创新能

力的培养，基础部数学组狠抓基础数学，坚持“以赛促改，以赛促教，以赛促学”的教学理念，在日常教学中融入竞赛元素，提升了学生解决实际问题的综合能力。本次获奖在学校继续加强创新型人才培养中起到了较好的促进作用。

安徽三联学院迎来春季学期首批学生返校

2022年2月18日，安徽三联学院迎来2022年春季学期首批返校学生。学校严把疫情防控关，按照错峰、分学院有序返校原则，确保返校工作安全、平稳、有序开展。各部门、各学院通力合作，明确责任，细化工作措施，在返校前期展开全要素疫情防控演练，进一步完善防控方案和应急预案，提高相关应急处置能力。

学生来校报到前，均已上报个人和家庭成员一周内的“一码”“两查”情况，确定正常返校的学生携带《安徽三联学院2022年春季学期学生返校申请表》《安徽三联学院学生寒假行程追踪表》《安徽三联学院疫情防控学生承诺书》按照规定返校。返校前14天有省外旅居史的学生，要凭返校时间

48小时内核酸检测阴性报告返校，进校后再次核酸检测。报到期间，学校把好返校校门、宿舍两道关口，引导学生按照一米间距分割线排队，经工作人员查验健康码、安康码、同乘码，测量体温正常，核验身份无误后，学生领取报到通行证依次通过相应入口进入学校，至宿舍楼上交报到通行证并再次测温正常后，完成报到。

首批返校的学院为交通工程学院、机械工程学院、电子电气工程学院、经济管理学院，其余学院的学生将按顺序错峰依次返校。返校学生自觉排队并佩戴口罩，秩序井然，工作人员尽心做好服务保障工作，为迎接新学期的教学生活做好全力保障。

安徽三联学院高等学历继续教育2022级新生入学 报到工作顺利完

2022年1月8日，安徽三联学院高等学历继续教育2022级新生入学报到工作于学校大学生事

务发展中心顺利开展。根据疫情防控工作要求，2022级新生报到通过线上及线下进行，省外及中

高风险地区的新生要求线上报到。

现场报到严格按照学校疫情防控要求，报到期间实施“一测二核三查四领五交”的报到机制。新生统一从学校金寨路正大门进入，要求佩戴口罩、测温，并出示录取通知书、身份证、健康码、行程码、48小时核酸检测阴性证明及安徽三联学院疫情防控承诺书等相关材料。报到处工作人员负责现场引导，解答新生问题，逐一仔细核对新生信息，认真做好新生的资格审查，并且对专升本新生的学历资格进行复查。并告知新生入学后相关事宜。期间，校党委副书记、副校长鲁先长亲临现场了解新生报到情况，代表学校对新生的到来表示欢迎。

下午，继续教育学院在 B01 报告厅开展“开学第一课”，进行新生入学教育，让新生进一步了解学校及学院发展历程、办学特色，各专业人才培养方案及教学安排；介绍了安全教育、疫情防控、校纪校规及班级管理等相关内容，让新生尽快熟悉新的学习环境；最后两位新生代表发言，表示将三

联学院作为迈向人生历程的新起点,开启新的征程,努力实现新的梦想和追求。

本次新生报到工作，继续教育学院在各部门的通力配合下提前做好报到接待工作方案，统筹安排报到事宜。相关部门各尽其责，精心准备，细致安排，营造热情周到、安全有序地迎新环境，给新同学留下了深刻印象。

红会卫校荣获肥东县第五届文明校园荣誉称号

2022年1月7日，在肥东县新安江路小学举行的肥东县第五届文明校园表彰大会上，安徽红十字会卫生学校荣获“文明校园”荣誉称号，此次获得肥东县第五届文明校园的学校仅5所，红会卫校便是其中一所，这是学校在精神文明建设工作方面取得的又一重要硕果。

近年来，红会卫校坚持以习近平新时代中国特色社会主义思想为指导，全面贯彻落实党的教育方针、政策，围绕落实立德树人根本任务不动摇，严格按照“六好”标准，扎实开展文明校园创建工作，推动学校在育人征程上守正创新、绽放华彩，以实际行动践行“办一流红十字特色学校，育最佳基层医护人才”的办学宗旨，不断发挥职业教育的引领作用，积极为社会培养、输送“大国工匠”“能工巧匠”。

自开展文明校园创建以来，学校高度重视，严格按照上级通知精神要求，认真做好各项创建工作。学校领导周密部署，措施有力，充分发挥全体师生参与文明校园创建的积极性、主动性、创造性。

“文明校园”的光荣称号源自学校每一位老师、学生、家长的共同努力，“军功章”上是全体红卫人的功劳。文明创建没有终点只有起点，面对这份荣誉，只有怀有更高的目标和追求，才能不断超越，不断前行，让我们的学校，我们的红卫向着

更高的文明迈进。

文明，是一所学校的风景，文明校园创建活动提高了师生的文明修养，提高了师生校园文化生活的质量，提高了校园的文明程度，让校园秩序更好、环境更美，让文明之花绽放在校园的每一个角落。红会卫校将以表彰为契机，大力弘扬校园文明，提高师生公民道德、职业道德、文明修养和民主法治观念，提高校园文化生活质量，提高校园文明程度，努力把学校建成培育中国特色社会主义事业建设者和接班人的坚强阵地、社会主义精神文明建设工作高地和弘扬社会主义核心价值观、传承中华传统美德的示范基地，以更加昂扬的斗志，更加优异的成绩，谱写红会卫校更加辉煌灿烂的篇章！

知难而进 重铸辉煌

——记安徽三联集团 2021 年度先进集体、安徽三联交通应用技术股份有限公司广州分公司

中国有句古话：“千人同心，则得千人之力；万人异心，则无一人之用。”这，就是团队力量！这，就是团队精神！他们是不畏困难、努力拼搏、不计个人得失的一支团队；他们是长期奋斗在工作一线、永不言退、斗志昂扬的一支团队；他们用自己的信仰和精神谱写了属于自己的绚丽篇章。他们就是安徽三联交通应用技术股份有限公司广州分公司。

三联交通公司广州分公司在公司总经理助理、广州分公司总经理胡森的领导下，拥有 4 名销售人员、38 余名工程人员，负责广东、江西两省的销售、售后维护和工程安装业务。2021 年全年，在公司总部领导全力支持和分公司全体员工共同努力下，新签合同、回款、验收三大任务指标总额突破 1.07 亿元，三大指标完成率平均达 100.1%，他们用过硬的业绩不断创造一个又一个奇迹，用拼搏和汗水浇灌着三联交通大业的一方沃土。

2021 年是广州分公司值得庆贺、值得回望、值得铭记于心的一年。广东地区经济发达，客户要求高，需求呈现多样化，竞争对手业务均采用低价竞争，造成广东目前市场价格整体偏低，竞争激烈。经过不断努力，广州

分公司团队能够更加清晰了解应对客户提出的问题，准确把握客户需求，构建优良客户沟通渠道，逐渐赢得客户的信赖，为三联在广东片区树立了良好的企业形象。

广州分公司旗下的广东办事处，在 2021 年度广东省公安厅仅仅批建 3 个新考场的情况下，经过分公司全体员工拼搏努力，这 3 个考场全部都由我公司签订合同并承建。他们分别是：云浮市全科目智慧考场、乐昌市全科目智慧考场、广州市花都区全科目智慧考场，特别是广州市花都区的项目跟进：前期花都全科目考场项目倾向于广东一家本地企业，我们公司处于被动状态，后期在分公司总经理胡森的带领和团队的协作下不断寻找突破点，最

终拿下该项目的，为公司产品在广州市场占有率再一次添砖加瓦。另外，广州市花都区全科目智慧考场项目作为公司 2021 年重点项目之一，在广州分公司全体员工共同努力下，实现当年签订、当年实施、当年验收完成，得到了客户及相关部门的大力褒奖。

广州分公司旗下的江西办事处，2021 年致力于推广公司全新研发的摩托车电子化考试设备。“宝剑锋从磨砺出，梅花香自苦寒来。”经过市场人员对客户不断跟踪、实地考察，结合客户所需制定并修改场地设计方案，赢得众多客户同我公司签订摩托车电子化考场项目合同，也为广东办事处推

广摩托车电子化考场和后期项目施工积累了宝贵的经验。

项目安装维护工作同样亮点频出，分公司 38 余名工程技术人员分担负责，为三联在广东和江西的口碑树立提供了强有力的保障和源源不断的动力。

乘众人之智，则无不任也；用众人之力，则无不胜也。无论是现在还是将来，三联交通公司广州分公司这个团队从来都不畏酷暑和严寒，勇于担当和奉献。相信这个团队必将继续知难而进、无往不利、所向披靡、再铸辉煌！

一起向未来

北京冬奥会来了，不论是开幕式上声色光影的叠合变幻，还是冰雪赛场上的速度与激情，世界都充满好奇也期待着惊喜，正如 14 年前无与伦比的北京奥运会那般。

从 2008 年到 2022 年，从“同一个世界，同一个梦想”的内敛表白到“一起向未来”的响亮召唤，从专注于“五千年文明”的视听盛宴到简约精彩演绎“我们”的开幕，中国的奥运叙事从侧重“观照小我”延展到“观照大我”，于传承之中创新发展。

如果说北京奥运会讲述了一个“走向世界，自我圆满”的励志故事，那么北京冬奥会可谓发出了一份“中外互融，兼济天下”的诚意邀约。一个个冬奥元素、细节，标刻出“世界之中国”的浓度，折射出中国与世界的“互为依存”。

“五环同心，同心归圆”的北京冬奥奖牌，环

环相扣的奥运五环标志，交相辉映，勾勒出全球和睦同心、共享奥运荣光的“北京时刻”。“一起向未来”的冬奥口号，2021 年新加上的“更团结”奥林匹克格言，异曲同工，展现了面向未来世界各国“在一起更强大”的真谛。

这些无不表明，中国的奥运叙事里，“世界”是不可或缺的部分，不仅有“中国之于世界”的自信与笃定，也有“世界之于中国”的担当与同理心。

中国与世界的“互为依存”，首先是情绪上的感染。

在现如今的时代背景下，北京冬奥会按期推进、如约而至，外国运动员夸赞“冬奥是最安全的地方”，向世界传递乐观情绪，营造了人类能够战胜一切的积极预期；开幕式聚焦“我们”——中国与世界，历史性的盛大场景、富有隐喻意味的设计，

这样的“仪式感”有助于唤醒“同为人类一员”“我属于我们”的集体意识。

中国与世界的“互为依存”，也是认知上的强化。

北京冬奥会既是奥林匹克精神的共享平台，也是基本通识的传播平台。运动员们在北京冬奥村“和平之光”休战壁画上签名，表明“我们共同拥有的东西远比拆散我们的东西更强大”。还有这届冬奥会的中国元素、春节年味，将中华文明的团圆、包容等精髓分享给世界，成为“我们共同拥有”的一部分。

中国与世界的“互为依存”，更是行动上的确认。

冬奥会是现实世界的投射，冬奥会的“气象”也辐射国际社会方方面面。北京冬奥会的绿色场馆、绿色能源、绿色交通，呼应中国的碳达峰、碳中和承诺；首个全面“上云”的冬奥会、智能厨房机器人等高科技应用，展现中国新技术发展成果。推动小众的冰雪运动成为时尚运动，为各国冰雪企业提供商机，展示了世界经济重建与合作的可能……“我们”一起向未来的行动不断丰富。

世人见证这个“重要时刻”，在中国传统的立春之日。这一天预示着“万物起始、一切更生”。让我们一起期待人类社会承接好兆头，一起向未来。

Anhui Sanlian University Holds a Special Promotion Meeting on the Integration of Industry and Education in the Spring Semester of 2022

On February 24, 2022, Anhui Sanlian University held a special promotion meeting on the integration of industry and education in the spring semester of 2022 in the T412 conference room of the library. Vice-presidents Jiang Xiuli and Song Menglan, assistant to the president Wang Feng, executive deans of all secondary colleges, heads of the integration of production and education, and heads of the academic affairs office, the practice teaching department and other departments attended the meeting. The meeting was chaired by vice president Cai Wenfen.

At the meeting, all secondary colleges reported on the implementation of the integration of industry and education and the work plan for 2022 since the discussion on the integration of industry and education in 2020. The practical teaching department, the academic affairs office and other departments respectively reported the development of the school's integration of industry and education and the main work plan of this year. Participants discussed and exchanged

their opinion on relevant content.

Cai wenfen affirmed the achievements of the reform of the integration of industry and education in the past two years, and put forward some suggestions on the next step of promoting the integration of industry and education. First, it is necessary to further grasp the connotation and characteristics of collaborative education through the integration of production and education, and actively explore the specific mode of practical collaborative education. Second, it is necessary to adapt to the new connotation of application-oriented higher education and local economic and social development, comprehensively help serve the "Four New" and local "Three Places and One District" construction, and promote the integration of industry and education. Third, we should give full play to the advantages of the group in running schools, adhere to "taking the inside as the model and focusing on the outside", continue to deepen the integration of industry and education inside and outside the group, and create a typical demonstration. Fourth, we must take the School of Modern Industry, the school of Characteristic Demonstration Software, the School of Innovation And Entrepreneurship and other iconic projects as the starting point, deepening the reform of education and teaching, and forming characteristic advantages. Fifth, it is necessary to further strengthen the coordination and cooperation of various units in the school, optimize

the system and guarantee mechanism, and promote the integration of production and education in schools to a new level.

The Opening Ceremony of the Second "Dual Classes" of Sanlian Engineering Technology Jointly Built by ASU and SATTC Successfully Held

In order to deepen the integration of production and education and the reform of education and teaching, realize the seamless connection between school personnel training and social needs, and improve the quality of personnel training and the level of social services, the opening ceremony of the second Sanlian Engineering Technology "Dual Classes" (hereinafter referred to as "dual classes") jointly established by Anhui Sanlian University and Anhui Sanlian Application Technology Co., Ltd. was successfully held on February 23, 2022. Guo Ke, director of Human Resources Department of Anhui Sanlian Applied Technology Co., Ltd., Ma Jing, director of Development Support Department, Liu Jianiu, recruitment director, Cai wenfen, vice president of Anhui Sanlian University, Wang Li, director of Practical Teaching Department, Jiang Shengyue, vice president of teaching of School of Traffic Engineering, counselor representatives, and all students of the second "dual classes" of Sanlian engineering technology attended the opening ceremony. The ceremony was presided over by Feng Pengfei, executive dean of the School of Transportation Engineering.

The "dual classes" adopts the talent training mode of joint education between schools and enterprises, and carries out enterprise production practice and

Engineering Technology Learning under the leadership of enterprise executives and senior engineering and technical backbone, so as to improve students' professional knowledge and post skills. The cultivation of "dual classes" is divided into two stages: one is that experts come to the school for on-site teaching, and the other is to go to enterprises for centralized practice to achieve the unity of theory and practice. After the completion of theoretical study, assessment and on-the-job practice will be carried out, which effectively solves the bottleneck problem of "the last kilometer from classroom to post".

Guo Ke congratulated the opening of the "dual class", briefly introduced the development process and main business scope of Anhui Sanlian Application Technology Co., Ltd., and put forward ardent hope for the students of the "dual classes".

In her speech, Cai wenfen analyzed the significance, learning method and learning harvest of the "dual classes", and emphasized the requirements of the "dual classes" in terms of teaching management, teaching assessment and internship conditions. She expected that this "dual classes" should achieve the effect of leading and demonstration, and play a leading role in further promoting the complementary resources and the integrated development of industry and

education within the Group.

All the students of the "dual classes" said that Anhui Sanlian Application Technology Co., Ltd. is a "big stage" for students of transportation discipline to display their talents. They will grasp and cherish the opportunity of learning and experience, and take advantage of the opportunity to promote the ambition of traffic safety.

In recent years, Anhui Sanlian University has formed a good interactive and cooperative relationship with enterprises inside and outside the Group. It has successively established dual class, title class, studio,

etc. with more than 10 well-known enterprises in the industry, such as Anhui Sanlian Application Technology Co., Ltd. and Anhui Transportation Construction Co., Ltd. This is a new goal for the connotative development of the school and a new requirement for accelerating the transformation and development of the school. In the future, driven by the development of the integration of industry and education between schools and enterprises, the school will continue to explore a new mode of cooperative education and further improve the training quality of applied talents.

Anhui Sanlian University and Taihe Intelligent Technology Group Jointly Build an Internship and Training Base

On December 30, 2021, the School of Robotics Engineering of Anhui Sanlian University and Hefei Taihe Intelligent Technology Group Co., Ltd. held a signing and awarding ceremony for the co-construction of practice and training base in Taihe Industrial Park. Pan Huping, the representative of the enterprise, signed a contract with Wang Xing, executive director of the School of Robotics Engineering, to jointly unveil the practice and training base.

At the ceremony, Wang Xing introduced the basic situation and the achievements in teaching and scientific research of the School of Robotics Engineering. Pan Huping introduced the company's development history, customer distribution and other basic information. According to the cooperation principles of

complementary advantages, resource sharing, mutual benefit and win-win and common development, the two sides discussed the joint construction of practice and training base, and had in-depth exchanges on artificial intelligence technology research and development, curriculum, practice and training, employment guidance and other aspects.

The joint construction of practice and training base can give full play to the advantages of both schools and enterprises, effectively explore a new mode of joint training of innovative and applied talents, promote the development of artificial intelligence industry and strengthen the construction of the majors concerning artificial intelligence.

The 2021 Academic Committee Meeting of Anhui Key Laboratory of Traffic Information and Security of Colleges and Universities Successfully Held in Anhui Sanlian University

The 2021 Academic Committee Meeting of Anhui Key Laboratory of Traffic Information and Security of Colleges and Universities (hereinafter referred to as "Key Laboratory") was held in conference Room 518 of the library of Anhui Sanlian University. Zhang Shiwei, vice president of Anhui Sanlian University, Zhang Weihua, director of the academic committee of the Key Laboratory and professor of Hefei University of Technology, Hu Bo, director of the Science and Technology Department of the Traffic Police Corps of Anhui Provincial Public Security Department, and other three members attended the meeting. Luo Zhong, director of the Scientific Research Department of the university, heads of research directions of the Key Laboratory and representative teachers of key scientific research attended the meeting. The meeting was presided over by Feng Pengfei, executive deputy director of the Key Laboratory and executive dean of the School of Transportation Engineering.

The meeting reviewed the construction tasks of Key Laboratory in 2021, reported the main scientific research achievements, enterprise cooperation, academic exchanges, laboratory construction, subject research and other work from 2019 to 2021 in combination with the tasks, and prospected and deployed the key work in the next stage. The Key Laboratory Office reported the review requirements, review process and review results of the open projects in 2022, and selected five

projects, such as "Research on optimal design of slow traffic combined with green building materials", as the funded construction objects.

The experts of the academic committee of the Key Laboratory fully affirmed the laboratory construction and scientific research achievements and were able to seriously implement the construction in accordance with the relevant requirements of the key laboratory management measures of the Department of Education of Anhui Province. Over the past three years, fruitful achievements have been made in scientific research team, experimental platform, talent training, fund investment, operation management and so on. The experts put forward their opinions and suggestions on how to better improve the construction level of the laboratory and achieve high-quality development.

Finally, Zhang Shiwei thanked all the experts for their active suggestions for the construction and development of the Key Laboratory. The construction achievements of the laboratory in the past three years are inseparable from the support and care of the experts of the academic committee. As the key research platform built by the school, the Key Laboratory has always been based on the construction requirements of the Anhui Provincial Department of Education, combined with the traffic safety characteristics of Anhui Sanlian University, to provide important support for the construction of distinctive university, discipline construction, and

master's degree construction. The university will take the construction of key laboratories as an opportunity to further improve the construction system and the quality of subject construction, and make better contributions to the construction of a "transportation powerhouse" and "One Belt and One Road Initiative". At the same time, the university also looks forward to strengthening

close cooperation with the Traffic Police Corps of Anhui Provincial Public Security Department, Hefei University of Technology and the National Vehicle Driving Safety Engineering Technology Research Center to build a first-class traffic safety research platform.

SATTC Grandly Holds the 2021 Marketing Commendation And 2022 “Task-Awarding” Oath Meeting

On February 14, 2022, Anhui Sanlian Applied Traffic Technologies Co., Ltd. grandly held the 2021 Marketing Commendation and 2022 “Task-Awarding” Oath Meeting. Yu Wansheng, chairman of Sanlian Group, Li Mingyang, education supervisor of Anhui Province and party secretary of Anhui Sanlian University, Lu Xianzhang, deputy party secretary and vice president of Anhui Sanlian University, Zhu Rong, general manager of Zhuke vocational education company, Zhang Shiwei, chief project officer of Sanlian Group and vice president of Anhui Sanlian University, Mei long, general manager of Sanlian Robot Company, Fang Jinsong, party secretary and chairman of Anhui Red Cross Health School, President Hong Mei and other leaders of the group and brother units attended the meeting. The company's leader team and all employees

in Hefei attended the meeting.

The meeting was presided over by Hu Sen, deputy general manager of the company. In the loud and clear singing of the Sanlian’s Song, the conference officially began. The conference first entered the "commendation chapter". “There will be winds and waves sometimes, and the sails will be hung straight to help people cross the sea.” Wu Yuesong, deputy general manager of the company, read out the reward document for the team with outstanding contribution to marketing of the company in 2021. Subsequently, the company's chairman Wang Jiangbo, Vice Chairman Pan Tao, general manager Jin Qing, deputy general managers Jin Lai, Wu Yuesong and Yang Xiaodong presented awards to the award-winning team and took group photos with them. Yu Lei, director of Guangdong Office of the

company's development department, spoke on behalf of the award-winning team. Zhao Zhen, deputy general manager of the company, read out the documents related to the company's institutional adjustment.

After the marketing commendation, the conference entered the "oath chapter" . "Smoke warms the earth upon which people start the spring ploughing, and spring thunder startles the bamboo shoots so that they break through the earth." After a period of shocking VCR, general manager Jin Qing delivered a speech on the stage. He said that the spring thunder startles the bamboo shoots, and the life that breaks through the earth will always bring warmth, hope and upward strength. He said this year was the first year for the adjustment of the company's organizational structure and the incubation period for the smart transportation business unit and smart city business unit. He believed that with the joint efforts of the colleagues, the two business divisions would rise like mushrooms and take on the important mission of cultivating new opportunities and opening a new Bureau.

With the inspiring drums, the smart transportation business unit and smart city business unit, together with the heads of relevant departments, successively took the stage to sign a letter of responsibility for coordination and cooperation with the general manager of Jinqing, vow in unison and drink to show their ambition to make a strong journey. Subsequently, the representatives of the development department, production department, administration department, human resources department, legal department, finance department, marketing department and other backstage support departments collectively came to the stage and signed a letter of responsibility for cooperation with general manager Jinqing, vow in unison and drink to show their

ambition to make a strong journey, too.

The conference entered the "task-awarding chapter" . "After a hundred battles in armour surrounded by sands, one will never give up without achieving his goal of defeating Loulan." In January this year, the company's board of directors, board of supervisors and management team successfully completed the re-election, and the company's organizational structure has also been optimized and adjusted. The company has vigorously cultivated and selected young backbone forces and created a number of generals who have opened up new territories. To this end, this year's oath conference is unique in form, imitating the form of "Dianjiangtai" , the places to call the muster roll of officers and assign them tasks in ancient China. With the rumble of war drums, chairman Wang Jiangbo first boarded the "Dianjiangtai" and assigned tasks and awarded commanding flags to general manager. General manager Jin Qing led the new management team and all employees attending the meeting to shout the slogan of the meeting, "After a hundred battles in armour surrounded by sands, the commander will never give up without achieving his goal of defeating Loulan" . Subsequently, general manager Jinqing assigned the task and awarded the commanding flag to Wu Yue, deputy general manager of the company and general manager of the development department. Deputy general manager Wu Yuesong set goals, assigned tasks and gave orders to the directors of 20 independent offices of the development department and the engineering department respectively. The audience was boiling with applause.

Chairman Wang Jiangbo issued a general mobilization order. He pointed out that this year's key word is "opportunity". With the help of Order

No. 162 of the Ministry of Public Security and the implementation of the new standards of supporting industries, a comprehensive layout in all links such as market, engineering, R & D and production should be made, the deepening of the integration of industry and education should be continued, new fields should be further explored and the business of smart transportation and smart city should be deepened. It is believed that under the helm of Professor Jin Huiqing, the founder of Sanlian, and under the strong leadership of the group, all the officers of the company will fulfill their commitments and live up to their great trust, so that 2022 will become a year full of harvest, and work together to build a more brilliant tomorrow of SATTC!

In the warm applause, Yu Wansheng, chairman of Sanlian Group, gave instructions on behalf of the Group. He stressed that the market takes advantage of the strong trend and opens a new situation. Running on the new "journey to test", SATTC has actively implemented the group's decision-making and deployment. The new leadership group has emancipated its mind and advanced its thinking. At the beginning of the new year, it has comprehensively carried out flat management reform, actively explored the road of efficient management, and devoted itself to depicting the development blueprint of the year of 2022. It is believed

that under the leadership of the management team with Jin Qing as the general manager, all officers of SATTC will adapt to new posts, show new achievements, always maintain a high spirited state of mind, create new achievements and achieve new breakthroughs at a new starting point with the hardness spirit of "one against all", the relentless spirit of "grasping the iron with marks and stepping on the stone to leave marks" and the fighting spirit of "Where there is a will, there is invincibility"!

At that moment, the alcohol was flourishing, waiting for the good news to come together. Chairman Yu Wansheng led the leaders of the group and brother units to the stage to drink alcohol for farewell together and wish SATTC a prosperous and auspicious year of the tiger.

Leaders of the group and brother units invited to attend the conference also include Qin Yongyuan, Cai wenfen, Jiang Xiuli and Liu Zheng, vice presidents of ASU, Fan Zhaohong, chief financial officer of ASU, Wang Wei, assistant president of Sanlian Group, Wang Ruiyou, deputy general manager of Sanlian Robot Company, Jiang Fagen, general manager of Human Resources Department of Zhuke Vocational Education Company, Hu Baoqin, vice president of Sanlian Training School, etc. (By Zhou Qingyu from SATTC)

Anhui Sanlian University Approved as a Provincial Training Base for Elderly Care Professionals

In December 2021, Anhui Provincial Department of Civil Affairs announced the list of "training bases for elderly care service practitioners". Upon the joint recommendation of the Civil Affairs Bureau, Human Resources and Social Security Bureau and Education Bureau of the cities under the jurisdiction of the province, the Provincial Department of Civil Affairs, the Provincial Department of Human Resources and Social Security and the Provincial Department of Education organized and carried out procedures such as material review, field assessment, expert review and research of the office of the director of the Provincial Department of civil affairs. A total of 10 provincial training bases for elderly care professionals were selected in the province, of which Anhui Sanlian University is one.

The university will actively make good use of the Group's "medical care and education" related resource, give full play to the leading role of undergraduate colleges in the construction of the province's elderly care practitioners, vigorously promote the construction and progress of the provincial training base for elderly care professionals, and strive for more elderly care service practitioners to receive higher-level and more professional training in schools, so as to contribute to promoting the establishment of a echelon training mechanism for elderly care service practitioners in our province and providing strong talent support for the development of elderly care services in the province.

Good News: Sanlian Students Won the First Prize in the Asia Pacific University Mathematical Modeling Competition in 2021

In January 2022, the results of the Asia Pacific College Students' Mathematical Modeling Competition in 2021 were announced. Ma Weiling, a student of the School of Transportation Engineering of Anhui Sanlian University, and Deng Shudong and Zhang Jianhua, students of the School of Robotics Engineering, won the first prize under the guidance of their teacher Wang Juan. This is also another good achievement in the high-level competition of our university after our students' winning the first prize of Anhui Division in the National

College Students' Mathematical Modeling Competition

in 2021.

More than 27000 students from 820 colleges and universities signed up for the competition. The participating universities covered thirty nine 985–Project universities and one hundred and fourteen 211–Project universities, including Peking University, Tsinghua University, Zhejiang University, Tongji University, Shanghai Jiaotong University, Fudan University, Sichuan University and Dalian University of technology. The competition lasted from November 25 to November 29. The main content of the competition is to freely collect materials, investigate and research problems, and complete an English paper containing mathematical model assumptions, establishment and

solution by using computers, mathematical software and other tools.

Anhui Sanlian University has always attached great importance to the cultivation of students' scientific and technological innovation ability. The mathematics team of Department of Basic Courses pays close attention to basic mathematics, adheres to the teaching philosophy of "promoting reform, teaching and learning through competition", integrates competition elements into daily teaching, and improves students' comprehensive ability to solve practical problems. This award has played a good role in promoting the school to continue to strengthen the cultivation of innovative talents.

Anhui Sanlian University Welcomes the First Batch of Students to Return to School in the Spring Semester

On February 18, 2022, Anhui Sanlian college welcomed the first batch of returning students in the spring semester of 2022. The school strictly controls the epidemic prevention and control, and ensures the safe, stable and orderly return to school according to the principle of staggering peak and returning to school in batches in accordance to each school. All departments

and schools work together to clarify responsibilities, refine work measures, carry out all-factor epidemic prevention and control drills in the early stage of students' returning to school, further improve the prevention and control plan and emergency plan so as to improve relevant emergency response capacity.

Students have all reported the "health code" and

“checks of the trip route and vaccination records” of their family members and themselves within a week before returning to school. The students who are confirmed to return to school normally shall return to school with the Application Form for Students’ Returning to School in 2022 Spring Semester of Anhui Sanlian University, the Tracking Form for Students’ Winter Vacation Trip of Anhui Sanlian University and the Students’ Commitment for Epidemic Prevention and Control of Anhui Sanlian University. Students who have been outside the province 14 days before returning to school should enter the campus with a negative nucleic acid test report within 48 hours, and should conduct nucleic acid test again after entering the school. During the check-in period, the school shall guard the gates of school and the dormitory, guiding students to queue up according to the dividing line with a spacing of one meter. After the checking of the health

code, if the body temperature is normal and the identity is verified, the student will receive the gate pass and enter the school through corresponding entrance in turn. After that, students should hand in the gate pass in the dormitory and complete the registration after a second normal temperature measurement.

The first batch of schools to return to school are the School of Transportation Engineering, the School of Mechanical Engineering, the School Of Electronic and Electrical Engineering and the School of Economics and Management. Students from other schools will return to school in order. Students who have returned consciously queue up and wear masks in order, and the staff do a good job in service guarantee, so as to make every effort to ensure the education and life in the new semester.

Anhui Sanlian University Successfully Completes the Enrollment and Registration of 2022 Freshmen in Higher Degree Continuing Education

The enrollment and registration of 2022 freshmen of higher education continuing education in Anhui Sanlian University was carried out smoothly in the University Student Affairs Development Center on January 8, 2022. According to the requirements of epidemic prevention and control, the registration of 2022 freshmen will be carried out online and offline, and freshmen from outside the province and medium and high-risk areas are required to register online.

On-site registration is strictly in accordance with the school's epidemic prevention and control

requirements. During the check-in period, the check-in mechanism of "one test, two verification, three inspection, four receiving and five handover" shall be implemented. Freshmen should enter from the main gate of Jinzhai Road of the school. They are required to wear masks, take temperature measurement, and show the admission notice, ID card, health code, travel code, negative certificate for nucleic acid test within 48 hours, Anhui Sanlian University prevention and control commitment and other relevant materials. The staff of the check-in office is responsible for on-site

guidance, answering the questions of freshmen, carefully checking the information of freshmen one by one, carefully reviewing the qualifications of freshmen, and rechecking the academic qualifications of freshmen as well as informing the freshmen of relevant matters after admission. During the period, Lu Xianzhang, deputy secretary of the school's party committee and vice-principal, visited the site to learn about the registration of the new students, and welcomed the arrival of the new students on behalf of the school.

In the afternoon, the School of Continuing Education held the "first class" in B01 lecture hall to conduct freshmen's admission education, so that freshmen can further understand the development process, school running characteristics, talent training programs and teaching arrangements of the school and the university. It introduced safety education, epidemic prevention and control, school discipline, school rules and class management, so that freshmen could get familiar with the new learning environment as soon as possible. Finally, the two freshmen representatives spoke and said that they would take Anhui Sanlian

University as a new starting point for the journey of life, start a new journey and strive to realize new dreams and pursuits.

For this freshman registration, the School of Continuing Education, with the full cooperation of all departments, made a work plan for registration and reception in advance and made overall arrangements for registration. Relevant departments performed their duties, made careful preparations and arrangements, and created a warm, thoughtful, safe and orderly welcome environment, which left a deep impression on the new students.

Young Volunteers Taking Actions to Beautify the Campus Environment

On January 4, 2022, the young volunteers of Anhui Sanlian University and the student representatives of the School of Computer Engineering and the School of Foreign Languages carried out activities to beautify the campus environment. Everyone actively participated and took positive actions to create a beautiful campus.

During the activity, the volunteers were full of energy, not afraid of hardship and fatigue, and

comprehensively cleaned up the garbage and sundries in every corner, including dormitory buildings and the grass in garden. Through this voluntary activity, the environmental sanitation in the living area has been significantly improved, some corners have been effectively cleaned up, and the happiness index of students' school life has been improved.

This volunteer service activity has strengthened

the students' concept of loving labor and taking good care of the "the home of ASU", demonstrated the volunteer service concept of "public welfare in Sanlian and great love for Jianghuai" of ASU student volunteers and the good spiritual style of personal integration into the public, and enhanced the dedication and service consciousness of Sanlian's young volunteers. As General Secretary Xi Jinping said, "All happiness in the world needs to be created by hard work." The volunteer

activity to beautify the campus can make students work hard and proud in the process of growing up, establish the belief that labor is the most glorious, the most noble, the greatest and the most beautiful, strengthen labor education for students, promote the volunteer spirit of "dedication, fraternity, mutual assistance and progress", and lay a solid foundation for creating a safe and beautiful campus.

Red Cross Health School Wins the Honorary Title of the Fifth Civilized Campus in Feidong County

On January 7, 2022, Red Cross Health School won the honorary title of "Civilized Campus" at the 5th Commendation Conference of Civilized Campus in Feidong County held in Xin'anjiang Road Primary School in Feidong County. Only five schools have won the fifth Civilized Campus in Feidong County this time, and the Red Cross Health School is one of them, which is another important achievement of the school in the construction of spiritual civilization.

In recent years, the Red Cross Health School has adhered to the guidance of Xi Jinping Thought

on Socialism with Chinese Characteristics for a New Era, fully implemented the Party's educational principles and policies, and unswervingly focused on the implementation of the fundamental task of building morality and cultivating people. In strict accordance with the "six good" standards, the Red Cross Health School has solidly carried out the construction of a civilized campus, promoted the school to be upright, innovative and colorful in the journey of educating people. Practically implementing the school running purpose of "running a first-class Red Cross characteristic school

and educating the best grass-roots medical talents" with practical actions, the school has constantly given play to the leading role of vocational education, and actively cultivated and transport "great country craftsmen" and "skilled craftsmen" for the society.

Since the establishment of a civilized campus, the university has attached great importance to it, and has done a good job in all the creation work in strict accordance with the spirit and requirements of the notice from the superior. The leaders of the school have made careful arrangements and taken effective measures to give full play to the enthusiasm, initiative and creativity of all teachers and students in participating in the establishment of a civilized campus.

The glorious title of "Civilized Campus" comes from the joint efforts of every teacher, student and parent of the school. It is the credit of all people concerning the Red Cross Health School. There is no end but a starting point for the creation of civilization. In the face of this honor, only with higher goals and pursuit can we continue to surpass and move forward, so that our school move forward towards a higher civilization.

Civilization is the scenery of a school. The

establishment of a civilized campus improves the civilization cultivation of teachers and students, improves the quality of campus cultural life of teachers and students, improves the degree of civilization of the campus, makes the campus order better and the environment more beautiful, and makes the flower of civilization bloom in every corner of the campus. The Red Cross health school will take the opportunity of commendation to vigorously carry forward the campus civilization, improve the civic morality, professional ethics, civilization cultivation and the concept of democracy and rule of law of teachers and students, improve the quality of campus cultural life and the degree of campus civilization, striving to build the school into a strong position for cultivating builders and successors of socialism with Chinese characteristics, a highland for the construction of socialist spiritual civilization, and a demonstration base for carrying forward socialist core values and inheriting Chinese traditional virtues. With higher fighting spirit and more excellent achievements, the Red Cross Health School will write a more brilliant chapter of its future!
