

加速双引擎 奋进新征程

针对新时代教育事业发展，党的十九大报告明确指出：深化产教融合、校企合作。2020年，教育部、工信部联合发布《现代产业学院建设指南（试行）》，号召校地行企共建现代产业学院，深入推进产教融合，为产业转型和升级培养复合型应用型人才。三联汇聚集团“产学研”三大板块优势资源和力量，共同打造和建设智慧交通现代产业学院，这是三联主动服务国家战略、响应国家号召的重要举措。

建设现代产业学院是三联学院产教融合走向深入的必然选择。三联学院自诞生之日起，天然拥有“产学研一体化”基因。从上个世纪末的“系所结合”，到升格本科后的“协同育人”，到现在的“产教融合”，三联的产学研走过了“融入—融通—融合”三个阶段。学校产教融合办学特色已逐步彰显，并得到了主管部门和教育部专家组的高度认可和好评。前不久，省教育厅发布公告，三联学院《融入—融通—融合，1223产教融合协同育人模式的探索与实践》获批安徽省教学成果奖一等奖。

建设现代产业学院是三联学院深化扁平化改革的应有之义。2007年，三联学院立项改革课题，开展理论研究；2009年，从计算机系、日语系开始试点；2013年，交通工程系升格为交通工程学院，成为学校第一个二级学院。十五年来，三联学院在改革中谋发展、寻突破，扁平化改革已成为学校成功办学的一条重要经验，但要将学校办成中国的“百

年老店”，还有很长的路要走，改革始终在路上！近期，三联学院已成功获批省级质量工程项目“智慧交通现代产业学院”。可以说，现代产业学院是扁平化改革进一步跃升的重要抓手，现代产业学院建设已水到渠成。

建设现代产业学院是应用型高校发展模式的破冰之举。面对行业企业的人才需求，应用型高校培养的人才要“下得去、留得住、用得上、干得好”。三联学院率先作出新尝试，带头把产教融合推向纵深，为破解高校在培养人的过程中存在的人才培养供给侧和产业需求侧“两张皮”问题探索新的路径。三联集团高度重视现代产业学院的建设，从发展大局出发，以培养高素质应用型人才视角谋划顶层设计、推进各项工作。作为三联的第一个产业学院，智慧交通现代产业学院按照“总体化布局、分步骤实施、项目式推进”的原则，挑大梁、走前头、当先锋，“一年打基础、三年展形象、五年见成效”，为新时代应用型高校高质量发展提供新范式。

山积而高，泽积而长。曾经的三联人用勇闯难关、拼搏向前的精神打造了灿烂辉煌；用扁平化管理改革、产学研一体化发展赢得了社会声誉！今后的三联人将进一步解放思想、创新实干，书写三联壮丽的新篇章！

安徽三联学院智慧交通产业学院顺利揭牌

2022年6月20日下午，安徽三联学院在图书馆学术报告厅举行智慧交通现代产业学院揭牌仪式，三联创始人、校长金会庆教授，三联集团董事长、学校董事长余皖生，省教育督导专员、校党委书记李明阳，国家车辆驾驶安全工程中心常务副主任、三联交通公司董事长王江波，三联集团执行总裁、三联交通公司总经理金磬同志出席会议。参加揭牌仪式的还有三联交通公司相关领导、在肥校领导、全校副处级以上干部及师生代表。仪式由校党委副书记、副校长鲁先长主持。

仪式在激昂的三联歌中拉开序幕。余皖生董事长为揭牌仪式致辞，他代表安徽三联集团对智慧交通现代产业学院的成立表示最热烈的祝贺，他表示，智慧交通现代产业学院的成立是三联发展史上又一个重要的里程碑，是深化产教融合的重要途径，是应用型人才培养模式的有益探索，是促进大学生就业创业的有力举措。我们将以揭牌仪式作为新的起点，赋能产教融合发展，创新人才培养模式。我们有信心、有能力把产业学院建成定位准确、优势明显、特色鲜明的产教融合“载体”，努力把现代产业学院建成全省乃至全国的标杆和示范，努力为长

三角区域经济建设与社会发展做出新的贡献。

随后，王江波、金磬与副校长张世伟共同签署智慧交通现代产业学院合作协议书。王江波、金磬、张世伟与校监事会主席唐毅，共同为智慧交通现代产业学院揭牌。

副校长操晓峰宣读智慧交通现代产业学院成立文件，聘任唐毅为智慧交通现代产业学院执行院长。

唐毅作表态发言，从智慧交通现代产业学院的人才培养、产出成果、服务平台搭建等方面对产业学院未来发展目标进行阐述。他表示，智慧交通现代产业学院的揭牌落地，开启了三联产教融合、建设高水平应用型大学的新征程。它将是一个开放的、充满活力的平台，我们力争走出一条具有三联特色的现代产业学院之路。

金会庆作重要讲话。首先，他向参与现代产业学院建设的三联交通、国家工程中心以及三联学院的同志们表示衷心的感谢，向同学们表示诚挚的问候！金会庆指出，建设现代产业学院是三联再次服务国家战略的重要举措，是学校产教融合走向深入的必然选择，是深化扁平化改革的应有之义，也是应用型高校发展模式的破冰之举。在多方有力契机之下，学校将以产业学院为载体，深入推进产教融合，创新复合型应用型人才培养模式，进一步提升学校办学质量和办学水平。

在揭牌仪式之际，金会庆向智慧交通现代产业学院建设提三点要求：一是高度重视，整体谋划。各单位要高度重视现代产业学院的建设，要从发展大局出发，以培养高素质应用型人才视角谋划顶层设计、推进各项工作，探索智慧交通现代产业人

才培养新模式。二是制定规划，明确责任。制定好路线图、时间表和任务清单，要按照“总体化布局、分步骤实施、项目式推进”的原则，挑大梁、走前头、当先锋，为新时代应用型高校高质量发展提供新范式。三是狠抓落实，有序推进。进一步明晰要落地、可落地的产教融合项目，紧密对接中心和企业需求，组织开展人才培养方案修订。教师要积极参与生产研发、实践教学，同学们要主动融入产业学院平台，积极参加工程训练，毕业时能够与行业企业岗位无缝对接。

鲁先长在总结讲话中强调，全体三联人要统一思想、认真学习、深刻领会金会庆校长重要讲话精神，提高政治站位，领会精神实质，凝聚共识，齐心协力，以智慧交通现代产业学院揭牌为契机加快推进安徽三联学院人才培养新模式。

安徽三联学院智慧交通现代产业学院揭牌仪式圆满结束。

《央视新闻》报道安徽三联学院 优秀毕业生范泽海抗疫事迹

2022年5月4日青年节，央视新闻和新华社在吴淞口国际邮轮港方舱医院采访了上海市第十人民医院护士、安徽三联学院护理学院2021届护理学专业优秀毕业生范泽海。

范泽海，出生于2000年6月，于2020年6月加入中国共产党，2021年8月考入上海第十人民医院，目前是上海第十人民医院年龄最小的党员。2022年3月，上海出现大规模疫情，在疫情防控关键时刻范泽海主动加入上海方舱医疗队，战斗在疫情防控一线。

自3月29日至今，范泽海辗转于三个方舱医院，大到对生命垂危病人的体征监护，小到完成一次“三查七对”的问询。作为去年刚刚进入临床岗位的新护士，范泽海连续历经重症监护室与普通病房的锤炼。救援期间，范泽海以青年党员的身份在舱内协助组织了入住党员的“双报到”工作并建立起一支党员志愿者队伍；在工作过程中对患者的心

00后的责任与担当：不给组织添乱 一切行动听指挥

理与情绪加以抚慰，耐心倾听患者的心声并解决问题，当了解到舱内有很多幼儿患者时，志愿者队伍便为小朋友设置了一片专门的区域即“苗苗乐园”，贴心地为小朋友们提供娱乐与休息的场所。

范泽海在危难之时挺身而出的战“疫”行动，将一名党员的责任与使命发挥得淋漓尽致，展现了三联学子无私奉献和勇于担当的精神风貌。

合肥高新区青年企业家协会（青商会） 来访安徽三联学院洽谈合作

2022年6月8日上午，合肥高新区青年企业家协会（青商会）会长、安徽振升保安服务集团有限公司党委书记、董事长窦开宏携会员单位青年企业家一行12人来学校交流洽谈。校党委副书记、副校长鲁先长，副校长江秀丽出席洽谈会，交通工程学院、计算机工程学院、动漫与数字艺术学院、护理学院、就业创业处、实践教学部等部门主要负责人参加会议。会议由副校长蔡文芬主持。

会上，鲁先长首先代表学校向出席此次会议的高新区青年企业家协（商）会企业代表表示热烈欢迎，并简要介绍了学校的基本情况。他指出，发展校行企合作是学校推进产教融合的重要方式。协（商）会作为合肥高新区优秀青年才俊共同组建的平台，自成立至今在创新创业、平台共建、组织培训、走访调研、社会责任等方面都取得了显著成效。期望校行双方能以此次洽谈会为起点，扎实推进合作，持续增强互信，形成校—行—企良性合作生态，实现共同发展。

窦开宏介绍了协（商）会的相关情况，并代表会员企业提出了合作需求。他表示，协（商）会可

以统筹协调高新区300余家会员单位与学校开展紧密深度合作，通过“企业家进校园”，打通会员企业与学校对口专业的实习实训、毕业生就业通道，聘请学校专家担任协会创业导师等形式，与学校建立起长期、务实、有效的合作模式。

之后，参会的二级学院负责人与企业负责人就双方的合作需求进行深入讨论，会场讨论气氛热烈，达成了多项共识。

蔡文芬作总结讲话。她指出，与省内行业企业的合作是推进学校产教融合教育教学改革、建设地方高水平应用型大学的重要内容，也是学校落实协同育人的自然选择。高新区是安徽加快推进“三重一创”和“三地一区”建设的先行示范区，科技资源禀赋丰裕；协（商）会有高新技术企业资源的集聚与协调优势，可以释放强大的合作势能。学校学科专业与协（商）会会员企业需求匹配度高，相互间合作潜力较大、合作空间广阔。期望双方加强联系，保持常态化沟通协调，主动探寻合作具体领域和模式，推动校行企合作走深走实，实现多方共赢。

安徽三联学院赴三联交通公司开展 访企拓岗促就业专项行动

2022年5月6日，安徽三联学院副院长蔡文芬带领交通工程学院、就业创业处、实践教学部负责人一行5人前往安徽三联交通应用技术股份有限公司开展访企拓岗促就业专项行动。公司副总经理赵翀、副总经理兼拓展部总经理吴岳松、拓展部副总经理张燕、人力资源部总监郭珂、招聘主管孙超等出席活动。

按照“全面深化校企合作、供需对接”的访企拓岗促就业行动目标，双方就学校2022届毕业生开拓更多就业岗位和机会进行了深入沟通交流。据不完全统计，目前学校累计120余名毕业生分布在公司的相关岗位上，均表现出良好的专业素质和精神风貌，其中有不少优秀毕业生得到重用。

蔡文芬感谢公司领导对学校学生在实习就业过程中的培养与关爱，给学生的快速成长和实践锻

炼搭建了平台。学校将以此次“访企拓岗促就业行动”为契机，拓宽延伸与公司的深度合作，尤其在拓展岗位、打造就业先进典型、高质量实习就业等方面，不断提升双方合作质量。她充分肯定了“三联工程技术双元班”的合作模式，提出需进一步创新合作机制，灵活育人形式和丰富育人内容，不断提升“双元班”的吸引力和竞争力。

安徽三联交通应用技术股份有限公司是学校最早的校企合作单位，特别是近几年，学校以“交通安全类”专业群建设为主线，在资源共享、平台共建、人才共育、过程共管等方面深度融合，较好地促进教育链、人才链与产业链、创新链有机衔接。

“融入-融通-融合‘1223’产教融合协同育人模式的探索与实践”获安徽省教学成果一等奖；“科研引领、产教融合、专业集群—交通安全应用型人才探索与实践”获安徽省教学成果二等奖和交通教育科学研究优秀成果一等奖。

此次访企拓岗是学校落实2022届毕业生充分高质量就业的关键一环，接下来学校将继续通过“走出去”“请进来”“云走访”等方式，主动走访用人单位，开展社会需求调查、进行毕业生就业状况跟踪、深化校企合作和供需对接，大力开源拓岗，拓宽就业新空间，为毕业生充分高质量就业保驾护航。

安徽三联学院赴中国科学技术大学附属第一医院 开展访企拓岗促就业专项行动

为扎实做好访企拓岗促就业专项行动，助力毕业生高质量就业，2022年6月10日下午，副院长

蔡文芬、校长助理李媛媛带领护理学院相关人员赴中国科学技术大学附属第一医院交流考察，中国科

学技术大学附属第一医院党委委员、工会主席储晓红热情接待了学校一行。

双方就进一步拓宽毕业生就业渠道，围绕深化校企合作、实习生临床实习管理、护理岗位招聘及毕业生实习就业等方面内容展开深入交流。蔡文芬

向院方介绍了学校的发展历程，并详细了解了医院的建设发展情况、护理人员的管理模式、2019级本科实习生以及往届学生在工作岗位上的表现等情况，同时诚邀医院领导来三联学院参观指导工作。李媛媛表示，希望双方继续在学科专业、教学资源、教学科研、论文指导、在职学习、实训基地等方面开展深度合作，并达成合作意向。

储晓红根据历届实习生在工作岗位上总体表现情况，对学校护理专业的人才培养工作提出宝贵意见。

护理学院执行院长兰先兰、科研副院长胡建国、学管副院长刘晓蓉等参加了此次交流考察。

安徽交通建设股份有限公司赴安徽三联学院开展深度合作研讨

2022年5月26日下午，安徽交通建设股份有限公司副总工程师宣菲、人力资源总经理吴海燕、人事经理沈艳军至安徽三联学院交流产教融合事宜，学校副校长张世伟、蔡文芬及交通工程学院领导参加研讨会。

研讨会首先讨论了前期合作的成果，特别是四届“安徽交建冠名班”的成功举办及创新发展问题，

双方一致认为“冠名班”的形式非常好，已达到1.0版本的预期目标。但随着“新基建”“智慧工程”等企业发展转型要求的提高，企业工程技术人才个性化需求的加大，“专、新、宽”型工程技术人才越来越缺乏，下一步将开启“冠名班”的2.0版本模式，以项目化任务为驱动，提高校企育人质量。

宣菲从工程技术角度提出目前企业在人才需求方面的困难。安徽交通建设股份有限公司作为A股主板上市企业，是安徽省资质齐全、资质等级较高的公路、市政基础设施施工企业之一。目前企业正在高速发展阶段，创新型工程技术人才缺乏已初现端倪，现代工程项目需要结合多学科专业人才，如无人机飞测、BIM建模、项目数字方案设计等，双方要突破传统的合作模式，构建迭代反馈式合作平台，按照企业项目要求开展新型的“能力包化”人才培养，更好助力企业智慧工程、数字工程等前

沿技术人才储备。

蔡文芬肯定了双方五年来的务实合作，此次深度产教融合研讨正是响应了教育部“全面深化校企合作、供需对接”的访企拓岗文件要求，希望双方能够进一步总结和凝练合作的特色与成果。

张伟伟介绍了学校正在积极筹建的现代交通产业学院的思路，其构想与企业所期待的“能力包化”、项目驱动等创新人才培养高度契合，学校在产教融合深入合作过程中不断站在企业角度思考“怎样培养人”“培养什么水平的人”等关键问题。近年来，三联学院与相关企业开展了“工作室”“共建实验室”“冠名班”“双元班”等一系列产教融合育人改革创新，其实质就是更高质量的培养人才、更好服务企业所需。同时，学校发挥国家级工程技

术中心、省级重点实验室等科研平台优势，以硕士学位授予权立项建设为主线，与企业开展了开放课题申报、科技评奖、产品研发攻关等一系列合作，均取得显著成果。他十分期待与安徽交通建设股份有限公司进一步深入合作，真诚地欢迎公司加入现代交通产业学院的企业联盟，共同打造现代交通产业人才培养的新高度。

研讨中，双方就产教融合研讨机制达成了共识，通过校企动态沟通、反馈、改进，营造深度合作氛围，形成双向良性循环态势。此次研讨交流，进一步实现了双方的资源共享、合作共赢，为开展现代交通产业学院的合作建设奠定了基础。

安徽三联学院与华夏银行合肥分行举行校企合作洽谈会

2022年5月19日下午，安徽三联学院与华夏银行合肥分行校企合作洽谈会在T608会议室举行。华夏银行合肥分行人力资源总监傅凯、个人业务部总经理刘浩、信用卡中心总经理陈东阳以及经开区支行行长陈前锋等一行6人，学校副校长蔡文芬，实践教学部、就业创业处、财会学院与经济管理学院相关负责人参会。洽谈会由蔡文芬主持。

会上，校企双方代表分别介绍了学校和企业基本情况。之后，双方在友好、坦诚的氛围中交流了毕业生实习与就业等相关合作内容。傅凯指出公司主要业务岗位与学校学科专业契合度高，银校合作潜力好，公司将会根据学校需求，有针对性地释放部分职业岗位，保障学生实习与就业需求，支持学校人才培养。

蔡文芬就华夏银行合肥分行的合作意愿表达了感谢，并指示相关学院会后要做好跟踪对接，凝聚合作共识，争取尽快达成合作协议。她强调，为

统筹抓好毕业生实习与就业工作，学校高度重视、

精心组织、多措并举，扎实推进访企拓岗促就业专项行动，截至目前已经取得了阶段性成效。学校愿与以华夏银行为代表的金融业优质企业开展合作，立足相互需求，以学生为中心，协同推进零售金融、金融科技等方向的人才培养，推动校企深度融合。

安徽三联学院与用友·新道公司举行会计学（智能会计）专业签约仪式暨财会类专业访企拓岗线上专场招聘会

2022年5月20日下午，安徽三联学院与新道科技股份有限公司在T412会议室举办了会计学（智能会计）专业签约仪式暨财会类专业访企拓岗线上专场招聘会。新道公司助理总裁师唯伟、安徽省区总经理侯腾飞、校企合作经理康阿朋、驻校导师吴玉梅；三联学院副校长蔡文芬、宋梦岚，实践教学部部长王力、财会学院教学副院长朱海涛参加了签约仪式。仪式由校长助理、财会学院执行院长王峰主持。

宋梦岚代表学校致辞。她指出，学校与新道秉持相同的育人观，三年来双方在课程与教材、师资队伍、第二课堂等方面合作取得了显著成效。期望接下来双方以此次签约仪式为契机，落实落细各项

合作，提升合作层级，形成典型示范，强化推广应用，合力破解人才培养与产业需求“两张皮”现象。新道驻校导师吴玉梅汇报了共建专业近三年的主要建设成效，之后朱海涛从合作模式与内容、双方权利义务等方面解读了修订版本的专业共建协议。双方就下一步校企合作内容进行了深入交流。

随后，蔡文芬与师唯伟分别代表校企双方在共建会计学（智能会计）专业协议书上签字。

经前期校企双方详细策划和周密安排，签约仪式结束后，新道组织了用友网络科技股份有限公司安徽分公司等4家产业链合作企业开展了财会类专业访企拓岗线上专场招聘会。财会类专业130余名毕业生代表参加了线上招聘会。

安徽三联学院与新道科技股份有限公司成功签约，合作共建智能会计专业，是双方顺应国家和学校产教融合发展战略，立足前期双方合作基础，进一步深化产教融合校企合作的重要举措，有利于双方共享共建优质教学资源，深化教育教学改革，强化专业内涵建设，凝练办学特色，培育优秀人才，形成产教融合、双元育人的良性生态。

安徽三联学院与合肥黑土妈妈信息科技有限公司 共建创新营销班

为深化校企合作，拓宽就业渠道，不断探索产教融合育人模式，2022年5月24日，副校长蔡文芬、实践教学部部长王力及经济管理学院执行院长占海文、副院长郝西文等赴合肥黑土妈妈信息科技有限

公司开展访企拓岗专项行动，为合作共建产教融合平台“创新营销班”进行签约揭牌，公司总经理陶立鸣、人事总监黄影等出席活动。

会议伊始，陶立鸣对学校一行到访表示热烈欢

迎，就公司发展历程、产品概况、企业文化等做了介绍，对合作共建平台、共同培养人才寄予期望。郝西文围绕班级组建、培养计划、教学管理、实习就业等方面对黑土妈妈创新营销班建设方案进行解读。校企双方针对方案做了建设性发言，就应用型人才培养、师资培训、课程建设、新零售模式等方

面进行交流和探讨。

蔡文芬在讲话中对共建创新营销班前期所做的工作与努力表示肯定，充分认可合作共建方案中的人才培养模式与相关安排，她表示，产教融合要不断深化教学模式改革，探索推进校企专业共建，充分发挥各自资源优势，实现校企互利共赢。

随后，蔡文芬、陶立鸣分别代表校企双方在合作共建协议上签字，共同为创新营销班平台、人才培养基地揭牌。

据悉，黑土妈妈创新营销班面向市场营销、电子商务、经济与金融等专业开设，为学生提供储备干部、储备店长、市场企划等实习岗位，并围绕课程实践、校企师资交流等展开产教深度融合。

安徽三联学院与合肥协鑫集成新能源科技有限公司 签订合作协议

2022年5月19日，合肥协鑫集成新能源科技有限公司副总经理吴建文一行5人来三联学院洽谈校企合作事宜。副校长蔡文芬，实践教学部部长王力、电子电气工程学院学管副院长赵利侠参加洽谈会，会议由机器人工程学院执行院长王兴主持。

会上，蔡文芬对吴建文一行的到来表示欢迎，并简要介绍了学校的发展历程、学科专业建设和人才培养特色，她期待校企双方加强沟通与交流，创新校企合作深度融合新模式；吴建文介绍了合肥协鑫集成新能源科技有限公司近年来的建设发展情况及公司当前的最新研发成果，他期待与安徽三联学院形成长期、全面、密切的校企合作关系，希望在人才培养、实习实训等方面进一步加强合作，切实发挥学校的优势，推动企业更快更好发展。

校企双方达成一致意见，未来双方将继续贯彻

落实国家相关政策，充分发挥各自在产业链、教育链的优势，增强产教良性互动，探索更多协同育人新模式。

会议最后，蔡文芬、吴建文分别作为校企双方代表签署了安徽三联学院综合实习基地共建协议书。

三联交通成功研制 C6 考试系统 安徽首考完美收官

2022年5月13日，安徽首场轻型牵引挂车准驾车型（C6）驾驶证增驾科目二考试在合肥市公安局交警支队车管所新亚考场顺利开考。三联交通公司作为新亚考场C6新系统的承建方，负责了软件部署与调试，并为此次省内首场C6考试提供了全程保驾护航。

据悉，新修订的《机动车驾驶证申领和使用规定》（公安部令第162号）已于4月1日正式实施，新增轻型牵引挂车准驾车型（C6），以更好满足群众驾驶房车出游需求，促进房车旅游新业态发展。为积极响应公安部新部令要求，公司领导高度重视，认真安排部署，研发人员夜以继日、认真钻研，成功研制了全新一代SL2306 II -C6型考试系统，在行业内率先通过公安部权威检测。为保障省内首场C6考试顺利开考，公司运维技术团队全天候坚守服务一线、全身心投入系统调试，确保了系统上线工作顺利完成。13日上午，安徽省公安厅交警总队和合肥市公安局交警支队领导一行在公司董事长王江波、总经理金磬等陪同下亲临新亚考场，现场

考察调度考试工作。

作为安徽首场C6考试，此次考试也吸引到了省内众多主流媒体争相报道。首日考试共有5位考生参加，年龄最大的即将年满60岁，最小的一位是“90后”，其他报考人员则均为“80后”。首位参加考试的张女士在完成科目二考试后表示，作为安徽首位C6驾考考生，心情非常激动，自己平时喜欢旅游，相对于一体式房车，自己更偏向于这种拖挂式房车，于是就报考了C6驾驶考试。当天下午，各位考生在通过科目二考试后还来到合肥滨湖车管所参加科目三安全文明考试，并成功取得了C6驾驶证。

此次省内首场C6考试的成功开考，再次展现了公司研发、销售、工程等各系统高效的团队协作能力和高超的技术保障能力。今后，公司将以此公安部新部令全面实施为契机，进一步推进驾考系统优化升级工作，不断提升工程安装、运维服务质量，为构建车驾管服务高质量发展新格局提供有力支撑。

安徽省教育厅年检组莅临安徽三联学院检查指导

2022年5月18日，由安徽省教育评估中心主任汪开寿任组长的省民办高校年检专家组一行5人莅临安徽三联学院开展2021年度检查工作。校董事长余皖生、副校长操晓峰、蔡文芬、刘峥、宋梦岚，财务总监范兆红，校长助理傅炜、王峰及校党办、综合办、教务处、人力资源部、财务处、学生处等相关单位负责人参加检查。

汇报会在图书馆412会议室举行，余皖生代表学校及金会庆校长对专家组各位领导到学校检查指导工作表示热烈欢迎和衷心感谢，并表示学校将按照专家组的要求，全面配合、支持专家组的各项工作。操晓峰从办学方向、办学条件、法人治理、办学行为、财务资产管理情况及上年度年检整改情况等方面对2021年度自查情况进行汇报。

汪开寿就年检工作的程序和年检内容、要求等方面作了简要介绍，强调将重点从学校党组织建设、教育教学、财务资产、师生权益保障、安全稳定方面入手，通过听取汇报、查阅年检支撑材料，对相关部门负责人进行访谈，与师生座谈等多种形式，对学校2021年度办学情况进行全方面检查。

通过检查，专家组肯定了学校2021年度办学所取得的成绩，同时对年检中存在的不足提出具体指导性意见与建议。

余皖生指出，专家组提出的意见和建议客观中肯，对学校发展建设具有积极的指导意义，学校将认真总结、梳理专家的反馈意见，贯彻落实年检组专家提出的进一步要求，针对学校发展过程中存在的短板进行逐一整改，不断提升办学水平，促进学校各项工作再上新台阶。

安徽三联学院召开智慧交通现代产业学院建设专题会

2022年6月15日上午，安徽三联学院在图书馆518会议室召开智慧交通现代产业学院建设专题会，三联创始人、校长金会庆，三联集团董事长余皖生、执行总裁金馨，三联交通公司领导王江波、方向勇、金来、顾涛，三联学院领导李明阳、张世伟、张树林、秦永元、操晓峰、蔡文芬、江秀丽、

刘峥、宋梦岚、傅炜、王峰、李媛媛，校监事会主席唐毅出席会议。各二级学院执行院长、职能处室负责人参加会议。会议由校党委副书记、副校长鲁先长主持。

会议第一阶段，金会庆做智慧交通现代产业学院建设专题报告，围绕产业学院建设的背景、基础、

蓝图三个方面进行了解读。金会庆指出，现代产业学院建设是贯彻落实国务院办公厅《关于深化产教融合的若干意见》和教育部《现代产业学院建设指南（试行）》等文件精神，推进产教融合的重要举措。学校办学以来，顺应社会发展与国家政策的支持，有着深厚的产教融合土壤和环境，依托集团三次创业成果，从布局产学研到培育新功能再到打造产教融合新模式，经历了融入—融通—融合三个过程，不断推进了更深层次产教融合应用型人才培养模式，成为学校的办学基因。建设现代产业学院是推进产教融合、破除人才培养供给侧和产业需求侧“两张皮”的重要抓手，对推进应用型高水平大学建设，更好服务经济地方发展有重要意义。

会议第二阶段为智慧交通现代产业学院建设专题研讨会，与会人员就产业学院建设中需关注的资源投入、目标定位、制度机制、人才培养、建设成果、共建方权益等问题进行了深入研讨。针对现代产业学院下一步建设，金会庆提出了三点要求：一要继续深化对产业学院的认识，树牢目标意识，真抓实干完成各项任务；二要紧密推进，加强过程建设，明确产业学院建设的核心内容，强化落实，

提升质量；三要进一步彰显产业学院人才培养的优势，突出智慧交通特色，在组织、模式、管理上有所创新。

鲁先长在总结讲话中表示，金会庆校长对产教融合的历史、未来发展蓝图的描绘，立意高远，理论有高度，思维有深度，具有很强的针对性和指导性，是应用型高水平大学建设抢抓机遇、迎难而上的破冰之举，全校上下要提高政治站位，领会精神实质，统一思想、凝聚共识、齐心协力加快推进安徽三联学院人才培养新模式。

安徽三联学院 2022 届毕业生毕业典礼 暨学士学位授予仪式顺利举行

又是一年毕业季，奋楫扬帆正当时。2022年6月21日上午，安徽三联学院2022届毕业生毕业典礼暨学士学位授予仪式在图书馆学术报告厅举行。校长、校学士学位评定委员会主席金会庆教授，省教育督导专员、校党委书记李明阳，校党委副书记、副校长鲁先长及其他在肥校党政领导出席典礼并在主席台就座。学校相关部门负责人，各二级学院领导、教师代表以及身着学士毕业服的120名2022

届毕业生代表参加典礼。典礼由副校长宋梦岚主持。未能到场的2022届毕业生通过观看直播的方式“云”聚三联，共同见证自己的毕业盛典，他们顺利完成学业，即将奔赴祖国各地奋勇建功，开启人生新征程。

毕业典礼在庄严的国歌和校歌声中拉开帷幕。副校长蔡文芬宣读了省普通高等学校优秀毕业生表彰文件；副校长操晓峰宣读了准予2022届本科生

毕业的决定和授予 2022 年上半年本科毕业生学士学位的决定。护理学院毕业生李恬恬、马克思主义学院教师高元龙分别做代表发言。

在热烈的掌声中校长金会庆教授作重要致辞。他首先代表学校，向各位毕业生表示最热烈的祝贺，向辛勤培育、一路陪伴同学们进步成长的老师、家长们表示最衷心的感谢！他强调，2022 届毕业生是最特殊的、最幸运的、最优秀的。他们共同见证了改革开放 40 周年、新中国成立 70 周年、建党 100 周年和建团 100 周年，他们共同携手抗疫，共克时艰；他们是学校快速发展的见证者、参与者与受益者，陪伴学校通过教育部本科教学工作合格评估，获批硕士学位授权立项建设单位，获评全国

暑期“三下乡”社会实践活动优秀单位，投入使用 106 亩教学新区等等；他们深耕学业、锻造品格、追求卓越，在三联的沃土上拔节孕穗、蜕变成长。

临别之际，金会庆校长向同学们提出三点希望：一要坚定理想信念，做不忘初心的追梦者，把个人理想融入到国家和民族的伟大梦想之中，将爱国之志转化为勤勉工作的动力源泉，在实现“中国梦”的伟大实践中书写华丽的人生；二要正修为，做自律自强的践行者，保持自律、拥抱自强，用刚毅卓的优秀品格成就幸福的人生；三要干实事，做知行合一的奋斗者，在平凡的岗位上脚踏实地，笃行实干，以“高效、廉洁、勤勉、务实”的作风投入到今后的工作中去，在拼搏奋斗中绽放出彩的人生。

讲话结束后，金会庆校长为 2022 届本科毕业生代表颁发毕业证书和学士学位证书，并扶正流苏。

在热烈的掌声中，毕业典礼圆满落下帷幕！数载朝夕，一朝别离，毕业生们纷纷表达了对母校的依依不舍和对未来生活的美好憧憬。他们即将踏上新的征程，愿他们谨记“厚德 博学 砺能 树人”的校训，在母校的嘱托中，开启人生新篇章。

安徽三联学院成功举办 2022 年春季校园专场招聘会

为更好地拓宽毕业生就业渠道，提高就业质量，扎实做好“稳就业”工作、落实“保就业”任务，2022 年 5 月 31 日上午，安徽三联学院联合合肥经济技术开发区人力资源中心、肥西县人力资源和社会保障局在校图书馆广场共同举办“厚德博学扬帆远航”2022 年春季校园专场招聘会。

此次招聘会汇集近 100 家用人单位，为毕业生提供 1000 余个就业岗位。此次招聘会行业覆盖面

广、招聘岗位多样，现场气氛热烈，同学们主动与用人单位沟通交流，详细了解企业情况、岗位职责等相关信息，还结合自身优势和意向积极选择心仪的单位投递简历，取得很好的招聘效果。

校长金会庆教授，省教育督导专员、校党委书记李明阳，校党委副书记、副校长鲁先长等党政领导及经开区人事劳动局张华副局长和肥西县人社局王华友副局长等领导亲临双选会现场调研指导，与

用人单位和毕业生亲切交谈。金会庆教授就学校就业工作提出指导意见，他指出，招聘会为学校 and 用人单位搭建了沟通的桥梁，不仅有利于用人单位吸纳优秀毕业生，优化人才结构，促进企业发展，也极大提高了毕业生高质量就业的精准性和匹配度，有利于毕业生在“最难毕业季”更加快速、准确地找到自己心仪的工作岗位。他希望，学校要进一步加强校地合作、校企对接，全面实现资源共享，充分发挥学校就业主渠道作用，实现毕业生更加充分更高质量就业。

就业是民生工程、民心工程、根基工程。安徽三联学院始终高度重视学生就业，坚持人才培养和服务社会相结合，通过精准匹配、精准推送和精准帮扶，助力毕业生更高质量充分就业。此次招聘会既是学校抓住毕业生就业冲刺期，促进毕业生充分

就业的有力手段，也是进一步推进引导学生留皖、留肥就业的重要举措。招聘会现场井然有序，实现了疫情防控和促进就业两不误的目标。

师生共战惊鸿起 群雄逐鹿见英姿

——安徽医药卫校召开 2022 年招生动员大会

2022 年 5 月 12 日，护士节来临之际，在做好各项疫情防控工作的前提下，安徽医药卫校在教学楼多功能厅召开 2022 年招生工作动员大会。校党总支书记方劲松、校长洪梅、副校长胡军健、校长助理徐晶晶出席会议，各部门负责人携本部门全体教职员工参加会议，会议由招生办公室副主任司蓉主持。

洪梅作 2022 年招生工作报告，全面阐述了招

生工作的紧迫性和必要性，对学校 2022 年招生工作有很强的指导意义，她首先对 2021 年招生工作进行全面回顾，对 2021 年招生取得的成绩给予肯定；其次从 2022 年招生形势分析、招生难点应对策略、政策解读等三大方面进行招生动员，向与会教职工详细说明了关于招生的各方面问题。她希望全体教职工充分认识招生工作的重要性，在进一步做好本职工作的同时，积极参与招生工作，为学校

发展贡献自己的力量。

2021年学校招生工作先进个人赵丹丹老师在会上分享了自己的招生心得和经验，希望老师们心往一处想，劲往一处使，共同圆满完成学校2022年招生工作。

各部门负责人分组依次上台和学校签订2022

年招生工作责任状，随后洪梅、胡军健代表学校分别向各部门负责人授招生战旗。授旗后，各部门全体成员在本部门负责人带领下进行招生誓师，一句句不同但又带有本部门特色的招生口号让大家群情振奋、斗志昂扬。相信各部门将以毫不懈怠的精神状态和愈战愈勇的战斗姿态，抱定战则必胜的信心，圆满完成招生工作。

本次大会进一步明确了2022年工作思路、工作重点和工作目标，有利于全体教职员工精准落实，积极推进招生工作，为学校的发展和建设做出更大贡献。此次招生动员大会在方劲松发布的2022年招生总动员令中圆满落幕。

提升应急救援能力 筑牢校园安全防线

——安徽医药卫校开展应急救援演练活动

2022年5月12日，在国家第14个全国防灾减灾日来临之际，为进一步提高师生防灾减灾意识、应急避险和自救自护的能力，安徽医药卫校结合2022年“减轻灾害风险，守护美好家园”的防灾减灾主题，学校应急救援培训队在教学楼多功能厅开展应急救援知识技能培训。

本次应急救援演练以2014年上海外滩踩踏事故为背景，从事故发生后的接警到应急救援任务的完成，切实通过情景模拟最大程度还原应急救援实地现场。本次演练设置1人左手臂大面积擦伤、1人头部创伤、1人右大腿中段闭合性骨折三个受伤场景，受伤员所处环境的评估、每个伤员的救护处置救护、救护队伍的心理辅导和对外联络，都一一做出详细演示。

作为卫生类职业学校，学校始终坚持“办一流红十字特色学校，育最佳基层医护人才”的办学宗

旨，充分弘扬“人道、博爱、奉献”的红十字精神，注重人才培养的质量和规格，不断向社会输送优秀的基层医护工作者。通过此次演练，培养了学生良好的安全意识，提高了师生自救和救他的技能，增强了学校应对突发灾难事件的应急处置能力，为建设平安校园、促进学校和谐发展奠定了坚实基础。

安徽三联学院举行纪念建团一百周年 暨新团员入团宣誓仪式

2022年5月4日，安徽三联学院在运动场举行纪念建团一百周年暨新团员入团宣誓仪式，省教育督导专员、校党委书记李明阳出席仪式并讲话，校党委副书记、副校长鲁先长，校党委委员宋梦岚、李斌、王峰、占海文、张启元参加仪式。团委副书记刘德科主持仪式。

仪式在庄严的国歌声中拉开序幕，宣读名单后，李明阳、鲁先长及党委委员分别为新发展的80名新团员佩戴团徽，并表示祝贺。新团员面对鲜红的团旗庄严宣誓，朱雨辛同学代表新团员发言，表达继承和发扬五四精神，始终坚定不移跟党走、以新面貌奋进新征程的决心。

李明阳在讲话中首先代表学校党委向新入团的同学表示祝贺，并向全校广大团员青年致以节日的问候。他指出，在学校党委的领导下，安徽三联学院共青团始终坚持以习近平新时代中国特色社会主义思想为指导，继承和发扬“党有号召、团有行动”的光荣传统，围绕立德树人根本任务，聚焦共青团主责主业，在思想引领、组织宣传、校园文化、社会实践、志愿服务等多点发力，学校共青团各项

工作和建设取得了新进步、实现了新发展。

他强调，学校团学组织和广大团员青年要认真领会习近平总书记在中国人民大学考察时重要讲话精神，牢记党的教诲，立志民族复兴，不负韶华，不负时代，不负人民，在青春的赛道上奋力奔跑，争取跑出当代青年的最好成绩。

他希望，广大团员青年要树立远大理想，勇担时代重任；要热爱伟大祖国，砥砺奋斗前行；要练就真本领，锤炼好品德。学校团学组织和广大团学干部要把围绕中心、服务大局作为工作主线，勇于自我革命，堪当青年榜样。

建团百年之际，安徽三联学院隆重举行纪念建团一百周年暨新团员入团宣誓仪式，为团组织注入了新鲜血液的同时弘扬并传播了以爱国主义为核心的五四精神，增强了学生责任感与使命感，并激励三联广大团员青年以实现中华民族伟大复兴为己任，努力拼搏，积极进取，让青春在全面建设社会主义现代化国家的伟大事业中焕发出更加绚丽的光彩，并以更加优异的成绩向党的二十大献礼。

二级学院党委（党总支）书记、团总支书记、副书记、新团员及学生干部代表参加仪式。

安徽医药卫校党总支深入学习习近平总书记给 南京大学留学归国青年学者的回信精神

2022年5月18日，习近平总书记给南京大学留学归国青年学者回信，勉励留学归国青年学者在坚持立德树人、推动科技自立自强上再创佳绩，在坚定文化自信、讲好中国故事上争做表率。安徽医药卫校党总支委员会集中学习了回信精神和习近平总书记在考察中国人民大学时的重要讲话、习近平总书记在庆祝中国共产主义青年团成立100周年大会上的重要讲话精神，新修订的《中华人民共和国职业教育法》等内容。

校党总支书记方劲松说，习近平总书记的回信精神，体现了党中央对留学归国青年学者的高度重

视和殷切关怀。我们生逢伟大时代，定要心系“国家事”，肩扛“国家责”，以只争朝夕的精神，为安徽乃至国家的医药卫生事业贡献智慧和力量。习近平总书记在考察中国人民大学的重要讲话是新时代新征程上加强党对教育事业全面领导的纲领性文献，是激励学校师生爱党报国的根本性指引。习近平总书记关于“做好青年工作”的重要指示精神，教育引导了青年学生牢记党的教诲，立志民族复兴，努力成为有理想、有情怀、有担当、有技能的社会主义事业的合格建设者和可靠接班人。

校党总支委员徐晶晶说，认真学习习近平总书记在考察中国人民大学时的重要讲话精神后，内心始终激动不已，作为一名教育工作者，将以饱满的热情投身工作，引导教育学生传承发扬好爱国精神。习近平总书记在庆祝中国共产主义青年团成立100周年大会上的重要讲话让人温暖感动，充满信心，要坚持把培养社会主义建设者和接班人作为根本任务，进一步弘扬中华优秀传统文化，引导年轻一代做到文化自信，为实现中华民族伟大复兴的中国梦而努力。

同迎二十大 共襄千秋业

作者：余志华

万民圆梦太平年，举国同书锦绣篇。
相聚北京谈国策，复兴民族建良言。

神州共创千秋业，盛会高扬万里帆。
资政方针开好局，献身华夏奋争先。

王道麟同志入职安徽合肥医药卫生学校工作28年来，始终恪尽职守，甘于奉献。他用耐心、爱心和责任心服务着每一位师生，为大家办实事、做好事，以实际行动生动诠释了雷锋同志的“螺丝钉”精神。

勤耕细作 无私奉献

——记安徽三联集团2021年度先进个人、安徽合肥医药卫生学校总务处、保卫处主任王道麟

后勤工作是学校工作的重要组成部分，也是学校发展的基础保障。新形势下，随着学校后勤工作规范化持续推进，王道麟同志不断强化服务意识、全局意识，全心全意为教学一线服务，为学生的生活和学习服务。当水电故障无法解决的时候，他亲自到现场解决问题；学生宿舍厕所遇到下水道堵塞问题，他不怕脏不怕累亲手梳理畅通；为了解决学生宿舍空调滤网脏污制冷热效果差的问题，他亲自示范并制作小视频指导学生清洁滤网。校园里处处都是他辛勤付出、默默奉献的身影。

校园工作无小事，王道麟同志将为师生服务的意识扎根于心，落实于行。师生们常常说：在校外遇到问题找警察，在学校有困难就找王主任。从校园各项设施设备维护到各类防疫物资搬运，他始终冲在服务保障一线，切实履行着三联人的责任与担当。特别是2021年校园暑期维修改造工程，时间紧、任务重，他带领他的团队夜以继日、埋头苦干，最终圆满完成维修改造项目。一幅幅忙碌奔走、兢兢业业的画卷，诠释了三联人的执着与坚守！

以微笑做好服务，以真诚赢得尊重。王道麟同志作为学校的一名基层管理者，身兼重任却从不喊苦，为全体三联人做出了榜样。他和他的团队在工作中勤耕细作，无私奉献，以不懈的努力书写着后勤及安保工作的感人事迹。在以后的工作中，王道麟同志将以更饱满的工作热情，更昂扬的精神状态、更坚定的服务意识，继续做好师生的“服务员”、校园的“好管家”，为师生的校园生活保驾护航。

立夏时分

“星月夜，夏蝉鸣。春渐去，夏当立。夏木成荫，粉荷露角。晨风拂过，吹散喧嚣。”

一不小心，时光就来到了5月份开始——立夏。雨一过，飒飒地落叶，是仍未离去的美。初长的嫩芽不舍枝头，这是尚未褪尽的美。流苏穗着冬衣，是父母的叮嘱。这一日，我们告别了还未曾消散的春，便邂逅了这经历了立夏时刻的三联。

“少年听雨阁楼上，红烛昏罗帐。”在雨声中，你听到了什么？是图书馆里的看书声？亦或是雨下来来往往，神色匆忙的老师和同学的踏雨声？

在烟雨朦胧中，路灯的光使得黑夜都是流光溢彩。雨中的夜总是静悄悄，这时的操场透露着一丝缱绻怡然。雨后的立夏时分，透露出一种无人敢打扰的宁静，此时的夜空似比以往更真切了些。

夜晚过去，清晨的阳光洒落，金色的温暖送来了三联的味道，少年的身影总是与树影的余晖相融。每一个来来往往的少年或多或少，总是拿着几本从图书馆借阅的书籍，在路上抽出空闲的时间来阅读。

顾城在《门前》写道“草在结它的种子，风在摇它的叶子，我们站着，不说话，就十分美好。”图书馆的窗子，在无人打扰的隙间留下了细碎的光斑，太阳的暖意逐渐塞满了整个房间。我们在这里，学习了一个又一个下午。图书，吸引着我们的不只

是阳光的温暖，还有一种特别的、独属于立夏的魅力。

晴天、阴天、下雨天，无论什么样的立夏时分，我们都在这里求知、求学、相知、相爱、打闹、嬉戏，这是立夏的三联，也是最热闹的三联。一年又一年，三联迎来和送走了一批又一批拥有着梦的青年，我们在这里体味生活，感受着立夏别样的魅力。镜头下抓到的不是风景，而是时空。镜头闪过，我们握住的亦是光影。

立夏，无论晴天还是雨夜，总是随着时间的在指尖的流逝而离去。落下的春，迎来了美丽的夏。此刻，无论什么样的天气，总是有着独属于它的魅力。在这里，每一天都是新的一天。

忘不了躲在角落里的猫咪、也忘不了那一处独特的“心”、更忘不了晴空下的教学楼和图书馆、亦是忘不了天桥下的马路。

立夏有着一种独特的魅力，让我们就算独自一人中也能不惧严寒。在这里相聚，是青春的选择，亦是时光的吸引。我们在这里前行，共同让自己的青春散发光热。让我们一起踏过这立夏时分，在这“小荷才露尖尖角”中邂逅彼此。

He said that the unveiling of the Modern Industrial School of Intelligent Transportation opens a new journey of integrating industry and education in Sanlian and building a high-level applied university. It will be an open and dynamic platform, and we strive to come out of a modern industrial university road with Sanlian’s characteristics.

Jin Huiqing made an important speech. First of all, he expressed his heartfelt thanks to the comrades of Sanlian Transportation, National Engineering Center and Sanlian University who participated in the construction of Modern Industrial University, and expressed his sincere greetings to the students! Jin Huiqing pointed out that the construction of Modern Industrial School is an important initiative for Sanlian to serve the national strategy again, an inevitable choice for the integration of industry and education to go deeper, a proper meaning to deepen the flat reform, and an ice-breaking move for the development mode of applied universities. With the powerful opportunities from many sides, the university will take the industrial university as a carrier to promote the integration of industry and education, innovate the training mode of composite applied talents, and further improve the quality and level of schooling.

On the occasion of the inauguration ceremony, Jin Huiqing put forward three requirements to the construction of Modern Industrial School of Intelligent Transportation: First, attach great importance to the overall planning. All units should attach great importance to the construction of modern industrial university, from the development of the overall situation, to cultivate high-quality applied talents perspective planning top-level design, promote the work, explore the new mode of training talents in the modern industry of intelligent transportation. Secondly, to formulate planning and clear responsibilities. It is necessary to make a good roadmap, timetable and task list, and follow the principle of “overall layout, step-by-step implementation and project promotion” to take the lead and be a pioneer, so as to provide a new paradigm for the high-quality development of applied universities in the new era. The company’s main goal is to provide a new model for the high-quality development of applied universities in the new era. Further clarify the integration projects of industry-education to be landed and can be landed, closely match the needs of the centre

and enterprises, and organize the revision of talent training programs. Teachers should actively participate in production research and development, practical teaching, and students should actively integrate into the industrial university platform, actively participate in engineering training, and be able to seamlessly match with industry and enterprise positions when they graduate.

In his concluding speech, Mr. Lu Xianchang stressed that all Sanlian people should unify their thoughts, seriously study and deeply understand the spirit of President Jin Huiqing’s important speech, raise their political standing, understand the essence of the spirit, gather consensus and make concerted efforts to accelerate the new mode of talent cultivation in our university with the inauguration of the Modern Industrial School of Intelligent Transportation as an opportunity.

The inauguration ceremony of Anhui Sanlian University Modern Industrial School of Intelligent Transportation was successfully concluded.

CCTV News reports on Fan Zehai, an Outstanding Graduate of Anhui Sanlian University, for His Fight against Epidemics

On May 4, 2022, Youth Day, CCTV News and Xinhua News Agency interviewed Fan Zehai, a nurse from Shanghai Tenth People’s Hospital and an outstanding graduate of the 2021 nursing class from Anhui Sanlian University School of Nursing, at the Square Cabin Hospital of Wusongkou International Cruise Port.

Born in June 2000, Fan joined the Communist Party of China in June 2020 and joined the Shanghai Tenth People’s Hospital in August 2021, where he is currently the youngest member.

Since March 29, Fan Zehai has been transferred to three hospitals, from monitoring the signs of patients with life-threatening conditions to completing a “three inspections and seven verifications” inquiry. As a new nurse who just entered the clinical position last year, Fan Zehai has continuously experienced the intensive care unit and the general ward. During the rescue

period, Fan Zehai, as a young party member, helped to organize the “double check-in” for the incoming party members and set up a party member volunteer team; she comforted the patients’ psychology and emotions during the work process, listened patiently to the patients’ voices and solved problems. When they realized that there were many young children in the cabin, the volunteer team set up a special area for the children, the “Miao Miao Playground”, to provide them with a place to play and rest.

Fan Zehai’s action of coming forward to fight the “epidemic” in times of crisis brought the responsibility and mission of a party member into full play, showing the selfless dedication and courageous spirit of SFU students.

Hefei High-tech Zone Young Entrepreneurs Association (YECA) visited Anhui Sanlian University to Discuss Cooperation

On the morning of June 8, 2022, Dou Kaihong, the chairman of Hefei High-tech Zone Youth Entrepreneurs Association (Youth Chamber of Commerce) and the secretary of the party committee and chairman of the board of Anhui Zhensheng Security Service Group Co. Mr. Lu Xianchang, Deputy Secretary of the Party Committee and Vice President of the university, and Ms. Jiang Xiuli, Vice President of the university, attended the meeting. The meeting was chaired by Vice President Cai Wenfen.

At the meeting, Mr. Lu first expressed a warm welcome on behalf of the university to the representatives of enterprises of the High-tech Zone Young Entrepreneurs Association (Chamber of Commerce) who attended the meeting, and briefly introduced the basic situation of the school. He pointed out that the development of school-industry-enterprise cooperation is an important way for the school to promote the integration of industry and education. As a platform formed by the outstanding young talents in Hefei High-tech Zone, the association has achieved remarkable results in innovation and entrepreneurship, platform

building, training, research and social responsibility since its establishment. It is expected that both sides will take this seminar as a starting point to promote cooperation, continue to enhance mutual trust, form a positive school-business-enterprise cooperation ecology and achieve common development.

Dou Kaihong introduced the relevant situation of the association and put forward the demand for cooperation on behalf of the member enterprises. He said that the association can co-ordinate more than 300 member units in the high-tech zone to carry out close and in-depth cooperation with schools, and establish a long-term, practical and effective cooperation model with schools through “entrepreneurs on campus”, opening up a channel for internship training and graduate employment between member enterprises and their counterparts in schools, and employing school experts as the association’s entrepreneurial mentors.

Afterwards, the heads of the participating secondary schools and the enterprises discussed in depth about the cooperation needs of both sides, and the atmosphere of the discussion was warm, and a number of

consensus was reached.

Cai Wenfen made a concluding speech. She pointed out that the cooperation with provincial industry enterprises is an important element to promote the school's education and teaching reform of industry-education integration and to build a local high-level applied university, and it is also a natural choice for the school to implement collaborative education. The New High-tech Zone is a pioneering demonstration area in Anhui to accelerate the construction of "San Zhong Yi Chuang" (Promote the construction of major emerging industry bases, major emerging industry projects and major emerging industry special projects, build an innovative modern industrial system, and cultivate and strengthen new dynamic energy for economic development) and "Three Places, One Area" (the sources of scientific and technological innovation, clusters of emerging industries, new hub of

reform and opening up, and zones for all-round green transformation of economic and social development), and is endowed with abundant scientific and technological resources; the Association has the advantage of gathering and coordinating the resources of high-tech enterprises, which can release strong cooperation potential. The university's academic disciplines are well matched with the needs of the Association's member enterprises, and the potential for cooperation between them is large and there is ample room for cooperation. It is expected that both sides will strengthen their contact, maintain regular communication and coordination, actively explore specific areas and modes of cooperation, and promote the cooperation between the university, the industry and the enterprises to go deeper and deeper to achieve a win-win situation for all.

Anhui Sanlian University went to Anhui Sanlian Applied Traffic Technology Co., Ltd to Carry Out the Special Action of Expanding Posts and Promoting Employment

On May 6, 2022, Cai Wenfen, Vice President of Anhui Sanlian University, led a group of five persons

in charge of the School of Traffic Engineering, the Employment and Entrepreneurship Department and the Practical Teaching Department to visit Anhui Sanlian Applied Traffic Technology Co., Ltd. Mr. Zhao Chong, deputy general manager of the company, Mr. Wu Yuesong, deputy general manager and general manager of the development department, Mr. Zhang Yan, deputy general manager of the development department, Mr. Guo Ke, director of the human resources department and Mr. Sun Chao, recruitment supervisor attended the activity.

In accordance with the goal of “deepening school–enterprise cooperation and matching supply and demand”, the two sides have conducted in–depth communication and exchanges on the development of more employment positions and opportunities for the 2022 graduates of the school. According to incomplete statistics, a total of more than 120 graduates from the school are currently working in relevant positions in the company, all of whom have demonstrated good professional quality and spirit, and many of them have been reused.

Cai Wenfen thanked the leaders of the company for their care and concern for the students in the internship and employment process, and for building a platform for their rapid growth and practical training. The school will take this “visit to enterprises to promote employment” as an opportunity to broaden and extend the depth of cooperation with the company, especially in expanding jobs, creating advanced employment models, high–quality internship employment, etc., and constantly improve the quality of cooperation between the two sides. She fully affirmed the cooperation mode of “Sanlian Engineering Technology Dual Class” and suggested that further innovation of cooperation mechanism, flexible education forms and rich education contents are needed to continuously improve the attractiveness and competitiveness of the “dual system vocational education class” .

Anhui Sanlian Applied Traffic Technology Co.,

Ltd is the earliest typical school–enterprise cooperation unit, especially in recent years, the school to “traffic safety” professional group construction as the main line, in resource sharing, platform building, talent training, process management and other aspects of deep integration, better promote education chain, talent chain and industry chain, innovation chain organic The integration of the education and talent chains with the industrial and innovation chains. “The exploration and practice of the ‘1223’ model of collaborative education–industry integration was awarded the first prize of Anhui Province Teaching Achievement; “Research–led, education–industry integration, professional cluster –Exploration and practice of cultivating applied talents in traffic safety” won the Second Prize of Anhui Provincial Teaching Achievement and the First Prize of Excellent Achievement of Traffic Education Scientific Research.

This visit to enterprises to expand jobs is a key part of the school’s efforts to implement the full and high–quality employment of 2022 graduates. The school will continue to take the initiative to visit employers, conduct social demand surveys, track the employment status of graduates, deepen school–enterprise cooperation and supply–demand docking, vigorously open up jobs, broaden new employment space, and escort graduates to full and high–quality employment.

Anhui Sanlian University Visited the First Affiliated Hospital of USTC to Carry Out a Special Action to Visit Enterprises and Promote Employment

In order to do a good job in visiting enterprises and promoting employment, and to help graduates to

have high quality employment, in the afternoon of June 10, 2022, Vice President Cai Wenfen and Assistant Principal Li Yuanyuan led relevant staff of the School of Nursing to the First Affiliated Hospital of USTC for exchange and inspection.

The two sides had an in-depth exchange on further broadening the employment channels for graduates, focusing on deepening school-enterprise cooperation, clinical internship management for interns, recruitment for nursing positions and internship employment for graduates. Cai Wenfen introduced the development history of the school to the hospital and learned in detail

about the construction and development of the hospital, the management mode of nursing staff, the performance of the 2019 undergraduate interns and previous students in the workplace, etc. She also sincerely invited the hospital leaders to visit Sanlian University to guide the work. Li Yuanyuan expressed the hope that the two sides would continue to carry out in-depth cooperation in subject specialties, teaching resources, teaching and research, thesis guidance, on-the-job learning and practical training bases, and reach cooperation intentions.

Chu Xiaohong offered valuable advice on the training of nursing professionals in the school based on the overall performance of previous interns in the workplace.

Lan Xianlan, Executive Dean of the School of Nursing, Hu Jianguo, Associate Dean of Research, and Liu Xiaorong, Associate Dean of Academic Administration, attended the exchange visit.

Anhui Transportation Construction Co., Ltd. Went to Anhui Sanlian University for In-Depth Cooperation Seminar

In the afternoon of May 26, 2022, Xuan Fei, deputy chief engineer, Wu Haiyan, general manager of human resources and Shen Yanjun, personnel manager of Anhui Transportation Construction Co., Ltd. visited Anhui Sanlian University to exchange matters on the integration of industry and education. Zhang Shiwei, vice president of the school, Cai Wenfen and leaders of the School of Transportation Engineering attended the seminar.

The seminar firstly discussed the results of the previous cooperation, especially the successful holding and innovative development of the four “Anhui Transportation Construction Title Classes”, and both sides agreed that the “Title Classes” were in a very good form and had reached the expected goal of version 1.0. However, with the increase in the requirements for the transformation of enterprise development such as “new infrastructure” and “intelligent engineering”, and the increase in the personalized demand for engineering talents, there is a growing shortage of “specialized, new and profound” engineering talents. The next step will be to open the 2.0 version of the “title class” mode, driven by project-oriented tasks, to improve the quality of school-enterprise education.

Xuan Fei presented the current difficulties of the enterprise in terms of talent demand from the perspective of engineering technology. As a listed enterprise on the main board of A-share, Anhui Traffic Construction Company Limited is one of the highway and municipal infrastructure construction enterprises with complete qualification and high qualification level in Anhui Province. At present, the enterprise is developing at a high speed, and the lack of innovative engineering talents has begun to emerge. The two sides should break through the traditional cooperation model, build an iterative feedback cooperation platform, and carry out new “capability package” talent training according to the requirements of enterprises’ projects, so as to better assist enterprises’ talent reserves in cutting-edge technologies such as intelligent engineering and digital engineering.

Cai Wenfen affirmed the pragmatic cooperation between the two sides over the past five years, and this seminar on in-depth integration of industry

and education was in response to the Ministry of Education’s document “Comprehensively deepening school-enterprise cooperation and matching supply and demand”, and hoped that both sides could further summarize and condense the characteristics and achievements of cooperation.

Zhang Shiwei introduced the idea of the Modern Transportation Industry School, whose concept is highly compatible with the “competence package” and project-driven training of innovative talents expected by enterprises. “In the process of in-depth cooperation in the integration of education and industry, the university has been thinking about the key questions of “how to cultivate students”? In recent years, Sanlian University and relevant enterprises have carried out a series of “workshops”, “co-construction of laboratories”, “title classes”, “dual system vocational education classes”. The essence is to cultivate talents with higher quality and better serve the needs of enterprises. At the same time, the school has taken advantage of the national engineering technology center, provincial key laboratories and other scientific research platforms, and carried out a series of cooperation with enterprises such as open subject declaration, scientific and technological assessment and award, product development and research, all of which have achieved remarkable results. He is looking forward to further in-depth cooperation with Anhui Transportation Construction Co., Ltd. and sincerely welcomes the company to join the enterprise alliance of the Modern Transportation Industry School to jointly build a new height for the cultivation of talents in the modern transportation industry.

During the seminar, the two sides reached a consensus on the seminar mechanism for the integration of industry and education, which will create an

atmosphere of in-depth cooperation through dynamic communication, feedback and improvement between the school and enterprises, and form a two-way virtuous cycle situation. The seminar and exchange further realized the sharing of resources and win-win cooperation between the two sides, and laid

the foundation for carrying out the cooperation and construction of the Modern Transportation Industry School.

Anhui Sanlian University and Seentao Technology Co.,Ltd. Held a Signing Ceremony for Intelligent Accounting Majors and a Special Online Job Fair for Accounting Majors to Visit Enterprises and Expand Their Positions

In the afternoon of May 20, 2022, Anhui Sanlian University and Seentao Technology Co., Ltd. held a signing ceremony for the accounting (intelligent accounting) major and a special online job fair for accounting majors to visit enterprises and expand their positions in T412 conference room. The signing ceremony was attended by Mr. Shi Weiwei, Assistant President of Seentao, Mr. Hou Tengfei, General Manager of Anhui Province, Mr. Kang Apeng, Manager of School-Enterprise Cooperation, and Mr. Wu Yumei, Resident Tutor; Ms. Cai Wenfen and Ms. Song Menglan, Vice Principals of Sanlian University, Mr. Wang Li, Director of Practical Teaching Department, and Mr. Zhu Haitao, Vice Dean of Teaching of Accounting and Finance University. The ceremony was hosted by Wang Feng, Assistant Principal and Executive Dean of the School of Accounting and Finance.

Song Menglan delivered a speech on behalf of the school. She pointed out that the school and Seentao share the same view of education, and the two sides have achieved remarkable results in the past three years in terms of cooperation in curriculum and teaching materials, faculty and second classroom. She hoped that both sides would take this signing ceremony as an opportunity to implement the cooperation, raise the level

of cooperation, form a typical demonstration, strengthen the promotion and application, and work together to crack the phenomenon of “two skins” between talent training and industrial needs. Wu Yumei, Seentao’s resident tutor, reported the main construction results of the co-construction profession in the past three years, after which Zhu Haitao interpreted the revised version of the co-construction agreement from the aspects of cooperation mode and content, rights and obligations of both sides. The two sides had an in-depth exchange on the next step of school-enterprise cooperation content.

Subsequently, Cai Wenfen and Shi Weiwei signed the agreement on behalf of the university and the enterprise respectively to build the Accounting (Intelligent Accounting) major.

After the signing ceremony, Seentao organised

a special online job fair for finance and accounting majors to visit enterprises and expand their positions with four industry chain partners, including UFIDA Network Technology Co. More than 130 representatives of finance and accounting graduates attended the online job fair.

The successful signing of the contract between Anhui Sanlian University and Seentao Technology Co. Ltd. It will form a healthy ecology of industry-education integration and dual education.

Sanlian Traffic Company Successfully Developed C6 Examination System for the First Test in Anhui

On 13 May 2022, Anhui's first additional driving test for light tractor trailers (C6) was successfully held at the Xinya Examination Centre of the Traffic Police Branch of the Hefei Public Security Bureau. As the contractor of the new C6 system at Xinya Examination Centre, Sanlian Traffic Company was responsible for the software deployment and commissioning, and provided full escort for the first C6 test in the province.

It is reported that the newly revised Regulations on the Application and Use of Motor Vehicle Driving Permits (Order No. 162 of the Ministry of Public Security) has been formally implemented on April 1, adding a new driving type (C6) for light tractor trailers to better meet the needs of the public to travel in caravans and promote the development of a new industry of caravan tourism. In order to respond positively to the requirements of the new Ministry of Public Security, the leadership of the company attached great importance to the arrangement and deployment, and the R&D staff worked around the clock to develop a new generation of SL2306 II -C6 examination system, which was the first in the industry to pass the authoritative test of the Ministry of Public Security. On the morning of 13th, the leaders of Anhui Provincial Public Security Department Traffic Police Headquarters and Hefei Public Security Bureau Traffic Police Detachment, accompanied by Wang Jiangbo, Chairman of the Board of Directors and Jin Chime, General Manager of the company, visited Xinya Examination Center to inspect and dispatch the examination work on site.

As the first C6 exam in Anhui, this exam also attracted a lot of mainstream media coverage in the

province. A total of five candidates took part in the test on the first day, the oldest of whom was about to turn 60, the youngest was "after 90" and the others were all "after 80". Ms. Zhang, the first person to take the test, said after completing the subject two test, as the first C6 driving test candidate in Anhui, the mood is very excited, I usually like to travel, compared to the integrated caravan, I prefer this kind of trailer caravan, so I applied for the C6 driving test. In the afternoon of the same day, all the candidates also came to the Hefei Binhu Vehicle Control Office to take the subject three safety and civilization test after passing the subject two test and successfully obtained their C6 driving license.

The successful start of the first C6 test in the province once again demonstrated the efficient teamwork capability and high technical guarantee capability of the company's R&D, sales and engineering systems. In the future, the company will take the full implementation of the new Ministry of Public Security order as an opportunity to further promote the optimization and upgrading of the driving test system, continuously improve the quality of engineering installation and operation and maintenance services, and provide strong support for the construction of a new pattern of high-quality development of vehicle driving control services.

The executive dean of each second-level university and the heads of functional departments attended the meeting. The meeting was chaired by Lu Xianchang, Deputy Secretary of the Party Committee and Vice President of the University.

In the first stage of the meeting, Jin Huiqing made a special report on the construction of modern industrial school of intelligent transportation, and interpreted three aspects around the background, foundation and blueprint of the construction of industrial school. Jin Huiqing pointed out that the construction of modern industrial university is an important initiative to implement the General Office of the State Council's "Several Opinions on Deepening the Integration of Industry and Education" and the Ministry of Education's "Modern Industrial University Construction Guide (for Trial Implementation)" and other documents

to promote the integration of industry and education. Since the school was established, in line with social development and the support of national policies, it has a deep soil and environment for the integration of industry and education, relying on the achievements of the Group's three ventures, from the layout of industry-university-research to the cultivation of new functions and then to create a new model of integration of industry and education, it has undergone three processes of integration – integration – integration, and has continuously promoted a deeper level of integration of industry and education with applied It has become the gene of the school. The construction of modern industrial school is an important tool to promote the integration of industry and education and to break the "two skins" between the supply side of talent training and the demand side of industry, which is important to promote the construction of a high-level university of application and to better serve the economic and local development.

The second phase of the meeting was a seminar

on the construction of Modern Industrial School of Intelligent Transportation, participants in the construction of industrial school need to focus on resource input, target positioning, institutional mechanisms, talent training, construction results, the rights and interests of co-construction parties and other issues were discussed in depth. For the next step of modern industrial university construction, Jin Huiqing put forward three requirements: First, we should continue to deepen the understanding of the industrial university, make a firm sense of the goal, and really work to complete the tasks; Second, we should closely promote, strengthen the process of construction, clarify the core content of the industrial university construction, strengthen the implementation, and improve the quality; Third, we should further highlight the advantages of industrial university talent training, highlight the characteristics of intelligent transportation, and innovate in organization, mode Third, we should further highlight

the advantages of the industrial university in talent training, highlight the characteristics of intelligent transportation, and innovate in organization, mode and management.

Lu Xianchang said in his concluding speech that President Jin Huiqing's depiction of the history and future development blueprint of the integration of industry and education is far-reaching, highly theoretical and deep in thinking, with strong relevance and guidance, and is an ice-breaking move to seize opportunities and meet difficulties in the construction of a high-level university of application, and the whole university should raise its political status, understand the spirit and essence, unify its thinking, coalesce its consensus and work together to speed up the Anhui Sanlian University new mode of talent training.

Anhui Sanlian University 2022 Graduation Ceremony and Bachelor's Degree Conferment Ceremony was Successfully Held

On the morning of 21 June 2022, the graduation ceremony and bachelor's degree conferment ceremony of Anhui Sanlian University was held in the academic lecture hall of the library. Professor Jin Huiqing, President of the university and Chairman of the Baccalaureate Evaluation Committee, Li Mingyang, Provincial Education Supervisor and Secretary of the Party Committee of the university, Lu Xianchang, Deputy Secretary of the Party Committee and Vice President of the university, and other leaders of the party and government of the university in Fei attended

the ceremony and took their seats at the podium. Heads of relevant departments of the university, leaders of

secondary schools, teachers' representatives and 120 representatives of the Class of 2022 in bachelor's degree uniforms attended the ceremony. The ceremony was hosted by Vice President Song Menglan. The graduates of the Class of 2022 who could not attend the ceremony gathered in Sanlian by watching the live broadcast and witnessed their graduation ceremony together.

The graduation ceremony was opened with the solemn national anthem and school song. Vice President Cai Wenfen read out the commendation document for outstanding graduates from ordinary higher education institutions in the province; Vice President Cao Xiaofeng read out the decision of granting graduation to the 2022 class of undergraduates and the decision of awarding bachelor's degree to the first half of 2022 undergraduates. Li Tiantian, a graduate of the School of Nursing, and Gao Yuanlong, a teacher of the School of Marxism, made speeches on behalf of the graduates.

The Principal, Professor Jin Huiqing, delivered an important speech amidst warm applause. On behalf of the school, he firstly extended his warmest congratulations to all the graduates, and expressed his most heartfelt thanks to the teachers and parents who have diligently nurtured and accompanied the students all the way to their progress and growth! He stressed

that the class of 2022 graduates are the most special, the most fortunate and the most outstanding. They have witnessed together the 40th anniversary of reform and opening up, the 70th anniversary of the founding of New China, the 100th anniversary of the founding of the Party and the 100th anniversary of the founding of the League.

The second is to be a practitioner of self-discipline and self-improvement, to maintain self-discipline and embrace self-improvement, and to achieve a happy life with an excellent character of perseverance and perseverance. We will continue to work hard and strive for a brighter life.

After the speech, President Jin Huiqing presented graduation certificates and bachelor's degree certificates to representatives of the 2022 undergraduate class and straightened the tassels.

The graduation ceremony came to a successful end amidst warm applause! The graduates expressed their reluctance to leave their alma mater and their hopes for their future life. As they are about to embark on a new journey, may they remember the school motto of "Virtue, Knowledge, Skills and People" and start a new chapter in their lives with the trust of their alma mater.

Anhui Sanlian University Successfully Held the 2022 Spring Campus Job Fair

In order to better broaden the employment channels of graduates, improve the quality of employment, do a good job of "stabilizing employment" and implement the task of "preserving employment", Anhui Sanlian

University, together with the Human Resources Center of Hefei Economic and Technological Development Zone and In the morning of May 31, 2022, Anhui Sanlian University, together with the Human Resources Center

of Hefei Economic and Technological Development Zone and the Human Resources and Social Security Bureau of Feixi County, held a special job fair on campus in spring 2022.

The job fair brought together nearly 100 employers, providing more than 1,000 jobs for graduates. The job fair covered a wide range of industries and job positions, and the atmosphere was warm. Students took the initiative to communicate with the employers and learn more about the companies, job responsibilities and other related information, and also actively chose their own advantages and intentions to submit their CVs to the preferred units, achieving good recruitment results.

Prof. Jin Huiqing, President of the university, Li Mingyang, Provincial Education Supervisor and Secretary of the Party Committee of the university, Lu Xianchang, Deputy Secretary of the Party Committee of the university and Vice President of the university, as well as Zhang Hua, Deputy Director of the Bureau of Personnel and Labour of the Economic Development Zone and Wang Huayou, Deputy Director of the Bureau of Human Resources and Social Security of Feixi County, and other leaders visited the site of the double-selection fair to investigate and guide, and talked with employers and graduates. Prof. Jin Huiqing gave guidance on the employment work of the school, pointing out that the job fair has built a bridge of communication between the school and the employers, which is not only beneficial to the employers in absorbing excellent graduates, optimizing the talent structure and promoting the development of the enterprises, but also greatly improves the accuracy and matching degree of high-quality employment for graduates, which is conducive to graduates in the “most difficult graduation season It is

also conducive to graduates finding their preferred jobs more quickly and accurately during the “most difficult graduation season” . He hoped that the school would further strengthen school-local cooperation and school-enterprise docking, fully realise resource sharing, give full play to the school’s role as the main channel of employment, and realise fuller and higher quality employment for graduates.

Employment is a people’s livelihood project, a people’s heart project and a foundation project. Anhui Sanlian University always attaches great importance to student employment, insists on the combination of talent training and service to society, and helps graduates find full employment with higher quality through precise matching, precise pushing and precise assistance. This job fair is not only a powerful means for the school to seize the employment sprint period of graduates and promote their full employment, but also an important initiative to further promote the guidance of students to stay in Anhui and Fei for employment. The job fair was held in an orderly manner, achieving the goal of both epidemic prevention and control and promoting employment.

Enhancing Emergency Rescue Capabilities to Build a Strong Line of Defence for School Safety

—Anhui Hefei Medical and Health School Conducts Emergency Rescue Drills

On May 12, 2022, on the occasion of the 14th National Disaster Prevention and Mitigation Day, in order to further improve teachers and students' awareness of disaster prevention and mitigation, emergency avoidance and self-rescue and self-care ability, Anhui Hefei Medical and Health School combined with the theme of disaster prevention and mitigation of 2022 "Reduce Disaster Risks, Guard a Better Home", the school's emergency rescue training team conducted emergency rescue training in the multi-functional hall of the teaching building. The school's emergency rescue training team conducted emergency rescue knowledge and skills training in the multi-functional hall of the teaching building.

The emergency rescue drill was based on the background of the 2014 Shanghai Bund trampling accident, from receiving the police after the accident to the completion of the emergency rescue task, effectively restoring the emergency rescue field scene to the greatest extent through scenario simulation. The drill set up three injury scenarios: one person with a large bruise on the left arm, one person with a head injury and one person with a closed fracture of the middle right thigh. The assessment of the environment in which the injured person was placed, the treatment of each injured person, the psychological counselling of the rescue team and the

external liaison were all demonstrated in detail.

As a health vocational school, the school has always adhered to the aim of "running a first-class Red Cross school with special features and nurturing the best grassroots medical and nursing talents". The school's mission is to promote the spirit of "humanity, love

and devotion", to focus on the quality and standard of training, and to provide society with excellent primary care workers. Through this exercise, students were able to develop a good sense of safety, improve their self-help and rescue skills, enhance the school's ability to deal with emergencies and disasters, and lay a solid foundation for building a safe campus and promoting the harmonious development of the school.
