

燃青春之火 铸盛世华章

青春，是生命中最炽热的火焰，是岁月里最激昂的旋律。当今时代，经济蓬勃发展，科技日新月异，文化多元交融，古老的华夏大地焕发出前所未有的生机与活力。从繁华都市到美丽乡村，从高铁飞驰到5G引领，盛世的光辉照亮了每一个角落，也为青春搭建起广阔无垠的舞台。

青春的我们，不惧挑战，勇往直前。在脱贫攻坚的战场上，无数年轻的身影奔波忙碌，他们用知识与热情，帮助贫困地区拔掉“穷根”，让希望的田野绽放新绿；在科技的最前沿，青年才俊们潜心钻研，突破人工智能、量子通信等领域的创新“瓶颈”，让中国在世界舞台上崭露头角。青春的智慧与勇气，正成为推动祖国繁荣发展的强大动力。

青春的我们，怀揣梦想，无所畏惧。看那奥运赛场上，年轻的运动员们奋力拼搏，为祖国赢得荣誉。苏翊鸣无畏挑战，凭借高超技艺在滑雪场上一飞冲天；全红婵以精湛的跳水技术，惊艳世界。他们用青春的激情与汗水，诠释了奥林匹克精神，展现了中国青年的风采。

法国作家巴尔扎克曾说：“挫折就像一块石头，对于弱者来说是绊脚石，让你却步不前；而对于强者来说却是垫脚石，使你站得更高。”青春之路并非一帆风顺，但我们要以坚韧不拔的毅力和百折不挠的勇气，去战胜困难，去超越自我。“杂交水稻之父”袁隆平，青年时便立下了“让天下人皆能饱食”的雄心壮志，他历经无数次失败，却始终坚守初心，最终成功培育出高产杂交水稻，解决了无数

人的温饱问题。他的青春，在为人民谋福祉的奉献中熠熠生辉。

青春的价值，不在于索取，而在于奉献；不在于享乐，而在于奋斗。且看，抗洪救灾中，一群群年轻的战士和志愿者，不顾自身安危，奋战在洪水肆虐的一线，用血肉之躯筑起坚固的堤坝，守护人民的生命财产安全；疫情防控时，无数“90后”“00后”医护人员逆行出征，与时间赛跑，与死神较量，用青春和热血谱写了一曲曲感人至深的生命赞歌；国际舞台上，中国青年以自信的姿态传播中华文化，参与全球治理，展现出大国青年的风采与担当。他们用行动证明：生而逢盛世，青春当有为。

作为新时代青年，生于盛世，肩负重任，当以实际行动诠释“有为”二字。我们要树立远大理想，将个人的命运与国家的命运紧密相连。努力学习科学文化知识，提高自身素质，培养创新精神和实践能力；积极投身社会实践，关注社会问题，用所学之长为社会发展贡献力量。在实现中华民族伟大复兴的征程中，打头阵、当先锋，让青春在为祖国、为民族、为人民、为人类的不懈奋斗中绽放绚丽之花。

“自信人生二百年，会当水击三千里。”让我们在这盛世之中，点燃青春之火，以梦为马，不负韶华，砥砺前行，用青春的智慧和力量，谱写一曲曲雄浑壮丽的盛世赞歌，铸就中华民族伟大复兴的不朽丰碑！

《产教融合的“三联探索”》 入选“2024 国家治理创新经验典型案例”

近日，“2024 国资国企高质量发展峰会——第十届全国治理高峰论坛”在京召开，发布了2024 国资国企高质量发展暨国家治理创新经验课题调研成果。“安徽三联学院：产教融合的‘三联探索’”入选“2024 国家治理创新经验典型案例”。

作为 1997 年创办的安徽省第一所民办高等学校，安徽三联学院始终把立德树人作为根本任务，坚持应用型办学理念，坚持教育发展规律、人才培养规律、科技创新规律、产业发展规律并重，坚持“特色办学、错位发展、产教融合、服务地方”的办学思路，打通产与教、教与研、学与用的路径，创新产教融合体制机制，围绕“培养德智体美劳全面发展的社会主义建设者和接班人”这一目标，探

索出产教融合的“三联模式”。

入选课题调研成果报告的创新经验与典型案例，符合创新性、科学性、有效性、普适性、影响力 5 项评价指标要求，由人民论坛调研组专家深入一线专题调研后总结提炼而成，具有较高理论价值、实践意义与借鉴作用。

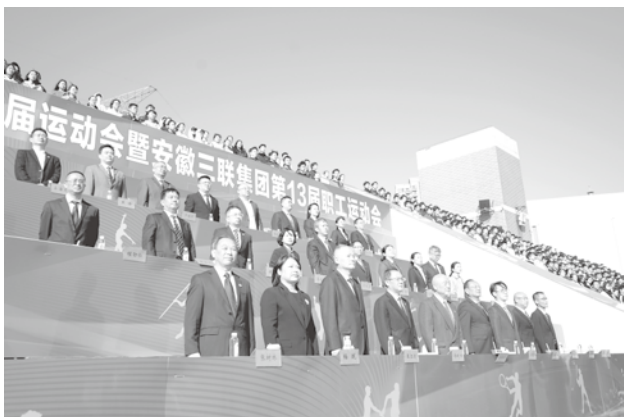

本届论坛峰会由人民日报社指导，人民日报社人民论坛杂志社主办，中国企业改革与发展研究会、中国社会科学院国有经济研究智库、中国人民大学国有经济研究院提供智库支持，国家治理杂志社、人民智库、人民论坛网承办，明源不动产研究院提供课题支持。

安徽三联学院第二十二届运动会暨安徽三联集团 第十三届职工运动会顺利开幕

11月7日上午，安徽三联学院第二十二届运动会暨安徽三联集团第十三届职工运动会开幕式在主校区体育场举行。三联创始人、校长金会庆，省

教育督导专员、校党委书记王光虎，安徽三联集团董事长余皖生，安徽三联集团执行总裁金馨等领导参加开幕式。开幕式由常务副校长江秀丽主持。

9时，开幕式在精彩的体艺表演中拉开序幕，三院三部、体育部、校团委联合演绎了啦啦操《青春加油》、武术表演《少年中国》、方阵变换《我与三联共成长》等节目。体艺表演后，护旗手护送国旗、校旗和运动会会旗进入体育场，各运动员代表队随后依次入场。

金会庆致开幕词，他首先代表学校向精心筹备运动会的工作人员表示衷心感谢，向运动员、裁判员致以崇高敬意。他指出，长期以来，学校高度重视体育工作，持续巩固其在立德树人中的关键作用，全方位融入人才培养环节。他强调，体育能强体魄，是学生成长的重要元素，是培养坚韧意志、团队精神和竞争意识的重要途径，也是塑造全面发展人才的关键一环。

“多年来，我一直坚持锻炼，工作再忙也不例

外。”作为校长，他身体力行，并呼吁大家在学习和工作之余积极投入到体育锻炼中，放下手机、走出宿舍、走向操场，积极参与全民健身。他希望广大师生能够以运动会为契机，牢固树立“健康第一”的理念，增强体育锻炼意识，养成坚持锻炼的良好习惯，在运动中享受快乐、收获健康，以更加饱满的热情和昂扬的斗志投入到工作和学习中。在学校高质量发展的征程中，拼搏奋进，为体育强国梦贡献三联动能。

运动员代表方涛、裁判员代表杨可心先后宣誓。随后，余皖生宣布运动会正式开幕。

开幕式结束后，金会庆为本届运动会鸣响第一枪。本届运动会为期2天，设有田赛、径赛、趣味赛、篮球赛等项目，共计2220人次参加52项竞赛项目。

参加开幕式的还有，安徽三联交通应用技术股份有限公司董事长王江波、安徽竹棵职业教育技术有限公司总经理朱熔、安徽三联机器人科技有限公司总经理梅珑、安徽合肥医药卫生学校董事长秦永元等三联各单位主要负责人，以及安徽三联学院全体在肥校领导，学校纪委、工会、妇联领导及院部主要负责人，安徽三联集团在肥单位、学校各院部代表队全体运动员、裁判员、赛会志愿者等。

安徽三联院校长金会庆一行走访广瑞医疗集团

11月8日下午，安徽三联院校长金会庆一行前往广瑞医疗集团，对该集团的杏园门诊部进行了实地走访考察。此次走访旨在探索校企合作新途径并深化双方在人才培养和供给方面的合作。广瑞医疗集团董事长张俊波全程陪同接待。

金会庆在参观了杏园门诊部各部门后，对广瑞医疗集团在基层医疗服务中所做的工作给予了高度评价。他表示，通过此次访问，安徽三联学院与广瑞医疗集团可以在医疗技术研发、人才培养等多个层面展开广泛合作，特别是在医疗人工智能、远程医疗服务等新兴领域，双方具有广阔的合作前景。

张俊波表示，广瑞医疗作为深耕基层医疗的服务机构，一直致力于提升医疗服务质量和效率，希望通过与安徽三联学院的合作，引入更多的技术创新和人才支持，以进一步提升服务质量和水平。他强调，基层医疗是整个医疗体系的基石，加强这

一领域的合作对于提升整个社会的健康水平至关重要。

会上，双方围绕如何具体落实校企合作、提高基层医疗服务能力、培养康养人才等问题展开深入讨论。金会庆表示，希望双方尽快落实具体的合作计划，并在未来的合作中不断总结经验，拓展合作领域，为推动地区乃至国家的医疗健康事业共同做出更大贡献。

双方均表示对未来合作充满期待，希望能够在医疗健康领域创造出更多的创新成果，进一步推动三联学院产教融合走深走实。此次走访还进一步为三联学生实习就业拓宽了渠道，深度的校企合作模式也将为学生就业创造更多机会，增强他们在就业市场的竞争力，真正实现从校园到职场的无缝对接，为康养健康行业输送高质量的专业人才。

民政部政策研究中心调研组一行考察三联智慧康养产业

11月28日上午，民政部政策研究中心调研组一行来到三联考察安徽省智慧养老建设推进情况。安徽省民政厅养老服务处、安徽省民政厅老龄权益处、合肥市民政局、包河区民政局、包河区义城街道社会事务部、蜀山区西园街道党工委等相关业务负责人陪同考察，三联机器人公司总经理梅珑，安徽三联学院副校长、现代康养产业学院院长宋梦岚等予以接待并全程陪同。

调研组一行首先参观了三联机器人公司展厅，公司市场部负责人为考察组进行了详细介绍。三联智慧康养服务平台运用计算机、物联网、云计算等科技手段，为社区居家养老、机构智慧养老提供全面、便捷、个性化的健康服务和综合养老服务。系统涵盖了健康安全、探访关爱、能力评估、智慧助餐、智慧服务、商城服务等多项功能。三联自主研发的“智慧养老服务平台”被列入安徽省经济和信息化厅公布的2023年安徽省首版次软件评定名单，

目前已在安徽、海南、北京、新疆等省市养老服务中心实际应用。在智慧养老硬件产品研发方面，围绕“移位、助浴、助行”等场景，三联机器人公司已研发生产了机器人护理床、多功能助力移位机、下肢助力助行外骨骼等产品。调研组一行对三联机器人在智能技术研发、智慧养老解决方案等方面的创新成果给予了认可，并详细询问了相关产品的市场推广应用情况和实际效果。

参观结束后，调研组一行在会议室与省市民政及企业相关负责人进行了座谈交流。梅珑总经理向调研组一行详细介绍了公司在智慧养老领域的研发成果和未来的发展规划。随后，与会人员就推进社区智慧养老过程中遇到的难点以及民政部门所需提供的支持进行了深入交流。调研组一行也对如何更好地推进社区智慧养老工作提出了宝贵的意见和建议。

此次调研活动，不仅为科技企业 and 社区部门提供了与民政部门直接沟通的机会，也为推动安徽省智慧养老的发展注入了新的动力。未来，安徽三联集团将持续深耕智慧康养领域，加强技术和产品创新，丰富人才培养和输出，探索高质量的智慧养老服务，为老年人提供更加优质的智慧康养体验，推动养老服务高质量发展、积极应对人口老龄化贡献力量。

安徽三联学院赴日本多所高校访问交流

近日，安徽三联学院国际合作交流中心一行前往日本，与长期保持合作关系的多所日本高校进行深入访问交流。此次访问旨在进一步巩固和深化各高校的合作关系，推动双方在更多领域的交流与合作。

中心一行首先访问了日本北陆大学。北陆大学理事长小仓勤、校长东风安生等校领导参加会面。双方就师生互访、学术交流、科研合作等议题进行深入讨论，并表达了进一步拓展合作领域的意愿。北陆大学代表表示，将继续支持双方的合作项目，特别是“2+2”留学项目，并希望在更多领域与我开展合作。

随后，中心一行前往事业创造大学院大学、大

阪产业大学、兵库大学及西九州大学访问。事业创造大学院大学代表表示，将与三联学院共同推动教育事业的国际化进程，为培养更多具有国际视野和创新能力的高素质人才贡献力量。大阪产业大学代表表示，他们非常珍视与三联的合作关系，愿意在现有合作基础上，进一步拓展合作领域，深化合作内容，为两校师生提供更多交流学习的机会。西九州大学代表表示，愿意为三联师生提供更多的留学机会和学术资源，同时也希望达成进一步的合作。

最后，中心一行访问了日本友达国际有限公司。双方举行洽谈会并签署产学研合作协议。会上，我方展示了教育理念、学科优势及产学研成果，友

达国际分享了技术创新、产业发展及国际化战略。双方共同揭牌国际化人才联合培养基地，达成合作意向，联合培养具有国际竞争力的复合型人才。

此次访问活动不仅加深了三联与日本各合作高校之间的友谊和合作关系，也展现了三联在国际

交流合作方面的积极态度和开放姿态。未来，安徽三联学院将继续加强与海外各高校的交流与合作，为在校师生开拓国际视野，提供更多的交流学习机会和更广阔的发展空间。

安徽三联学院成功举办 2024-2025 学年“青马工程”培训班

12月27日，安徽三联学院举行2024-2025学年“青年马克思主义者培养工程”培训班（以下简称“青马班”）开班仪式。省教育督导专员、校党委书记王光虎，纪委、党办、学生处、工会、团委、马院等部门主要负责人，各院部党委副书记、团委

书记以及300名青马班学员参加开班仪式。

王光虎以《如何做一名合格的学生干部》为题作首场报告，并代表学校党委向培训班开班以及参加培训的学员表示祝贺。他指出，能够参加“青马班”培训，是一种政治荣誉，希望全体学员珍惜学

习机会，静心听课，努力实现学有所思，学有收获，学有提高。

他分别围绕准确把握定位、正确面对困难，讲究方式方法、发挥示范作用等四个方面，充分肯定学生干部在学校育人工作和学生自我教育、自我管理、自我服务、自我监督中的作用，全面阐释学生干部的职责，鼓励学生干部客观看待、理性面对、正确解决工作中的困难，要求学生干部要在思想锤炼、学习成才、遵规守纪和言行举止上充分发挥示范带头作用。他指出，学生干部的基本职责是服务同学，重要使命是协助管理，作为学生群体中的积极分子，不仅是广大学生学习的楷模，更是引领校园风尚、传播正能量的示范标杆。

他强调，学生干部要多点“书生气”，少点“骄、

娇”二气，把“做一名合格的学生干部”的“选修课”学好，把这门课的内功学到手，为未来发展厚植“底气”、提升“武艺”。

党委副书记、副校长赵翀为青马学员代表赠送学习书籍并授旗。副校长蔡文芬宣读《关于成立2024年安徽三联学院青年马克思主义者培训班临时团支部的通知》文件，明确临时团支部的组织架构、主要职责和工作要求。

12月27日至28日，三院三部分团委书记、全体青马班学员和学生骨干认真参加了为期2天共7场专题讲座。

校团委书记吴琦为省直机关党校陈松梅教师颁发“青年马克思主义者培养工程”培训班校外客座讲师聘书。

实施“青马工程”是共青团为党培养青年先锋分子的战略性的、引领性、标志性工程。接下来，学校将继续以集体学习与自我学习相结合、理论学习与实践锻炼相融合、基础学习与专项调研相耦合的模式开展为期一年的培养，不断引领广大团员青年铸牢对党忠诚、坚定理想信念、发扬斗争精神、勇于挺膺担当，在审核评估中贡献学生骨干最坚实的青年力量。

“海康威视杯”第六届安徽省大学生交通科技大赛 在安徽三联学院顺利举行

11月22日至23日，由安徽省教育厅主办，安徽三联学院承办，国家车辆驾驶安全工程技术研究中心、合肥工业大学、安徽建筑大学协办的“海康威视杯”第六届安徽省大学生交通科技大赛在安徽三联学院圆满落下帷幕。本届大赛吸引合肥工业大学、安徽大学、安徽建筑大学、南通大学、淮阴工学院、重庆交通大学等省内外25所高校共计171支队伍参赛。大赛得到了海康威视数字技术股

份有限公司、安徽三联交通应用技术股份有限公司、超星集团有限公司、安徽爱学堂教育科技有限公司等单位的支持。

大赛自4月份开始筹备，安徽三联学院作为承办单位，各级领导高度重视，多次召开协调会、论证会，确保了大赛的精彩开赛、圆满完赛。从竞赛规程发布到参赛回执，从初赛网评到决赛评审，高质量完成了五个组别100件作品的决赛评选。本届

大赛会务组在总结往届办赛经验的基础上，精细到每个环节的预判和管控，确保了初赛、决赛阶段的顺利进行。

大赛特邀教育部高等院校交通运输类教学指导委员会委员、安徽省交通运输专业合作委员会成员及行业内专家共 27 人担任评审专家。每个答辩现场配有纪检人员、全程录制人员等，确保整个答辩过程公正公开公平，各参赛队通过集中汇报、实物模型展示、团队配合等，让评审专家们充分感受作品设计创新性、技术路线合理性、应用实施可行性，契合大赛立足国家交通强国战略和“一带一路”倡议宗旨，参赛队伍相互观摩、相互学习、相互提高，达到了“以赛促学、以赛促教、以赛促创”的目的。经过各参赛队紧张参赛和专家们严谨细致评审，最终评选出了一等奖 10 项、二等奖 20 项、三等奖 30 项。

在闭幕式环节，教育部交通运输教学指导委员会委员、北京交通大学姚恩建教授对本届大赛参赛作品进行了分析和点评，充分肯定了各参赛队的积极性和创造性的同时，并对今后参赛作品从研究过程、研究原理和表现力等方面提出了宝贵意见和建议。大赛评审专家组副组长张卫华教授宣布本次大

赛最终获奖名单，并向各获奖队伍表示诚挚的祝贺。海康威视数字技术股份有限公司合肥分公司总经理唐鑫科作为冠名单位代表致辞。安徽省大学生创新创业教育办公室主任董承军代表省教育厅高教处大创办致辞，充分肯定了安徽省大学生交通科技大赛创办六年来所取得的成果和影响力。大赛组委会执行主任、安徽三联学院常务副校长江秀丽作总结讲话。闭幕期间还进行了第七届安徽省大学生交通科技大赛交旗仪式，下一届承办单位安徽理工大学矿业工程学院党委副书记田秋实作欢迎邀请。闭幕式由安徽三联学院副校长、安徽省大学生交通科技大赛秘书长蔡文芬主持。

作为省级 B 类赛事，安徽省大学生交通科技大赛已成功举办六届，随着本届大赛的圆满落幕，我们再次见证了大学生交通科技创新的新生力量，大赛所营造的浓厚互学互鉴氛围，达到了交通科技创新思维碰撞与文化交流的目的。参赛师生们所展现出的创新精神和卓越才能，不仅丰富了交通相关学科专业的人才培养，也为解决目前交通领域的挑战提供了新的思路和解决方案。

安徽省马克思主义哲学应用学会 2024 年换届大会 在安徽三联学院顺利召开

12月22日，安徽省马克思主义哲学应用学会2024年年会、换届大会暨“进一步全面深化改革与哲学应用”理论研讨会在安徽三联学院顺利召开。安徽省社科联党组成员、副主席江涛参加开幕式并讲话。安徽三联学院常务副校长江秀丽代表承办单位致辞，省政协教科卫体委员会副主任、安徽省大中小学思政课教指委主任委员、学会会长刘新跃作学会工作报告。安徽三联学院校长金会庆参加开幕式。开幕式由学会副会长、合肥师范学院科技处处长胡昂教授主持。来自全省的社科专家、学会会员、博硕士研究生等近200人参加会议。

江秀丽在致辞中介绍了学校的基本情况和办学特色。她表示，二十多年来，在主管部门的指导和社会各界朋友的关心、帮助下，学校在改革中不断发展，社会影响力和美誉度不断提升。作为承办单位，本次年会对学校促进马克思主义理论研究和学术交流，具有十分重要的理论意义和现实意义。希望通过这次盛会，有更多的专家、学者加入安徽三联学院的“朋友圈”，走近三联，了解三联。

江涛在讲话中指出习近平总书记对新时代马克思主义理论研究和建设工程作出的重要指示为学

科研究提供了根本遵循、指明了方向。他强调，首先要强化思想武装，突出对习近平新时代中国特色社会主义思想的当代阐释，持续激发理论创造活力；其次，坚持问题导向，积极投身美好安徽建设的火热实践中，走出象牙塔，研究真问题，真研究问题，深入实践；第三，加强自身建设，团结全体会员，打造高质量学术交流平台，在理论研究上发挥更大作用。江涛对省马哲应用学会三十多年来坚持马克思主义理论学科研究所取得的成果和贡献给予了充分肯定，对学会成功换届表示祝贺。

刘新跃在报告中全面回顾学会10年来的工作，并提出未来发展思路。他指出，唯有强化理论的实际应用，方能促进理论的深化探索，进而全面深化各项改革。报告分析了三个重要的研究领域：一是在经济领域要深入研究如何发展新质生产力问题，二是在社会领域要深入研究如何建设更公平正义的社会，三是在社会政治领域，如何全面系统开展体制机制改革问题。

本次学会进行了新一届理事会的选举工作。安徽三联学院当选名誉会长、副会长单位。新当选会长黄洪雷代表第七届理事会郑重表态，将继续秉持学会的优良传统，矢志不渝地推动马克思主义哲学在新时代的实践应用与创新发展，为美好安徽建设贡献智慧与力量。

大会专家报告阶段，省社科党委专家宣讲团成员、省社科院当代安徽研究所所长邢军作“学习贯彻党的二十届三中全会精神 因地制宜大力培育和发展文化新质生产力”专题宣讲。主题报告阶段由中国科学技术大学教授魏荣主持，来自合肥工业大学钟玉海教授、安徽医科大学柳泽民教授、安徽财

经大学张斌教授、蚌埠医科大学黄春教授分别作大会交流。

在下午交流讨论环节，安徽三联学院刘芳、合肥工业大学庞红付、安徽理工大学武文博等六位青年学者进行研讨发言。

本次研讨会共收录论文 196 篇，评出二十篇优秀青年学者论文，与会领导为研讨会征文获奖者颁奖。李克明主持颁奖环节并对大会进行总结。

2024 年安徽省高等学校交通信息与安全重点实验室学术委员会会议在安徽三联学院顺利召开

12 月 27 日，安徽省高等学校交通信息与安全重点实验室 2024 年学术委员会会议在安徽三联学院顺利召开。重点实验室学术委员会主任张卫华教授，委员胡博、华建兵、冯忠祥、方陶明、薛峰、段连飞等专家，安徽三联学院副校长操晓峰，科研处处长，实验室方向负责人及部分科研骨干参加会议，会议由重点实验室执行主任凤鹏飞主持。

会议围绕交通信息与安全重点实验室建设成果、第一批开放课题结题验收及 2024 年度开放课题申报评审、2025 年重点实验室建设计划、2024

年度高层次人才考核等进行了汇报与研讨。专家们对重点实验室立项以来的建设成果给予高度评价，并针对会议四个方面的内容提出了宝贵的意见和建议，特别在重点实验室带头人引育、建设效益评价机制、加强国际的学术交流、重点实验室升级建设等方面给予重点指导。

会议强调，重点实验室要以硕士点立项建设为契机，加强与安全领域与人工智能云计算等前沿技术的深度融合；推进成果转化，将实验室的研究成果落地为实际应用；优化高层次人才培养机制，增强科研智力支持，提升创新能力。

安徽省高等学校交通信息与安全重点实验室自 2019 年立项建设以来，坚持以“道路交通安全应用”为引领，以“AI+ 交通”为创新，通过多年的努力建设，社会影响力不断提升。实验室将结合省级交通运输高峰培育学科、交通运输硕士点、省级交通运输特色专业（群）等平台项目建设，实现高质量、高水平建设，更好服务美好安徽建设。

安徽合肥医药卫生学校成功举办合肥市 2024 年 第 14 次校际公开课活动

12月4日，安徽合肥医药卫生学校迎来了合肥市中专学校2024年第14次校际公开课活动。此次公开课活动汇聚了市教育局领导及各中职学校等40余名专业教师来校现场观摩指导，不仅为校际间的交流与合作搭建了良好的平台，也展示了学校在医药卫生类教育教学方面的实力和成果。

安徽医药卫校高度重视本次公开课活动的筹备工作，从方案制定、课程安排、设备调试等方面作出了细致部署和明确安排，确保活动顺利进行。

公开课环节中，学校文化课教研室教师李美峰讲授《Unit4 At the Emergency Room (Part2)》，认真落实“以学生为主体”教学理念，发展英语核心素养，以专业的教学能力，为现场师生带来了一场精彩纷呈的护理英语课程体验。

护理学基础教研室教师王学梅讲授《产后出血》，充分运用了现代教学手段，将理论知识与实践操作紧密结合，通过生动的案例分析和互动式教学，使复杂的妇产科护理知识变得浅显易懂。

同时，两位老师还巧妙地将思政教育融入课程之中，引导学生树立正确的价值观和职业观，实现了知识传授与价值引领的有机统一。

评课交流环节中，全体成员从课堂氛围、教学设计、教学方法、教学过程、教学效果等多方面进行点评，进一步推动了学校中职教育教学的改革与创新，促进了教育教学质量整体提升。

安徽医药卫校将始终坚持“立德树人、改革创新、高质量发展”的总体思路，始终以“办一流医药卫生学校，育最佳基层医护人才”为办学宗旨，一直秉承“尚德博爱，明理笃行”校训，“严谨、务实、团结、进取”校风，“明责、修身、博学、善教”教风，“勤学、善思、精技、求实”学风，为培养更多适应基层卫生健康发展的高素质技术技能人才贡献更大力量。

安徽三联学院校院两级党委理论学习中心组联学 党的二十届三中全会精神

11月29日，安徽三联学院举办校院两级党委理论学习中心组联学专题报告会，邀请省委党史研究院原副院长、省委讲师团高端宣讲专家苗键作辅导报告。省教育督导专员、校党委书记王光虎主持报告会。

苗键结合习近平总书记考察安徽重要讲话和关于教育的重要论述，及省委十一届八次全会精神，以“深入学习党的二十届三中全会战略部署实践要求”为题，从“改革破冰到进一步全面深化改革的脉络”“与二十届三中全会有关的重大理论基点”“二十届三中全会的战略部署和实践要求”等五个方面，系统阐述了党的二十届三中全会的时代背景、核心要义、重要部署和重大意义。报告政治站位高，脉络清晰，对党的创新理论进行系统梳理，

内容丰富、信息量大，既是一堂深厚的理论培训课，也是一堂生动的理论示范课，对于学校广大党员和全体师生全面理解党的二十届三中全会精神，准确把握进一步全面深化改革的指导思想、总体目标、重大原则、科学方法，具有指导意义。

王光虎在总结讲话时强调，学习好、宣传好、贯彻好党的二十届三中全会精神，是学校当前和今后一个时期的重大政治任务。

他要求，全校上下要提高政治站位，学习贯彻好党的二十届三中全会精神和习近平总书记重要讲话重要指示批示精神，切实把思想和行动统一到党中央决策部署上来。学校广大党员和全体师生要将学习成果转化为推动工作的强大动力，围绕学校中心工作、强化担当作为，持续推进学校本科教育教学审核评估、硕士学位授予单位立项建设等重点工作，为实现学校高质量发展贡献智慧和力量，切实推动党的二十届三中全会精神在学校落地生根。

校院两级党委理论学习中心组成员、相关职能部门负责同志、马克思主义学院全体教师、全体辅导员和师生党员代表等300余人参加了报告会。

学习贯彻习近平总书记重要讲话精神

强化使命担当 奋力推进安徽医药卫校高质量发展

近日，安徽医药卫校召开党总支理论学习中心组（扩大）会议，专题传达学习习近平总书记考察

安徽重要讲话精神和省、市、县委相关会议精神，安排部署学校学习宣传贯彻工作。学校党总支理论

学习中心组全体成员参加集中学习，校党总支副书记徐晶晶主持会议。

会议指出，在中华人民共和国成立 75 周年，在全省上下深入学习贯彻党的二十届三中全会精神的关键时刻，习近平总书记再次亲临安徽考察指导，在安徽发展史上具有重要的里程碑意义，习近平总书记考察安徽重要讲话精神是指引安徽各项事业发展的根本遵循和行动指南。学习好、宣传好、贯彻好习近平总书记考察安徽重要讲话精神，是当前和今后一个时期的头等大事和首要政治任务。

会议强调，全校上下要迅速兴起学习宣传贯彻习近平总书记考察安徽重要讲话精神的热潮，切实把思想和行动统一到习近平总书记重要讲话精神上来，坚定拥护“两个确立”，坚决做到“两个维护”，始终坚持立德树人根本任务，进一步强化为党育人、为国育才的初心使命，坚定改革的决心和意志，团结奋斗、真抓实干，聚焦教育教学中心工作，全面推进安徽医药卫校建设高质量发展。

会议要求，全校党员要提高政治站位，深入学习贯彻习近平总书记重要讲话精神，把学习贯彻习近平总书记重要讲话与学习贯彻习近平总书记 2016 年、2020 年考察安徽重要讲话精神结合起来，与学习党的二十届三中全会精神结合起来，做到融

会贯通、全面深刻理解把握；要根据学校上级党委部署要求，扎实开展学习研讨、专题党课等工作，把习近平总书记重要讲话精神融入思政课堂与各类社会实践，在学校营造学习宣传贯彻习近平总书记重要讲话精神的浓厚氛围；要紧结合学校实际，发扬改革创新精神，深入开展思想政治工作，扎实推动习近平总书记考察安徽重要讲话精神在学校落地落实。

学校党总支委员王道麟、汪萍、沙雯等同志围绕“学习贯彻习近平总书记重要讲话精神，强化使命担当奋力推进安徽医药卫校高质量发展”主题进行了交流发言。大家纷纷表示，通过此次学习，我们更加深入理解了习近平总书记考察安徽重要讲话精神的内涵和意义，也更加坚定了为学校发展贡献力量的信心和决心，我们要切实把习近平总书记的重要讲话精神转化为推动学校高质量发展的实际行动，以时时放心不下的责任感，持续深化安全隐患大排查大整治，全力保障学校师生生命安全和校园和谐稳定，确保年度各项工作任务高质高效高标准完成。

增强身体素质 弘扬体育精神

——记安徽三联集团 2023 年度先进集体、安徽三联学院体育部

体育课程成绩构成并纳入体育素质考核指标，生成大学生体质健康档案。体育部秉持“大体育”课程观，积极推行“互联网+体育”云运动，赋能体育教学。实施校园健身跑课外锻炼，将课内学练和课外锻炼有机集合，形成了一体化课程结构，养成学生课外运动的习惯，提升学生的体质健康水平。本

安徽三联学院体育部遵循新时代学校体育“四位一体”目标总要求，聚焦“教会、勤练、常赛”体育教育教学改革核心，深化体育教育教学改革，大学生体质健康状况持续改善，根据“一校一品，一校多品”的学校体育发展格局要求，抓实校运动队竞训工作，再创优异竞技成绩，2023 年学校体育工作全面有序推进，学校体育事业进入高质量发展阶段。

深化体育改革，完善评价体系，助力学生健康成长。实施数字化、智慧化体育教育教学改革，体育部成功搭建云运动智慧体育平台，实现了体育课程、体质健康测试、校园健身跑、赛事管理等模块的数字化智慧化应用。同时，体育部持续完善体育评价体系，充分发挥制度的引导激励作用，制定完成了《安徽三联学院学生综合素质测评实施办法》中关于学生体育素质考核的具体指标，将学生体质健康测试成绩、云运动校园健身跑成绩作为学生

年度，体育部顺利完成教育厅《国家学生体质健康标准》测试组进校抽测的组织保障工作，维护了良好的测试秩序，保证了测试的数据完整、真实、有效。在此次抽测中，安徽三联学院的体质健康抽查优良率位居省内民办本科院校第一。此外，体育部成功完成了年度大学生体质健康测试工作，测试结果显示，体质健康测试优良率达到 18.44%，达标率高达 93.66%，超过全国高校平均水平及本科审核评估学生体质健康测试达标率常模数据水平。

优化竞赛体系，加大投入力度，体育工作成效显著。体育部不断优化竞赛项目设置，扩大竞赛参与面，成功举办安徽三联学院第九届体育文化节和安徽三联学院第二十一届运动会暨安徽三联集团第十二届职工运动会，在全校范围内掀起了体育锻炼的浪潮，有效增强学生的体质，进一步丰富了校园体育文化。此外，体育部还积极开展学校体育设施设备安全隐患排查整治工作，安装手球场、网球场

和塑胶篮球场运动照明设备，硬化单双杠健身区地面并铺设塑胶垫，更换羽毛球场地地胶，并完成了风雨操场运动区划分及装修方案，显著改善了教学、训练和课外锻炼的环境。根据“一校一品，一校多品”的学校体育发展格局要求，体育部制定了年度竞赛计划，并切实执行运动队的常态化训练及赛前集训工作。我校运动员在国赛、省赛的多个项目中取得突破：武术徒手对练荣获全国冠军，羽毛球女子单打荣获全省冠军、男子双打荣获全省第2名，健美操荣获安徽省第十五届运动会三等奖，武术龙身蛇形太极拳、手球、沙滩手球、跳绳等项目闯入

全国八强。

安徽三联学院体育部秉持立德树人的根本任务，践行健康第一的教育理念，不断深化体育教育教学改革实践，优化课程架构、丰富教学内容、完善考核机制、健全竞赛体系、强化基础建设，在数字化、智慧化体育教学领域取得了显著成效，教与学呈现良好态势，大学生的体质健康水平稳步提升。展望未来，体育部将继续贯彻落实学校“十四五”发展规划及人才培养体系要求，进一步深化教育教学改革，谱写学校体育高质量发展新篇章。

古人云：“海不辞水，故能成其大；山不辞土石，故能成其高。”在教育的旅途中，她用爱心、恒心不断积淀，诠释了一名普通教育工作者的初心。自参加工作以来，她热爱岗位，热爱教育事业，热爱每一位学生，严于律己，努力提高教育教学水平，力求成为一名优秀的人民教师。2023年，她先后荣获“优秀班主任”“技能大赛优秀指导教师”等荣誉称号，并在安徽省中等职业学校三优课中荣获省赛一等奖。在她的悉心指导下，学生们也在各类比赛中屡获佳绩。她，就是安徽合肥医药卫生学校教研室主任、专任教师——汪琼。

以爱为源 润育桃李

任教师汪琼

业精于勤，笃行而以致远。把学生教好，让学生成功，是每一位教师的心愿和荣誉。新课程改革环境下，教师仅有“一桶水”是远远不够的，必须有源源不断的“自来水”。汪琼同志深知学习的重要性，时刻把握机遇，主动地向年轻老师学习新技术、新方法，充分利用学校提供的学习机会，持续提高自身的教育教学能力以及教学管理水平。在教学实践中，她将所学的知识灵活融入课堂，激发学生的学习兴趣。正是这份顽强拼搏与勇于挑战的精神，使她赢得了同事们的尊敬、学生们的爱戴以及家长们的高度评价。

以身作则，身教重于言传。北宋司马光曾曰：“才者，德之资也；德者，才之师也”。这是为师之道，人才培养一定是育人和育才相统一的过程，而育人是本，因此汪琼同志格外重视师风师德建设，始终把教书育人、爱岗敬业、以身作则作为自己的职业准则，通过自身的人格魅力潜移默化地影响学生。大道不言，润物无声。每当她面对学生们那一双双闪烁着求知光芒、充满渴望的眼睛时，深感责任重大。经过不懈努力，她所带的班级形成了良好的班风、学风，在各类评比中屡屡获奖。

师爱如山，温暖成长之路。从教15年，虽满是琐碎，却洋溢着美好和温暖，汪琼同志的关爱和学生的温暖相互交织，彼此成长。每天早晨她会提前到校，细察教室的卫生以及学生的出勤情况，寒暑更替，她会及时提醒时常问候。班里很多学生都来自农村，家境贫寒，她屡

次慷慨解囊，购买学习用具赠予学生。面对家境尤为困窘的学生，她更是不辞辛劳，经常利用周末和节假日，对这些学生进行家访，深入了解他们的家庭状况、思想动态和学习情况，帮助他们重燃学习的希望之火。针对基础薄弱的学生，她会在课下主动为他们辅导功课……这一份份看似平凡的举动，实则是师爱深沉的真实写照。十数年间，她播撒着爱的种子，收获的，是爱的累累硕果。

“雄关漫道真如铁，而今迈步从头越。”从学术殿堂迈向三尺讲台，转变的是角色身份，不变的是奋斗担当的精神。汪琼同志矢志不渝，誓言要尽其所能，引领学生们成长为心怀崇高理想、肩负时代重任的新时代有为青年，让青春在为祖国、为民族、为人民的不懈奋斗中绽放光彩！

冬至临 待春朝

时序轮转，岁月的车轮辘辘，不经意间，冬至已至。这是一年中白昼最短、黑夜最长的日子，仿佛天地都在这寒峭里，放缓了呼吸，陷入一片深邃的寂静。

冬至的风，宛如冰刀，呼啸着划过街巷，所到之处，草木凋零，万籁俱寂。街头巷尾，少了往昔的热闹喧嚣，行人匆匆，裹紧棉衣，瑟缩着前行，似是被这严寒驱赶至温暖的家中。旷野之上，皑皑白雪覆盖了山川大地，河流冰封，仿若一条沉睡的巨龙，再不见往日的奔腾灵动。天地仿若一座巨大的冰窖，阴盛阳衰，万物蛰伏，一切的生机与活力，似乎都被这酷寒冻结。

然而，在这寂静与严寒之下，却潜藏着不易察觉的涌动。你若俯身，贴近那冰面，便能隐隐听到冰下暗流潺潺，那是生命不屈的脉搏，在寒冬中顽强跳动。寒枝之上，虽不见绿叶繁花，却有新蕾在悄然孕育，于风雪中积蓄力量，只待春阳的第一缕温暖将其唤醒。正如岁月的长河，尽管会遭遇寒冬的冰封，但暗流从未止息，希望也从未泯灭。

回溯历史，冬至从来都不只是一个节气，它承载着中华民族数千年的文化与情思。古人们在这一日，阖家团聚，围坐炉边，吃着热气腾腾的饺子或汤圆，驱散周身的寒意，也让亲情在欢声笑语中升温。他们知晓，这是阴极阳生的转折点，熬过漫漫

寒冬，便是春回大地、万物复苏。冬至的寒，是生活给予的磨砺，而围炉夜话、共享天伦，便是人们在困境中寻得的温暖慰藉。

在文人墨客的笔下，冬至亦满是诗意。“邯郸驿里逢冬至，抱膝灯前影伴身。想得家中夜深坐，还应说着远行人。”白居易身处异乡，在冬至的寒夜，孤灯相伴，思念着家中亲人，那份浓浓的乡愁，穿越千年，至今仍能叩动人心。冬至，成了情感的纽带，连接着过往与当下，让漂泊的灵魂在寒日里寻得归处。

如今，站在冬至的节点，展望未来，心中满是憧憬。这个寒冷却孕育希望的节气，恰似人生的低谷，虽有艰难困苦，却也暗藏转机。每一次挫折，如同冬至的风雪，虽会让人步履蹒跚，却也能让人在磨砺中愈发坚韧。待春风再度拂过大地，冰消雪融，山川必将重披绿装，繁花似锦，那是生命对寒冬的回应，是希望的盛大绽放。

冬至临，寒意在周身弥漫，但只要心怀希望，眼中有光，便能望见春朝的曙光。在这寂静的冬日，让我们沉淀内心，积蓄力量，如同冰下暗流、寒枝新蕾，静候春的召唤。待那时，再与这世间的美好相拥，奔赴一场繁花之旅。因为，冬至已至，春，必不远矣。

The SLU Exploration of Industry–Education Integration Selected as a 2024 National Governance Innovation Case

Recently, the “2024 State–Owned Enterprise High–Quality Development Summit—the 10th National Governance Forum” was held in Beijing, where research findings on the 2024 high–quality development of state–owned enterprises and national governance innovation were released. The research project, Anhui Sanlian University: The SLU Exploration of Industry–Education Integration, was selected as a “2024 National Governance Innovation Experience Case.”

As the first private higher education institution established in Anhui Province in 1997, Anhui Sanlian University has always prioritized moral education as its fundamental mission. The university adheres to an applied education philosophy, emphasizing the simultaneous importance of education development, talent cultivation, technological innovation, and industrial growth. It maintains a distinctive approach to education through differentiation, focusing on industry–education integration and local service. By bridging the gaps between industry and education,

teaching and research, and learning and application, the university has created an innovative mechanism for industry–education integration and developed the “Sanlian Model” to cultivate well–rounded builders and successors for socialism with an emphasis on moral, intellectual, physical, aesthetic, and labor development.

The innovative practices and case studies selected for the research report on governance innovation were evaluated based on five criteria: innovation, scientific value, effectiveness, universality, and impact. These findings, distilled by experts from the People's Forum Research Group through field research, hold significant theoretical and practical value and offer exemplary guidance for others.

The summit was guided by People's Daily, hosted by People's Forum Magazine, and supported by the China Enterprise Reform and Development Research Association, the State–Owned Economy Research Think Tank of the Chinese Academy of Social Sciences, and the National Economy Research Institute of Renmin

University of China. The forum was co-organized by the National Governance Magazine, People's Think Tank, and People's Forum Network, with project support from

the Mingyuan Real Estate Research Institute.

Anhui Sanlian University Successfully Opens Its 22nd Sports Games and Anhui Sanlian Group's 13th Employee Sports Games

On the morning of November 7, the 22nd Sports Games of Anhui Sanlian University and the 13th Employee Sports Games of Anhui Sanlian Group opened at the main campus stadium. The opening ceremony was attended by the university's founder and president, Jin Huiqing, Provincial Education Inspector and Secretary of the University Party Committee, Wang Guanghu, Chairman of Anhui Sanlian Group, Yu Wansheng, and Executive President of Anhui Sanlian Group, Jin Qing. The ceremony was hosted by Executive Vice President Jiang Xiuli.

At 9 a.m., the ceremony began with a spectacular performance of artistic sports. Teams from the university's various faculties and departments collaborated to present cheerleading dances "Youth, Go!", martial arts displays "Young China", and formation displays "Growing with Sanlian". Afterward, flag bearers carried the national, university,

and sports flags into the stadium, followed by the athlete delegations.

In his opening address, Jin Huiqing expressed heartfelt gratitude to the staff involved in organizing the event and extended high respect to all athletes and referees. He emphasized the university's long-standing commitment to sports as a vital component of moral education, fully integrating it into talent cultivation. Jin highlighted that sports strengthen the body and play a key role in fostering resilience, teamwork, and competitiveness—essential traits for shaping well-rounded talents.

"Over the years, I have maintained regular exercise, no matter how busy I am," Jin shared as he led by example, encouraging everyone to step away from their phones, leave their dorms, and engage actively in physical exercise. He urged students and staff to embrace the "Health First" concept, cultivate fitness habits, and enjoy the happiness and health brought by sports. This spirit, Jin said, is vital to the university's high-quality development journey, where hard work and progress are essential to contributing to the dream of a strong sports nation.

Following speeches, Fang Tao, representing the athletes, and Yang Kexin, representing the referees, took their oaths. Yu Wansheng then officially declared the sports games open.

After the ceremony, Jin Huiqing fired the opening shot to commence the games.

The two-day event features various competitions, including track and field, fun games, and basketball matches, with a total of 2,220 participants competing across 52 events.

Other attendees included Wang Jiangbo, Chairman of Anhui Sanlian Applied Traffic Technology Company; Zhu Rong, General Manager of Anhui Zhuke Vocational Education Technology Company; Mei Long, General

Manager of SLIANBOT; and Qin Yongyuan, Chairman of Anhui Hefei Medical and Health School. Also present were all university leaders in Hefei, representatives from the university's faculties and administrative units, and athletes, referees, and volunteers from Anhui Sanlian University and Anhui Sanlian Group.

President Jin Huiqing of Anhui Sanlian University Visits Guangrui Medical Group

On the afternoon of November 8, President Jin Huiqing of Anhui Sanlian University and his delegation visited Guangrui Medical Group, conducting an on-site inspection of its Xingyuan Outpatient Department. The visit aimed to explore new avenues for university-enterprise collaboration and deepen cooperation in talent cultivation and supply. Zhang Junbo, Chairman of Guangrui Medical Group, accompanied the delegation throughout the visit.

After touring various departments of the Xingyuan Outpatient Department, Jin Huiqing praised the work Guangrui Medical Group has accomplished in primary healthcare services. He stated that the visit marked a great opportunity for Anhui Sanlian University and Guangrui Medical Group to engage in broader collaboration in areas such as medical technology development and talent training. Jin particularly highlighted the significant potential for cooperation in emerging fields like medical artificial intelligence and telemedicine services.

Zhang Junbo expressed Guangrui Medical Group's

dedication to improving the quality and efficiency of primary healthcare services. He expressed hope that the partnership with Anhui Sanlian University would bring in more technological innovations and talent to further enhance their services and management capabilities. Zhang emphasized that primary healthcare forms the foundation of the entire healthcare system, and strengthening this area is vital for improving the overall health of society.

During the meeting, the two parties discussed how to implement university-enterprise collaboration, enhance the capacity of primary healthcare services, and train talents in the health and elderly care sectors. Jin Huiqing emphasized the importance of quickly establishing specific collaboration plans and learning from future practices to broaden the scope of cooperation. Both sides expressed their commitment to making greater contributions to regional and national healthcare advancements.

The visit also opened up new internship and employment channels for Anhui Sanlian University students. This in-depth university-enterprise collaboration model will provide students with more employment opportunities, enhancing their competitiveness in the job market and enabling a seamless transition from campus to workplace. By doing so, the collaboration will supply the health and elderly care industry with high-quality professionals.

A Delegation from Hefei E-Commerce Association Visits Anhui Sanlian University

On November 20, Li Jun, Secretary-General of Hefei E-Commerce Association and Vice Chairperson of the Hefei Youth Federation, along with Vice Presidents Liang Li, Li Linhu, and representatives of 14 enterprises, visited Anhui Sanlian University to discuss talent alignment under the "University-Industry-Enterprise" model. Vice President Fu Wei, who also serves as Dean of the Faculty of New Commercial Science, and relevant faculty members attended the exchange meeting.

Fu Wei extended a warm welcome to Li Jun and his delegation and provided an overview of Anhui Sanlian Group and the university. He highlighted achievements in industry-education integration and university-enterprise collaboration. Referring to the construction of practical teaching bases within the Faculty of New Commercial Science, Fu offered suggestions on

internship programs and employment strategies for the graduating class of 2025. He expressed hope that the association would leverage its strengths in industry resource integration and information sharing to establish deeper cooperation with the university. Together, they aim to create a seamless process for talent cultivation, assessment, and placement, facilitating high-quality employment for graduates and effective talent acquisition for employers.

Li Jun introduced the main business and development trajectory of the Hefei E-Commerce Association. The enterprise representatives present engaged in lively discussions regarding their respective business growth and talent needs. The consensus was that continuous innovation in collaborative models and early planning in talent cultivation would ensure that students are well-prepared to adapt to the fast-paced evolution of the e-commerce industry. This approach would inject fresh vitality and innovative momentum into the sector, establish sustainable collaboration models, and achieve a win-win scenario for universities, industries, and enterprises.

Research Delegation from Ministry of Civil Affairs' Policy Center Inspects Sanlian's Intelligent Elderly Care Solutions

On the morning of November 28, a delegation from the Policy Research Center of the Ministry of Civil Affairs visited Sanlian to examine the progress of smart elderly care development in Anhui Province. Accompanying them were officials from the Elderly Services Department and the Elderly Rights Department of the Anhui Provincial Civil Affairs Department, the Hefei Civil Affairs Bureau, the Baohe District Civil Affairs Bureau, and other related agencies. Mei Long, General Manager of SLIANBOT, and Song Menglan, Vice President of Anhui Sanlian University and Dean of the Faculty of Modern Health Care, welcomed the delegation and accompanied them throughout the visit.

The delegation first toured the SLIANBOT exhibition hall, where the company's marketing team provided a detailed introduction. Sanlian's Smart Elderly Care Service Platform, which utilizes computer science, the Internet of Things, and cloud computing, offers comprehensive and personalized health and elderly care services for community-based and institutional elderly care. The platform encompasses

features such as health and safety monitoring, care visits, capability assessments, smart dining, intelligent services, and marketplace services. Sanlian's independently developed Smart Elderly Care Service Platform was included in the 2023 First Edition Software Recognition List issued by the Anhui Provincial Department of Economy and Information Technology. The platform is already in practical use in elderly care centers in provinces and cities such as Anhui, Hainan, Beijing, and Xinjiang. In the field of smart elderly care hardware, SLIANBOT has developed products like robotic nursing beds, multifunctional lifting devices, and lower-limb assistive exoskeletons for scenarios such as patient transfer, bathing, and walking assistance. The delegation recognized SLIANBOT's achievements in smart technology development and intelligent elderly care solutions and inquired about the market promotion and effectiveness of its products.

Following the tour, the delegation held a meeting with provincial, municipal, and enterprise leaders to exchange views. Mei Long presented SLIANBOT's R&D achievements in smart elderly care and outlined future development plans. Participants also discussed challenges in advancing community-based smart elderly care and the necessary support from civil affairs departments. The delegation provided valuable suggestions and insights on promoting smart elderly care at the community level.

This research visit offered a platform for direct communication between technology enterprises,

community organizations, and civil affairs departments, injecting fresh momentum into the development of smart elderly care in Anhui Province. In the future, Anhui Sanlian Group will continue to focus on smart elderly care, enhance technological and product innovation, and enrich talent cultivation and output. By exploring high-

quality elderly care services, Sanlian aims to deliver better experiences to senior citizens and contribute to the high-quality development of elderly care services, addressing the challenges of an aging population.

Anhui Sanlian University Recognized Among “China’s Top 100 Private Education Institutions”

On November 25, the 2024 Sixth “China’s Top 100 Private Education Institutions” Release Conference and the Sixth Private Education Beijing Forum were held at the Boya International Hotel at Peking University. Leaders of private higher education institutions and international schools from across the country, along with representatives from over 20 major domestic media outlets, attended the event. The conference announced the list of schools selected for the Sixth “China’s Top 100 Private Education Institutions”, with Anhui Sanlian University earning a spot on the prestigious list and receiving a plaque and certificate.

The “China’s Top 100 Private Education Institutions” selection is a national evaluation initiative focused on privately funded educational institutions. Held annually for six consecutive years, the event assesses schools based on five criteria: reputation and status, philosophy and scale, faculty and facilities,

educational outcomes, and campus culture. The evaluation process involves third-party data surveys, expert opinions, and media assessments. The aim of the initiative is to discover, commend, and promote outstanding private schools in China. With its strong reputation and profound influence, it is considered the flagship brand in the dissemination of private education in the country.

This recognition highlights the high-quality development achievements of Anhui Sanlian University in education and teaching over recent years. Moving forward, the university will continue to enhance its educational standards and strive for connotative development, working towards its goal of becoming a distinctive and nationally leading private undergraduate institution and building a “century-old school.”

Representatives from Anhui Sanlian University Visits Multiple Partner Universities in Japan for Exchange

Recently, a delegation from the International Cooperation and Exchange Center of Anhui Sanlian University traveled to Japan to conduct in-depth visits and exchanges with several Japanese universities that have maintained long-term cooperation with the university. The purpose of this visit was to further consolidate and deepen the cooperative relationships

with these universities and promote exchanges and cooperation in more areas.

The delegation first visited Hokuriku University in Japan. The Chairman of Hokuriku University's Board of Directors, Xiaocang Qin, and the President, Dongfeng Ansheng, along with other university leaders, attended the meeting. Both sides conducted in-depth discussions on topics such as faculty and student exchanges, academic exchanges, and scientific research cooperation, and expressed their willingness to further expand cooperation areas. Representatives from Hokuriku University stated that they will continue to support the cooperative projects between the two universities, especially the "2+2" study abroad program, and hope to cooperate with our university in more areas.

Subsequently, the delegation visited Graduate

Institute for Entrepreneurial Studies, Osaka Sangyo University, Hyogo University, and Nishikyushu University. Representatives from Graduate Institute for Entrepreneurial Studies expressed their willingness to jointly promote the internationalization of education with Anhui Sanlian University and contribute to cultivating more high-quality talents with an international perspective and innovative capabilities. Representatives from Osaka Sangyo University said that they cherish the cooperative relationship with Sanlian and are willing to further expand cooperation areas and deepen cooperation content based on the existing cooperation, providing more exchange and learning opportunities for faculty and students of both universities. Representatives from Nishikyushu University expressed their willingness to provide more study abroad opportunities and academic resources for Sanlian faculty and students, and also hope

to achieve further cooperation.

Finally, the delegation visited Japan Yoda International Co., Ltd. Both parties held a negotiation meeting and signed an industry–university–research cooperation agreement. At the meeting, our side showcased our educational philosophy, disciplinary advantages, and industry–university–research achievements, while Yoda International shared their technological innovation, industrial development, and internationalization strategy. Both parties jointly unveiled the International Talent Joint Cultivation Base and reached a cooperation intention to jointly cultivate internationally competitive compound talents.

This visit not only deepened the friendship and cooperative relationship between Sanlian and its partner universities in Japan but also demonstrated Sanlian's positive attitude and open posture in international exchange and cooperation. In the future, Anhui Sanlian University will continue to strengthen exchanges and cooperation with overseas universities, broaden the international perspective of its faculty and students, and provide more exchange and learning opportunities and broader development spaces.

Anhui Sanlian University Elected as a Council Member of the Art Education Professional Committee of China Private Education Association

Recently, the First Private Art Education Innovation Development Seminar and the Inaugural Meeting of the Art Education Professional Committee of the China Private Education Association, hosted by the

China Private Education Association and organized by Jilin Animation Institute, was held at Jilin Animation Institute. Leaders and teachers from the private art education field nationwide gathered to discuss the

innovation development path and direction of private art education. Anhui Sanlian University was elected as a council member of the Art Education Professional Committee of the China Private Education Association, and Vice President Pan Tao represented the university at the meeting.

The seminar, themed "Focusing on the Spirit of the Education Conference and Jointly Promoting High-Quality Development of Art Education," aims to deeply implement the strategic tasks of building an education power and a cultural power, and promote the reform and innovation of private art education. Through expert

reports, discussion seminars, and on-site inspections, it strengthens the integration of talent cultivation, scientific research, social services, and cultural inheritance among universities. The participating representatives conducted an on-site inspection of Jilin Animation Institute, from the comic strip manuscript exhibition to the creative market, cleverly combining traditional culture with modern technology, showcasing the charm of innovative education.

The university will take this opportunity to further strengthen exchanges and cooperation with domestic and foreign art colleges and universities, continuously improve the curriculum system and teaching methods, strengthen the construction of the teaching staff, enhance the level of art education, and contribute to the prosperous development of China's private art education cause with the strength of Sanlian.

Anhui Sanlian University Successfully Holds the 2024-2025 Academic Year "The Training Project for Yong Marxist" Training Course

On December 27th, Anhui Sanlian University held the opening ceremony of the 2024-2025 academic year "The Training Project for Yong Marxist" (hereinafter referred to as the "Youth Marxist Project") training course. Wang Guanghu, the provincial education inspection commissioner and secretary of the university party committee, as well as the main responsible persons from the disciplines of discipline inspection, party office, student affairs, labor union, youth league committee, and the School of Marxism, deputy secretary of the

party committee and dean of each faculty, secretary of the youth league committee, and 300 Youth Marxist Program trainees attended the opening ceremony.

Wang Guanghu delivered the first report titled "How to Be a Qualified Student Cadre" and congratulated the trainees on behalf of the university party committee for the opening of the training course and their participation. He pointed out that participating in the "Youth Marxist Project" training is a political honor, and he hoped that all trainees would cherish the learning opportunity, listen attentively, and strive to learn, gain, and improve.

He fully affirmed the role of student cadres in the university's education work and students' self-education, self-management, self-service, and self-supervision from four aspects: accurately grasping their positioning, correctly facing difficulties, paying attention to methods, and exerting a demonstration role. He comprehensively explained the responsibilities of student cadres, encouraged them to objectively view, rationally face, and correctly solve difficulties in their work, and required them to fully exert a demonstration and leading role in ideological training, academic achievement, compliance with rules and disciplines, and behavior. He pointed out that the basic responsibility of student cadres is to serve students, and their important mission is to assist in management. As activists among the student group, they are not only models for other students to learn from but also demonstration benchmarks for leading campus fashion and spreading positive energy.

He emphasized that student cadres should have more of a "scholarly air" and less of an "arrogant and pampered" attitude, and learn well the "elective course" of "being a qualified student cadre," mastering the internal skills of this course, and laying a solid "foundation" and enhancing their "skills" for future

development.

Zhao Chong, deputy secretary of the party committee and vice president, presented learning books and awarded flags to representatives of the Youth Marxist Program trainees. Cai Wenfen, vice president, announced the "Notice on the Establishment of a Temporary Youth League Branch for the 2024 Anhui Sanlian University "The Training Project for Yong Marxist," clarifying the organizational structure, main responsibilities, and work requirements of the temporary youth league branch.

From December 27th to 28th, the secretary of the youth league committee of the three faculties and three departments, all Youth Marxist Program trainees, and student leaders carefully participated in a total of seven special lectures over two days.

Wu Qi, secretary of the university youth league committee, presented an "Outside Guest Lecturer" certificate for the "The Training Project for Yong Marxist" to Chen Songmei, a teacher from the Provincial Government Office Party School.

Implementing the "Youth Marxist Program" is a strategic, leading, and landmark project for the Communist Youth League to cultivate young pioneers for the party. Next, the university will continue to carry out a one-year training program combining collective learning with self-learning, theoretical learning with practical exercise, and basic learning with special research, continuously leading the majority of league members and youth to strengthen their loyalty to the party, firm their ideals and beliefs, carry forward the spirit of struggle, and dare to take on responsibilities, contributing the most solid youth strength of student leaders in the evaluation.

"Hikvision Cup" 6th Anhui Provincial College Student Transportation Technology Competition Successfully Held at Anhui Sanlian University

From November 22 to 23, the "Hikvision Cup" 6th Anhui Provincial College Student Transportation Technology Competition, organized by the Anhui Provincial Department of Education and hosted by Anhui Sanlian University, concluded successfully. The event was co-organized by the National Research Center of Vehicle Driving Safety Engineering Technology, Hefei University of Technology, and Anhui Jianzhu University. The competition attracted 171 teams from 25 universities and colleges, including Hefei University of Technology, Anhui University, Anhui Jianzhu University, Nantong University, Huaiyin Institute of Technology, and Chongqing Jiaotong University. The event also received support from Hikvision Digital Technology Co., Ltd., Anhui Sanlian Applied Traffic Technology Company, Superstar Group Co., Ltd., and Anhui Aixuetang Education Technology Co., Ltd.

Since the competition's preparation began in April, Anhui Sanlian University, as the host, demonstrated great dedication. Multiple coordination and review meetings were held to ensure the event's success. From the release of competition regulations to the submission of applications, and from preliminary online reviews to final evaluations, the event achieved high-quality execution across five categories, with 100 projects shortlisted for the finals. Leveraging the experience of previous editions, the organizing committee meticulously planned every stage, ensuring smooth progress in both

the preliminary and final rounds.

The competition invited 27 experts, including members of the Ministry of Education's Transportation Teaching Steering Committee, members of Anhui Provincial Transportation Professional Collaboration Committee, and industry specialists, to serve as judges. Each presentation venue was equipped with disciplinary personnel and full recording to ensure fairness and transparency. Competing teams impressed the judges with centralized presentations, physical model displays, and teamwork, showcasing their projects' innovation, technical feasibility, and practical application. This aligns with the competition's mission to support the national transportation power strategy and the Belt and Road Initiative. Participants engaged in mutual learning and exchange, achieving the objectives of "promoting learning, teaching, and innovation through competition." Following rigorous reviews, the competition awarded 10 first prizes, 20 second prizes, and 30 third prizes.

During the closing ceremony, Professor Yao Enjian,

a member of the Ministry of Education's Transportation Teaching Steering Committee and a professor at Beijing Jiaotong University, analyzed and commented on the projects, commending the participants' enthusiasm and creativity. He also offered valuable suggestions for future projects in terms of research process, principles, and presentation. Professor Zhang Weihua, deputy leader of the judging panel, announced the final winners and congratulated them. Mr. Tang Xinke, General Manager of Hikvision Digital Technology Co., Ltd. Hefei Branch, delivered a speech as a representative of the title sponsor. Mr. Dong Chengjun, Director of the Anhui Provincial Office for Innovation and Entrepreneurship Education, on behalf of the Provincial Department of Education, praised the competition's achievements over the past six years. Professor Jiang Xiuli, Executive Director of the Competition Committee and Executive Vice President of Anhui Sanlian University, summarized the event. During the closing session, a flag handover ceremony was held for the 7th Anhui Provincial College Student Transportation Technology Competition, with

Associate Party Secretary Tian Qiushi from Anhui University of Science and Technology's School of Mining Engineering extending a welcome for the next event. The closing ceremony was hosted by Professor Cai Wenfen, Vice President of Anhui Sanlian University and Secretary-General of the Competition.

As a provincial Category B competition, the Anhui Provincial College Student Transportation Technology Competition has now been successfully held six times. This year's event once again highlighted the innovative spirit of students in transportation technology. The collaborative learning environment fostered by the competition achieved meaningful exchanges of innovative ideas and cultural perspectives. The creativity and talent displayed by participants enriched the development of transportation-related academic disciplines and provided new insights into addressing challenges in the transportation sector.

2024 Annual Conference and Leadership Transition Meeting of the Anhui Provincial Marxist Philosophy Applied Society Successfully Held at Anhui Sanlian University

On December 22, the 2024 Annual Conference, Leadership Transition Meeting, and Theoretical Seminar on "Further Comprehensive Deepening of Reform and the Application of Philosophy" of the Anhui Provincial Marxist Philosophy Applied Society were successfully held at Anhui Sanlian University. Jiang Tao, member of the Party Group and Vice Chairman of the Anhui Federation of Social Sciences, attended the opening ceremony and delivered a speech. Jiang Xiuli, Executive

Vice President of Anhui Sanlian University, delivered a speech on behalf of the host institution. Liu Xinyue, Vice Chairman of the Anhui Provincial Committee of the Chinese People's Political Consultative Conference for Education, Science, Health, and Sports, Chair of the Ideological and Political Teaching Advisory Committee for Colleges and Universities in Anhui Province, and President of the Society, presented the Society's work report. Jin Huiqing, President of Anhui Sanlian University, also attended the opening ceremony, which was hosted by Hu Ang, Vice President of the Society and Director of the Office of Academic Research at Hefei Normal University. Nearly 200 participants, including social science experts, society members, and postgraduate students from across the province, attended the conference.

In her speech, Jiang Xiuli introduced Anhui Sanlian University's basic profile and unique educational characteristics. She stated that over the past two decades, under the guidance of relevant authorities and with the support of various sectors of society, the university has continuously developed through reform, enhancing its social influence and reputation. Hosting this year's conference is of significant theoretical and practical importance for promoting Marxist theoretical research and academic exchange at the university. She expressed hope that the event would encourage more experts and scholars to join Anhui Sanlian University's "circle of friends" and gain deeper insight into the university.

In his speech, Jiang Tao pointed out that the important instructions given by General Secretary Xi Jinping on the research and construction project of Marxist theory in the new era provide fundamental guidelines and indicate the direction for academic

research. He emphasized that firstly, we must strengthen ideological armament, highlight contemporary interpretations of Xi Jinping Thought on Socialism with Chinese Characteristics for a New Era, and continuously stimulate vitality in theoretical innovation; secondly, we must adhere to a problem-oriented approach, actively engage in the vibrant practice of building a better Anhui, step out of the ivory tower, investigate genuine issues, and genuinely investigate issues through in-depth practice; and thirdly, we must strengthen our own construction, unite all members, create a high-quality academic exchange platform, and play a greater role in theoretical research. Jiang Tao fully affirmed the achievements and contributions of the Provincial Applied Philosophy of Marxism Society in adhering to Marxist theoretical research over the past three decades and congratulated the Society on its successful transition of leadership.

In his work report, Liu Xinyue reviewed the Society's achievements over the past decade and outlined future development directions. He stressed that only by reinforcing the practical application of theory can theoretical exploration be deepened, thereby driving comprehensive reform. The report identified three key areas for research: exploring new productive forces in the economic sphere, promoting fairness and justice in society, and conducting systemic reforms in socio-political structures.

The conference included elections for the new council. Anhui Sanlian University was elected as an honorary president and vice-president institution. Newly elected President Huang Honglei, representing the 7th Council, pledged to uphold the Society's traditions and remain dedicated to advancing the practical application and innovative development of Marxist philosophy in

the new era, contributing wisdom and strength to the development of Anhui.

During the expert report session, Xing Jun, a member of the Provincial Social Science Party Committee Expert Lecture Group and Director of the Contemporary Anhui Research Institute of the Anhui Academy of Social Sciences, delivered a keynote speech on "Learning and Implementing the Spirit of the 20th CPC Central Committee's Third Plenary Session and Actively Fostering New Productive Forces in Culture." The thematic report session, chaired by Professor Wei Rong from the University of Science and Technology of China, featured academic exchanges from professors Zhong Yuhai of Hefei University of Technology, Liu Zemin of Anhui Medical University, Zhang Bin of Anhui

University of Finance and Economics, and Huang Chun of Bengbu Medical College.

During the afternoon discussion session, six young scholars, including Liu Fang from Anhui Sanlian University, Pang Hongfu from Hefei University of Technology, and Wu Wenbo from Anhui University of Science and Technology, presented their research findings.

The seminar received 196 paper submissions, with 20 papers by young scholars recognized as outstanding. Awards were presented during a ceremony hosted by Li Keming, who also summarized the conference.

2024 Academic Committee Meeting of Anhui Provincial Key Laboratory of Traffic Information and Safety Successfully Held at Anhui Sanlian University

On December 27, the 2024 Academic Committee Meeting of the Anhui Provincial Key Laboratory of Traffic Information and Safety was successfully held at Anhui Sanlian University. The meeting was attended by Professor Zhang Weihua, Chair of the Academic Committee, and committee members Hu Bo, Hua

Jianbing, Feng Zhongxiang, Fang Taoming, Xue Feng, and Duan Lianfei. Participants also included Cao Xiaofeng, Vice President of Anhui Sanlian University; the Director of the Office of Academic Research; laboratory direction leaders; and several key researchers. The meeting was chaired by Feng Pengfei, Executive Director of the Laboratory.

The meeting focused on several key topics, including the laboratory's achievements since its establishment, the completion and acceptance of the first batch of open projects, the review of applications for 2024 open projects, the 2025 construction plan, and the evaluation of high-level talent performance in 2024. Experts highly praised the laboratory's accomplishments and provided valuable insights and

suggestions in four main areas. Particular emphasis was placed on nurturing and attracting laboratory leaders, establishing a benefit evaluation mechanism, enhancing international academic exchanges, and upgrading laboratory construction.

The meeting stressed that the laboratory should seize the opportunity presented by its application for a master's degree authorization point. It should integrate deeply with cutting-edge technologies in safety, artificial intelligence, and cloud computing; promote the transformation of research outcomes into practical applications; and optimize high-level talent development mechanisms to strengthen intellectual support for research and enhance innovation capacity.

Since its establishment in 2019, the Anhui

Provincial Key Laboratory of Traffic Information and Safety has adhered to the guiding principle of “road traffic safety applications” and has embraced innovation through “AI+Traffic.” After years of effort, the laboratory's societal influence has steadily increased. By leveraging platforms such as provincial peak discipline development in transportation, master’s degree authorization points in transportation, and provincial transportation specialty programs, the laboratory aims to achieve high-quality, high-level development to better serve the construction of a beautiful Anhui.

Hefei Municipal 2024 14th Inter-School Open Class Successfully Held at Anhui Hefei Medical and Health School

On December 4, Anhui Hefei Medical and Health School hosted the 14th inter-school open class event for secondary vocational schools in Hefei for 2024. The event gathered over 40 professional educators from various secondary vocational schools, as well as officials from the Hefei Municipal Education Bureau, providing an excellent platform for inter-school exchange and collaboration while showcasing the school's expertise and achievements in medical and health education.

Anhui Hefei Medical and Health School placed great importance on the preparation of this open class activity, meticulously planning every aspect from program design and course arrangement to equipment debugging, ensuring the event ran smoothly.

During the open class sessions, Li Meifeng, a teacher from the school's General Education Research Office, presented a lesson titled "Unit 4: At the Emergency Room (Part 2)." She implemented the student-centered teaching philosophy and focused on developing students' core English competencies. Her professional teaching approach provided an engaging

experience in English for nursing to both students and observers.

Wang Xuemei, a teacher from the Nursing Fundamentals Research Office, delivered a lecture on "Postpartum Hemorrhage." She skillfully integrated modern teaching tools, combining theoretical knowledge with practical operations. Using vivid case analyses and interactive teaching techniques, she made complex obstetrics and gynecology nursing knowledge easy to understand.

Both instructors creatively incorporated ideological and political education into their lessons, guiding students to establish correct values and career outlooks, thus achieving a seamless blend of knowledge transmission and value cultivation.

During the feedback and exchange session, participants evaluated the lessons from multiple perspectives, including classroom atmosphere, teaching design, methods, processes, and outcomes. This further advanced the reform and innovation of secondary vocational education and improved the overall quality of education and teaching.

Anhui Hefei Medical and Health School remains committed to the overarching philosophy of "fostering virtue, reform, innovation, and high-quality development." The school's mission, "To establish a first-class medical and health school and cultivate the best grassroots medical professionals," continues to guide its endeavors. Following its motto "Advocating virtue and love, pursuing truth and diligence" and

maintaining its school spirit of "Rigorous, pragmatic, united, and enterprising," along with its teaching ethos of "Accountability, self-discipline, extensive knowledge, and effective teaching" and learning ethos of "Diligence, critical thinking, refined skills, and practicality," the school strives to contribute more significantly to the

training of highly skilled professionals to meet the needs of grassroots health development.
